

### Plan Sargent Road Avenue of Maples

#### Town Planning \$500 Free Plant Program

Sargent Road will be first to benefit in a tree-planting program initiated by the town council, which was a suggestion recently of Councillor Ian...

#### Monday Council Allocated \$500 to Spent this Year to Beautify the Town, and Cr. Cass Reported that a Survey Made Sargent Rd. had Found over 70% of the Residents Agreeable to Having the Plan by Paying \$50 each towards the Program.

This will allow even more planting than originally planned, he said. Total cost per tree will be between \$7.50 and \$10.00, and is planned to alternate Norway maples and red maples along the street. Trees can be obtained at some 60% of their retail value, he said, through a reputable nursery which he had been in touch with.

Applications from other parts of town for plantings will be dealt with as far as the \$500 budget will allow this year. It is hoped that the program will be continued by future councils. Actual positioning of the trees, however, did not meet uniform approval by council members. Some favoured placing them on the centre boulevard, others thought they should all be on town property, while others pointed out that this is possible in all cases. On the subject, in fact, a number of trees would have to be on private property because of space limitations.

Opposing the \$500 motion, Cr. F. Hunter said he could not support it unless the trees on town property and there...

is assurance that they will be properly cared for.

"I would hope to expect that property owners will take pride in the trees and help to look after them," said Mayor Hyde. The mayor said he thought council should discuss location before the planting starts, but meanwhile there is authority to make the purchase.

#### HORNBY Teen Club Grows in Popularity

Congratulations to Mr. and Mrs. Stan Waters on the birth of their daughter on Monday, April 10 at the Milton District Hospital.

Birthday greetings to Mrs. John Bradley on April 18th and to Dale Bridgen on April 23rd.

A surprise party was given in honor of Mrs. George Hamilton for her seventieth birthday at the home of her daughter, Mr. and Mrs. Arthur Plant on Monday evening April 17. Thirty relatives and friends attended the party to extend best wishes of Mrs. Hamilton on her birthday.

Mr. and Mrs. John Bradley and family visited with relatives in Welland on Sunday.

On the sick list this week are Grant Lee, Brenda Bradley and her cousin Cheryl Bradley.

Hornby Teen Club is growing in popularity. The fifth dance was held on Saturday evening, April 15 with Winston Prestige and his Starliners. Lucky dance prizes were given and lunch was served. Chaperones for the evening were Mr. and Mrs. Frank Chisholm, Mr. and Mrs. John Russell and Mr. and Mrs. Roy Break.

Mr. and Mrs. Wm. Robinson, Mr. and Mrs. Doug Leslie and Mr. and Mrs. Edward Robertson attended the Moccasin Dance at the Georgetown Curling Club. A good time was had dancing on the ice to the music of Doris Hull's Orchestra.

Mrs. Robert Ross returned home on Tuesday after spending the week-end in Buffalo.

Mr. Herbert McConnell was the guest speaker at the Hornby United Church service last Sunday morning. Mr. McConnell is from the Ontario Temperance Federation.

Mr. and Mrs. Ken Ella, Keith Ella, Ruth Break, Joy May, Ricky Roland, Mr. and Mrs. Craig Royce and Mr. and Mrs. Bill Locker attended the dance at Mart Kenny's Ranch last Friday evening.

Birthday greetings to Audrey Murdock who will be twelve years old on April 22; to Heather Murdock who will be fourteen on April 26; to Robert Murdock who will be 9 years old on the 26th and to Karen Flippance who will celebrate her second birthday on April 26.

Mr. and Mrs. J. Pefhany and children and Audrey Murdock returned home Saturday morning from a motor trip to Chalk River. They stayed at the Pinercrest Cabins while Mr. Pefhany was at the Atomic Energy Plant in connection with his work. They were away for ten days.

#### Hospital Includes 115 on Payroll

A fact that is becoming more apparent is that with the opening of the hospital, employment there will be big enough to in effect create another industry. With 115 persons concerned in the operation, Georgetown's Hospital will be one of the largest employers in the community. This is a fact that is often overlooked, and should do a great deal to cut unemployment in town. Wherever it is possible local people will be hired, unless in cases where the particular skill required is not available. Work is still progressing quite nicely. The painters are hard at work, doors are being fitted, and equipment is being selected and ordered. A bare two months away is the official opening of the Georgetown District Memorial Hospital, scheduled for Sunday, June 18th. An official opening committee has been chosen for this event, and will soon be in the midst of planning this gala occasion. Tentative arrangements have been made to have a number of outstanding Canadians at the opening to take part.

#### Oakville Girl Second In District Speaking

Susan Keachie, 14, of R.R. 2, Stouffville, a grade 8 student at Vivian Public School, S. S. 5, Whitby, was the first place winner in the Halton, Peel, York North and Ontario Counties district final public speaking contest for elementary school students. Her subject was "Pauline Johnson."

Eight young orators, six girls and two boys, participated in the district contest held at Walter Scott Public School in Richmond Hill on Tuesday. The contestants were from public and separate schools in the four counties. Public school inspector Alan A. Martin of Port Credit, was chairman. The winner, Miss Keachie, will represent her district at the Ontario final oratorical contest for elementary schools on Monday, April 3rd at the King Edward Hotel, Toronto.

An Oakville girl, Kay Coe, 12 years old, a grade 6 student at E. J. James Public School was second. Her subject was "What It Means to be a Canadian."

Mary Margaret Bryne, 13, of R.R. 5, Bolton, a grade 8 student at St. Patrick's Separate School, was third. She spoke on the "Relations Between Man and Nature."

The district final contest was sponsored by the Ontario Educational Association and the Ontario Municipal Electric Association. Inspector Martin presented cash awards to the eight contestants and Brydon Ellis, representing the Ontario Municipal Electric Association, with Gordon McIntyre, Superintendent of Richmond Hill Public Schools, presented to the three winners electric clocks, donated by O.M.E.A.

In congratulating the contestants and the three young ladies who took the speaking honors, Harley McCallum of the Information Division, Ontario Hydro, who is the liaison officer across the province for the O.M.E.A. and the Ontario Educational Association in planning the district final oratorical contests, said that the number of students competing in the school public speaking contests in the province has risen from 5,000 contestants three years ago to an estimated 150,000 speakers this year.

In 1960 the number participating in the various sponsored contests was 127,000 student orators. He attributed the great interest in and the remarkable growth of the public speaking contests in both elementary and high schools throughout the province to the encouragement and promotion given by the Ontario Educational Association, Ontario School Trustees and Ratepayers Association, the various County Councils, Women's Institutes, Ontario Municipal Electric Association and Ontario Hydro.

#### SCOUT CORNER

First Cub Pack Hobby Show, Tea

Thirty-seven members of "C" Pack of the 1st Georgetown Cubs, presented a successful Hobby Show and Tea for their parents and friends in the hall of St. John's United Church, on Saturday, April 15th.

Many very interesting hobbies were on display including stamp collections, coins, model aeroplanes, paintings, cars, mule train, insects, photography, buttons, and hockey players.

The Cubmaster Mr. Dave Hastings had a unique display of foreign paper money. A.C.M. Mrs. J. Layman displayed a coin collection as well as a collection of "Salt and Pepper Shakers."

Cub instructor John Layman displayed an arrangement of arrow heads, pieces of flint, and Wampum Beads found near Brantford, Ontario.

Guests were welcomed by Mr. Hastings and Mrs. Layman. Following the inspection of the hobbies the guests were invited to the tea tables by the Cubs.

The tea tables were attractive with spring flowers. Pouring the tea for the Cubs to serve were Mrs. W. Blehn and Mrs. K. Richardson.

Very popular spots during the afternoon were a fudge stand run by Peter Nieuwhof and Henry King, and the lemonade stand run by Tommy Hayes.

The show came to a happy end with Mrs. C. Stephens, Mrs. J. Nieuwhof, Mrs. C. R. Day and Miss Roberta Hawes serving the Cubs refreshments.

#### May Abandon Night School Unless More Interest is Shown

The possibility that Night School classes in town may be abandoned emerged as a result of the poorly attended annual public meeting of the night school committee last week.

Only the present committee, who have served for the past several years, were there, none of whom were willing to stand for re-election.

Since this year the enrolment dropped, and interest lagged, the Committee discussed abandoning the Night School classes entirely. Some felt the Committee may have outlived its usefulness.

Last year, for the first time, the night classes operated at a loss. However, a small surplus from previous years covered it. In addition, the Dept. of Education grant on instructors' salaries was out from 32 to 26% this year. All other expenses must be paid out of the fees charged the students.

Rather than make a hasty decision, the Committee decided to call another meeting May 3rd, in the hope that more public interest will be shown. The public is invited to this one and the future of Night School here will probably hinge on the response.

#### Baseball Opener May 20th Seven Join Halton Loop

Seven Intermediate baseball clubs will vie for honors in the Halton County Intermediate baseball league this summer in what is expected to be another top season.

Thursday night representatives of Acton, Bronte, Campbellville, Dundas, Georgetown and Milton met with the league executive to discuss the situation for 1961.

Most of the clubs in the loop note they would like one or two Sunday games (with the exception of Dundas and Acton) but Milton was the only entry which has asked for more than the few.

General consensus is that the players and fans alike want more weekends off, with an eye to playing more midweek games.

Oakville was not represented at the meeting but Dave McArthur phoned and gave the necessary information. He stated the Oaks would use Wednesday night for home games with a possible 7:30 p.m. starting time. The use of floodlights in Wallace Park for the final few innings is expected, if arrangements on costs can be made with the parks board.

It was agreed by the team representatives that the use of the lights in Oakville would be a boon to the league and would be a method of promotion for Intermediate baseball in the county.

Rained out games came under the surveillance of the group and it was the general feeling

#### Barrie, Napanee Tied in Finals

The Central Ontario Hockey League's ambassadors to Napanee, the Barrie Lakeviewies, have had 50-50 success against the "Raider rivals."

Barrie won the first game of their best of seven series handily but dropped the second as the Napanees displayed some of their well known scoring punch to tie the series.

#### Inspector Speaker At Home and School

"The school endeavors to educate your child," was the topic for a talk by Inspector R. Bornhold at the April meeting of Speyside Home & School Association.

It was decided at the meeting that each person bring two articles for the baking sale and one article if they are bringing lunch. Mr. Leitch reported on the talent night and Mrs. Taylor gave the treasurer's report. Mr. Elliott thanked Mr. Bornhold for his enlightening talk.

Lunch was served by the ladies of Bannockburn and Blue Mountain school sections.

WORDS OF THE WISE When a man has put a limit on what he will do, he has put a limit on what he can do. — Charles M. Schwab.

#### Navy Man and Bride Honeymoon in Town

The groom's parents and a group of his Georgetown friends greeted Mr. and Mrs. Robert J. Hutchinson at Malton airport when they arrived April 1st, hours after the wedding in Halifax.

The bride, the former Donna Marjola Roy, is the daughter of Mr. and Mrs. Donald Roy of Yarmouth, Nova Scotia, and the groom is the son of Mr. and Mrs. Harold Hutchinson, 12 Edith St., Georgetown.

The ceremony was conducted by a Navy Padre in the Naval Chapel of HMCS Stadacona, where the groom is stationed with the Royal Canadian Navy.

The bride's sister, Shirley Ann Roy, was soloist, and William Zilio of Terra Cotta, who is also stationed at HMCS Stadacona, was groomsmen.

Mr. and Mrs. Hutchinson spent two weeks here before returning to Dartmouth, N.S. where they will live.

Following their reception at Malton, the bride and groom were escorted to Georgetown by a motorcade. On April 2nd they were guests of honour at a dinner party at the home of Mr. and Mrs. T. A. Dillon, Glen Williams, and on April 9th a family party celebrated the marriage at the home of the groom's parents. They were the recipients of a presentation at Club Midtown.

Other parties in their honor were held at the home of Miss Carol Higham, 31 Norton Crescent, on April 12th, at the home of the groom's aunt and uncle, Mr. and Mrs. Robinson, Scarborough, April 11th, and on April 13th Mr. Pat Dillon entertained them at a dinner party in Kitchener. They were showered with many gifts on each occasion.
