TARGET TOURNEY TITLISTS

HIS INDUSTRIAL LEAGUE dart team, The Chasers, was the best of 16 local teams who vied for a chance to try for the Ontario Dart Association trophy Saturday, at the league playoffs here. With trophies, are: (front row, l to r) Neil Ellison, Archie Pollock, Jack Ferguson, George Sandifer; (back row) Art Hills, Al Morely, Ontario Dart Assoc. tourney director, singles champion Doug Wilson; Labatt's representative Tommy Wallace and John Haines.

PeeWees Explode to Take Preston Win

Georgetown PeeWees exploded in a scoring way in their first OMHA PeeWee playoff game here Tuesday, Feb. 21st. While the Bantams were dumping the Preston Bantams, the local PeeWees scored home 10 goals to take a commanding 10-0 lead in the scheduled two game total point series with Preston PeeWees. The second game will be in Preston Saturday night. Bill Dwyer and Paul Robinson tallied three times each to account for most of the scoring. Georgetown lead 3-0 at the end of the first period and 5-0 after two. Lavell Dwyer and Sills collected goals in the first wave. Dwyer did all the second period scoring, and Lavell and Sills scored in the finale before Paul Robinson found the range and popped in three in a row. There were only four penalties, each team drawing one. Picking up assists in this one were Lavell (2), Barefoot (2), Sills, Robinson, Dwyer, Kynersley, and McMenemy. Ricky McNiven and Ricky Hancock who shared the Georgetown goal keeping made several key stops to earn their shut-out. Hancock played all but the last five minutes. The other feature on the night's hockey card was a girls' hockey contest between Jim

Ford's local aggregation and a Toronto club.

Joanne Kemshead and Betty Quackenbush scored Georgetown goals to claim the win for the locals 2 to 1.

Come Close to Dart Competition in City

A Provincial Paper dart team came within inches of competing at the Sportsman's Show when they advanced to the finals in a Guelph dart tournament Feb. 21st. The team, captained by Rocco Lorusso, was ousted by a Guelph team, for the honour. Five of the sixteen teams competing were from Georgetown. The Molson company were sponsors. Local teams entered were captained by Bob Bonfield for the Firemen; Ken DeRose for All Stars; John Haines and Ab Ford for two entries from Glen Williams. Players on the Provincial team were Trevor Williams, Dick Paeker, Ed McErmott, Dave Capperault and Bill Rannachan. The Provincial team is issuing a challenge to a team of golfers and curlers, according to captain Lorusso and hopes to arrange a match in future with them.

SPORTSMEN OUTDOORS

By Fred Darby

Canada has always been known for its cattle farms, wheat farms, and fur farms in general. But now, by an amendment to the game and fisheries act passed into the legislature last week by Lands and Forests Minister W. J. Spower, Canada may soon be known as the land of trout (speckled, brown and rainbow) farms. This amendment was introduced to allow trout to be raised for human consumption.

These two words, HUMAN CONSUMPTION, bothered yours truly quite a bit, when I read about this amendment. But as the amendment said no more than this, I'll have to wait for further developments before I give my opinion (ala Pierre Berton.)

Another amendment now makes bear a game animal subjected to game laws.

Still another permits provisions by order-in-council of open seasons for bear, prohibition against taking certain game by snares or traps is extended to bear and caribou.

The minister by order-in-council can now establish fish sanctuaries and a new subsection four makes the section for party hunting applicable to deer to now be in force for mouse so that the hunter or a party may kill as many animals as there are hunters in the party, but in no case shall the total number of mouse taken or killed exceed the total of licenses held by the members of the party.

From reports ice fishing is at its peak with catches such as 12 lb. pickerel, 3 lb. whitefish and a report of a 14 lb. lake trout caught by Mrs. Kay Maynard in 75 ft. of water, 1 1/2 miles out from Yellow Beach on Lake Simcoe. The limit of lake trout taken on one day by any angler has been reached quite often lately and here's still time for you to get your limit.

And if your interest is herring, how about this recorded last week were 115 herring taken in one hut by two anglers in seven hours of fishing.

Remember the Sportsmen's Show opens on March 10th and runs until March 18th. I've been given the opportunity to be in attendance at one of the Ontario Federation of Anglers and Hunters' booths at the show, and I hope to see you all there. Drop in and say "hello".

In the last few weeks, I've written about the trap shooting that's been going on at the trap range up at the G.A.H.C. Now those Sportsmen who like to do a little hand gun shooting, as a revolver club, located in on the 22nd side in Limehouse.

Whitney, who was re-elected president of the club for the year 1960-61, is sure welcome any inquiries about the club. Ab can be reached at TR. 7-9310.

Basketball Final Acton Are Winners

Georgetown High School's senior basketball team which recently burned red hot to bounce the Milton entry from further competition in the tri-town playoffs dropped to the opposite end of the thermometer last Wednesday to blow the Acton final 29 to 27.

GHSS shooters were ice cold as born out by the sub-par 18 percent shooting average registered by the locals. Simon Frankfurter, the team's top triggerman accounted for only 3 of the Georgetown total. Norris hit for 7 and Ian Ferguson carded 6 points. The rest of the scoring was shared by Bob Cowbrough (3), McClurg (2), Bob Bingham (2), Allan Ray (1) and Smith (1).

For the final three quarters there was little to choose between the two teams as they matched basket for basket, but a disastrous first frame was never overcome by GHSS. In that session they managed to score only one point to Acton's 11.

The game story is epitomized in the free shot statistics which show Acton sank 9 of their 13 attempts while Georgetown hit the hoop only 7 times in 26 free shots.

Lady Dart Players Defeat Hamilton

A Georgetown ladies' dart team, the O'Keefe Viennas, defeated three Hamilton teams to top a doubles and triples tourney at the HMCS Star on the weekend.

The team, Mrs. Roy Rüdger, Mrs. Al McMaster, Mrs. Jean Luckhurst, Mrs. Jim Emmerson, Mrs. Bill Rannachan and Mrs. Vern Gouby, had a 4-2 record in the doubles competition and claimed the triples 3-2 in the first half and 4-1 in the second half.

Also taking part were A and B teams from the Star, and the Hamilton Anvies. The tournament was held in the officers' mess.

Lunch was served after the games and the visitors were entertained in the evening. Gord Reid provided the transportation for the team and Jim Emmerson marked scores.

Owen Sound No Match In Junior Basketball

Georgetown District High School Junior Girls' Basketball team took a 43 point lead into the return game with Owen Sound West Hill High School as a result of their 50 to 7 win in the first of a home and home series played on the local high school floor. The return game was played in Owen Sound.

Captain Betty Quackenbush again led her team to victory scoring 22 points to lead the scorers. LeRoy Quackenbush hit for 16, with Dianne Pennock scoring 8 and Evelyn Vansol, Kema 4. The zone defence used by the Georgetown team proved too strong for the West Hill forwards who managed to sink only three field goals and one foul shot.

The Georgetown team as winners of District 6 played off with West Hill High School of Owen Sound of District 7 for the right to play in the CWOSSA "B" tournament to be held at O.V.C. in Guelph on Saturday, February 25th.

Favour Bantams to Take OMHA Series

Georgetown's power-packed Bantams are gaining momentum in their sprint toward the OMHA Bantam finals.

In the district round robin the local crew have now reeled two wins in as many starts and are favoured to take the current series.

Georgetown bounced Oakville's entry in the opener and Tuesday night tangled with Preston for the first time and put it away 7-1.

Terry Lane continued to spearhead the locals, this time with 3 goals, while Brad Bennett was the keystone in the strong defensive wall. Also turning in a stellar performance was Brasby in the Georgetown net. He has allowed just one goal in the two playoff encounters.

Reid passed to Terry Lane on the first Georgetown goal, and Jim Blair from Donnie Norton, and Abstar Blair from Donnie Norton, were the other two period scoring combinations. Preston scored their only tally in this period, Hansen the marksman unassisted.

In the second period Terry Lane potted his second goal early from Kent Robinson and Mike Cummins banged one in after taking a pass from Rod Presswood Lane and Marty Wheeler notched unassisted markers in the third.

TOO LATE

"Where did he pick up that black eye?"

"He was best man and kissed the bride after the wedding."

"Well, what's wrong with that?"

"It was a year after the wedding."

Faltering Raiders Are Laced 7-1 by Oaks

Oakville Oaks broke a close game wide open in the third period last Wednesday night when they snowed the visiting Raiders under 7-1 before a meager crowd.

With the convincing win the Oaks strengthened their hold on third place in the seven intermediate A loop and left Georgetown within reach of the late surging Milton Merchants, whose win pattern has been the exact opposite of the Raiders.

Raiders bonned all opposition in the first half of the schedule when they rocketed to the top spot in the seven intermediate A loop and left Georgetown within reach of the late surging Milton Merchants, whose win pattern has been the exact opposite of the Raiders.

What crowd did turn up for the Oakville game were kept waiting until well after 9 o'clock before the action started. A mix-up at this end left the players' equipment sitting in a car here and when the oversight was discovered one locale was detailed to make a hurried return trip.

Because of the late starting time the first period went its regular length, and the second and final frames were played straight time.

Georgetown owned a territorial edge in both of the first two periods and blew their big chance to build any kind of a lead. Their efforts however were more than expected since Elmer Lee had to work with three juggled lines. Twelve Raiders were on the playing roster. Among the missing was Raider faithful Junior Beaumont who prior to this one had had a hand in every game.

Raiders peppered the backboards in the fast moving first period but couldn't zero in on Oak goalie John Miller's cage. Consequently Oakville counted the only goal in that frame, Herbie Baker the marksman from Bud Bishop and Wally Maxwell with Grashy off.

Blake Inglis pulled Raiders even at the 11:00 minute mark of the second period from Bob LeBlanc and George Grashy, but that was as close as Georgetown got to a lead. Bud McKay from Ross Dryden and Bob McKay scored as Oakville moved in front to stay.

Sitting out a penalty when that one went in was long time casualty Ron Dixon, who made his return in this one to boost the eligible player total to 22. At the Wednesday game were 12.

Murray Armstrong scored from Ford and Baker to start things off in the third. Baker followed that up with a break-away goal, and McKay from Dryden hit at 14:44. Maxwell scored from Ford two minutes later and at the 18:40 mark McKay capped the scoring on a pass from Maxwell.

SHORT SHOTS

For those customers who don't attend Raider practice sessions, the only time the whole team is assembled on one ice surface, here is the 1960-61 reservoir of talent, Jack Rhodes, Alf Trotta, Terry Moore, Don Kendall, George Grashy, Don Hunter, Gerry Inglis, Dave Voyce, Joe Auger, Dave Irons, Doug Richardson, Wayne Thompson, Jamie Cunningham, Bob Demerco, Junior Beaumont, Bob LeBlanc, Bud Vardy, Don Dixon, Frazer Dunn, Blake Inglis and Al Hume. This is a more powerful aggregation than the one which battled the Ontario finals last season, but for some reason they're trying to keep it a secret.
