

DART DOUBLES

ART HALL AND RON CASH (front row) captured the doubles crown at the Industrial Dart Tournament in the Legion February 25th. Runners up were Alex Korzack, missing from the picture, and Tony Brunski (centre back row). On Tony's right is Tommy Lilliflare of the Ontario Dart Association and Tommy Wallace of the Tabatt Company.

Doolan-Hollingsworth Vows in Brampton Church

A Brown's Bread agent in town, John R. Doolan, was married on February 11th in St. Mary's Roman Catholic Church, Brampton. His bride is the former Helen Maureen Hollingsworth, daughter of Mr. D. Hollingsworth and the late Mrs. Hollingsworth of Liverpool, England. She is employed in Cotton Brothers store in Brampton. The groom is the son of Mrs. W. F. Doolan, also of Liverpool, and the late Mr. Doolan.

White mums were on the altar for the 10:00 a.m. ceremony at which Rev. Fr. Sullivan officiated. Mr. Merv Welsh was organist.

The bride wore a full length white satin gown with lace panels in the skirt and lace top. Her veil was held by a white headpiece and she carried a bouquet of white carnations and pale lilac orchids. It was a replica of her mother's wedding bouquet.

Miss Betty Thomson, as bridesmaid, wore a lilac gown and carried white carnations and hyacinths. There were two flower girls, Debbie and Lee-Ann Doolan. Debbie wore lilac and carried white carnations and Lee-Ann's colour combination was reversed, a white gown and lilac flowers.

The bride's future brother-in-law, Peter Doolan gave her in marriage. Mr. J. Nichol was groomsmen and ushers were Mr. T. Fox and Mr. J. Power. It was a double ring ceremony.

A reception followed in the Flowertown Restaurant in the white satin gown with lace panels in the skirt and lace top. Her veil was held by a white headpiece and she carried a bouquet of white carnations and pale lilac orchids. It was a replica of her mother's wedding bouquet.

Women's Council Sees Western Trip Slides

Mrs. R. T. Paul, president of the Local Council of Women was hostess to the club on February 24th at her home. Through the lenses of the cameras of Mr. and Mrs. Val Stein the members were taken on a trip out to the west coast of Canada, down the Pacific coast and through the southern States on a trip taken by the Steins last summer. Many of the members had visited some of the places shown and a happy time was spent reminiscing and enjoying the new places.

The meeting opened with silent prayer followed by the minutes read by the new secretary Mrs. F. W. Johnston and the treasurer's report by Mrs. Florida Nodwell. Donations were voted to several groups from whom appeals had been received. Prior to Miss Hettie Lawson reading a report of the National Council of Women held in Calgary and the correspondence, a general discussion of business was held.

Mrs. D. W. Baxter read a report from the Canadian Association of Consumers dealing with the subject of the effect of "fallout" on human beings which stated that milk provides the calcium which helps to combat the strontium 90. The general part of the meeting concluded with Mrs. Clarence Hayes giving a report from the Bulletin on Canadian Citizenship on "Prejudices".

Mrs. Paul was assisted during the tea hour by Mrs. Nodwell, and Mrs. Coughlen. Mrs. A. R. Vannatter extended the thanks of the group to Mrs. Paul and to all who had made it such an interesting and informative meeting.

Allocate \$5,000, First Step Toward Halton County Museum

A Halton County Museum may yet become a reality. With the setting aside of \$5,000 for this project the first step was taken at County Council this month. Although discussion has centered around a century old barn in the Kelso Dam Conservation Area, as a possible site, nothing has been decided. The Agriculture Committee, in whose budget the \$5,000 for a museum was included, also recommended grants to the Fair Boards, \$1500 to Milton, \$400 to Acton, and \$400 to Georgetown.

The grant to the Junior Extension Programme, which includes clubs and Junior Farmers, was increased from \$600 to \$1000.

A resolution from Elgin County requesting the Legislature to consider paying a grant toward the school transportation of retarded children was endorsed by Halton County Council.

Since the transportation of normal children is subsidized, the members felt these children who may need the transportation more, should also be subsidized.

Halton Council amended the Elgin resolution so that children benefiting must be of school age, that is 15 years or under.

High School Trustees should be elected, not appointed, was the opinion expressed by Council.

OTTAWA REPORT

BI-MONTHLY OBSERVATIONS BY SANDY BEST, M.P. FOR HALTON

One of the most frequent questions I am asked concerns Canada's recognition of Red China. There seems to be an increasing volume of opinion in Canada that whether or not we like the actions of this nation, we ought to face up to the fact of its existence. We recognize Russia and many other totalitarian states, it is pointed out, whose actions in the past and even today are far from the accepted standards of international behaviour. If mainland China exists and we trade with her and face the consequences of her decisions and actions in Asia, it is felt by some, that we ought to officially recognize her both in Canada and the United Nations.

In contrast to this, a strong body of opinion in Canada and the United States points out that while there is a free Chinese government in Formosa, we ought not to recognize the more recent regime on the mainland. Red China's repeated military forays into Korea, Tibet, and border actions at other points, have tended to make recognition even more difficult, at times when public opinion was perhaps increasing in this direction.

However, the changing composition of the United Nations, with increasing representation from the lands of Africa and Asia, make it likely that recognition of Red China by the United Nations may be only a matter of time. There have been some indications that the Kennedy administration may seek to anticipate this.

Last week I had dinner at the Nationalist Chinese Embassy in Ottawa, where our host, Dr. Liu Chieh, the Chinese Ambassador to Ottawa and Washington, described the work and problems of his government, on the island of Formosa or Taiwan. This island, approximately 100 miles by 200 miles in size, has a population of ten to eleven million. There are many mountains and inaccessible sections but lumbering and agriculture have been developed on every available bit of land.

New irrigation and engineering projects, road building, oil refining, truck manufacturing, and other industries are transforming the life of the island. In the last few years a most intensive land reform system has broken up the large holdings and given small areas of land to many farmers.

Two of our members of Parliament, Fred C. Stinson from Toronto, and Louis Joseph Pigeon of Quebec, who had recently visited this island country, reported some of their experiences to the dinner meeting. Fred Stinson also visited the offshore islands of Quemoy and Matsu. While Formosa itself is some 140 miles off mainland China, the offshore islands are within easy sight of the mainland and, of course, have been the centre of furious artillery attack from Communist China and the subject of political debate around the world.

These two rocky islands are virtual fortresses with underground accommodation for Nationalist soldiers and their weapons. In the motion pictures taken by Fred Stinson, I noted the large colored balloons with attached messages of propaganda against the Communists. These were let loose almost daily to be blown by prevailing winds over the Communist mainland.

The problems of Quemoy and Matsu, Formosa and recognition of Communist China are still unsolved. It is certain that they will present large decisions in the immediate months and years ahead.

The men are trained in police work and first aid. They work along with the Mounties and with the local police departments. A number of the top men in the organization are former policemen and Mounties.

In Halton County, James D. Kidd of Rockwood and half a dozen other men have banded together to form a corps for this area. Their immediate projects are a St. John Ambulance training course and institution and training of water safety. The water safety course would be similar to safe gun handling courses.

The men meet at the home of Mr. Kidd at R.R. 2, Rockwood approximately every other week. Since it is a military organization there are no elections and no appointments have been made as yet. Officers are awarded by headquarters. The next meeting will be held on Wednesday evening.

Imperial Frontiersmen Form in Halton

A new corps of Imperial Frontiersmen, affiliated with the Legion of Frontiersmen with headquarters in London, England, is being formed in Halton County.

The men are all volunteers, supply their own equipment and uniforms and are strictly self supporting. The corps is dedicated to public service.

High School Students

Interested in a Challenging Future and Personal Satisfaction!

Expanding school enrolments in Ontario for the future, indicate a growing demand for elementary school teachers. The opportunity to become a teacher is open to every High School Student. Make your decision now!

The teaching profession provides great personal satisfaction rarely found in other areas of employment. It presents a challenge to those interested in contribution to our community and national way of life.

Teaching means hard work, but it also means many benefits such as opportunities for advancement, adequate pension, security of tenure, sick leave protection, and time for travel, recreation and professional improvement.

Teachers' salaries have improved materially in recent years. The following are the salary scales currently being paid in Georgetown:

Basic certificate \$3,100 with annual increments to \$5,100 Maximum increases according to qualifications to \$6,300 with a degree.

Elementary School Teachers require one year's professional training past grade 13 and two past grade 12 for the basic certificate.

DECIDE NOW — to continue your education and qualify for a career as an Elementary School Teacher.

THE GEORGETOWN PUBLIC SCHOOL BOARD

HORNBY

View Parsonage Addition At Hornby "Open House"

"Open House" was held at the Hornby United Church parsonage last Thursday afternoon and evening. Mrs. Clavie Pickett, Mrs. Lloyd May, Mrs. Clifford Wrigglesworth, and Mrs. Harry Pickett greeted the members at the door. It was held to give the church members of the Hornby pastorate the opportunity of seeing the new addition that has been recently built. Lunch was served to the eighty-five visitors with Mrs. Clarence Ford and Mrs. Joe Wickson pouring tea in the afternoon and Mrs. Milton Brown and Mrs. Percy Merry pouring tea in the evening.

A young deer made its way through Hornby last Tuesday afternoon. It was seen crossing the seventh line into Ken Ella's field, jumping the fence west of the Orange Hall on to the base line, just missing a car driven by Mrs. Arthur Death. The deer jumped over the fence back to the Ella farm and was last seen going over the road into the park.

Jackie Robertson accidentally cut a piece of skin out of his right leg with a knife when he fell last Tuesday night. He was taken to the Milton Hospital where he received seven stitches to close the wound.

Mrs. George Prestidge Sr. returned to her home on Sunday from Milton District Hospital where she had undergone an operation. Get well wishes are extended to Mrs. Prestidge.

Birthday wishes this week to Orville Greixon on March 3.

Congratulations to Cheryl Bradley who won first in the public speaking contest at Sunningdale School last week.

Mr. and Mrs. Ken Ella attended the Ontario Fair Board convention held at the King Edward Hotel in Toronto last Thursday, February 23.

Mr. Vince Mountford was present at the Hornby Ball Club garden party committee meeting on Sunday evening at the home of Mrs. Garnet Howden. The entertainment was discussed and the talent chosen. Mr. Mountford is to contact the talent and advise the committee if they will be available for the July 15th garden party.

Choir Fireside For Retiring Organist

The congregation of First Baptist Church presented their retiring organist with a book at a Fireside service by the choir Sunday evening.

The service was held in the Sunday School room and was opened with the anthem O Let Us Sing. Included in the program were Fughette in D Major an organ solo by Mr. William Braam; Just A Little Talk, by the male quartette; Jesus Shall Reign, by the choir with solo part by Graham Porter; Fughette Lord's Prayer, and organ solo by Mr. Braam.

Have Thine Own Way Lord, a solo by Mrs. Don Livingstone; The Lord's My Shepherd, by the choir; I Know, an anthem by the choir; Festival Fantasia, an organ solo by Mr. Braam; the anthem Watch and Pray; Benediction Hymn, by the choir; and The Lord's Prayer, by the choir.

Mrs. Walter Townend who was the church organist for many years was presented with a token of the church's appreciation by Watson Winfield after Rev. Lloyd Whan spoke briefly.

Helpful Crop Hints Given in Pamphlet

This is the time of year when Halton farmers are planning their seed supplies for spring seeding. The Ontario Department of Agriculture publication, "1961 Field Crop Recommendations" has just been released, and you can get it from the Extension Branch, Ontario Department of Agriculture, Milton, free. These are the new features in the annual publication:

For the first time, regional test results showing yield, stalk breakage, and per cent moisture are available for corn hybrids. By coupling these with maturity rates, you will be better able to pick the best hybrids for your farm.

New varieties are included in oats, broom, and orchard grass. Saratoga broom, for instance, is listed because its vigorous growth enables it to mature about the same time as Du Puits alfalfa. Mixtures of the two should give a high-volume early hay and aftermath pasture.

Old varieties that are no longer recommended are listed.

Post emergence treatment of corn with Atrazine is discussed for the first time. If you didn't like the trouble of smothering out your seedbed for pre-emergent sprays, be sure to read this.

New names like Amiben, Radox, and Duron are listed and discussed in the herbicide section.

Charter 23 Men As Club Members

Charter night for St. Andrew's Men's Club was Feb. 22nd when the Men's Club of First United Church, Port Credit sponsored the local club. At a dinner meeting in the church, catered by the ladies of St. Andrew's Federation, 23 local men became charter members. These are: David Baker, Fred Bennett, Ewart Madden, Jack Reed, Fred Norton, Frank D. Ferguson, Gus Fantuz, Cameron Brown, Owen Moore Lloyd F. Moore, Harry Allan, Doug Ward, George Venry, Robert Bradley, Manny Ronaldson, Keith McLeish, Eric Keller, Rex Heslop, Frank C. Ferguson, Stan Kimberley, Al Turner, Morris Cook and Dan McKay.
