CHS TRACK AND FIELD team started training for the upcoming inter-school field meet with Acton, Milton, and Erin. Practising quick starts here are Betty Quackenbush, Jim Tost, Lesley Quackenbush, Ricky Smith, Liz Bottoms, Dave McLeod, Pam Currie and Dave Shrubsole.

Streetsville Group Forms New Car Club

An enthusiastic group of 50 people gathered at Russell Langmaid Public School last week to form a car club in Streetsville. Known as the Credit Valley Car Club, the group intends to promote automobile sporting events, foster and encourage safe driving practices among its members and promote the interest of motoring and sportsmanship. Membership is open to anyone interested and President Jim Wallace of Streetsville em-

phasized the fact that it will not be restricted to owners of sports cars. Mr. Wallace said it is not necessary to own a car at all. The following temporary executive was elected: President, Jim Wallace; Vice-President, Murray Eades; Treasurer, Ken Stephen; Secretary, Inga Dodds; Corresponding Secretary, Maureen Wallace. A new executive is to be elected in the fall. The club will meet the first and third Wednesday of each month. Films and speakers will be featured. First event to be sponsored

Minor Baseball News

Boys up to 17 years of age will be able to play Minor Ball this year. At a meeting at president Ernie Crane's on April 28th it was decided to increase the number of age groups to three to include the boys up to that age. The three divisions decided are: PeeWee 7-10; Bantam 11-14; and Midget 15 to 17. The boys will be able to register on Saturdays, May 6th at the grandstand in the park, or at Harrison Public School. The time is from 11 until 12 and anyone interested in coaching or umpiring is also urged to be there. A Midget team will also be entered in the Halton County Ball loop. Personnel for this team will be hand picked from the teams competing in the town league. This is Bill Richmond's baby, since he wants something to occupy his spare time. It was hoped that the year the fee could be chipped from \$2.00 to \$1.00. The money can be paid later to the coaches who will pass it on to the league. Three representatives from Minor Ball have been appointed to the newly formed Georgetown Baseball Association. Bill Smith, Norm Macklem and Stan Walsh will represent the Minors, and Bill Richmond, Tracy Barrager, and Phil Poyntz will represent the Midget team. Scotty Patterson, Bill Fisher and Myles Gilson sit in for the Intermediates.

SPORTSMEN OUTDOORS

By Fred Darby

The waiting, worrying, suspense and the anniversary of the opening day of trout season has come and gone again for another year.

And I only wish I had taken some of my own advice and tried some of the places around town.

IF I had I might have had better luck than I did up at the Pine River. My brother-in-law Stan Gorham and I arrived at the Pine at 3 a.m. and started fishing at 3:30 a.m. By 10 a.m. I had a ten inch rainbow and Stan had one 8 inch rainbow, so we left the Pine river to try the Boyne river with no luck. So we left the Pine river to try the Boyne river with no luck. So we left there to try the Nottawasaga east of Alliston. No luck, so we visited the Credit Forks... too crowded. Then we decided to venture on to Belfontain, with again no luck, and it was then that I got my brainwave, that the best place to visit at this time was 40 Raylawn Crescent, which we did. We didn't catch any trout but that 3 hours sleep did us a world of good.

It was after this little nap that I acquired the strength to phone some of my friends to enquire about their luck. And, oh, how I wish now I hadn't done this.

Can you imagine how I felt when Alf Burke casually tells me he caught 5 speckles at the Terra Cotta conservation park and then I phoned Dale Marshall and he had the courtesy to inform yours truly (the outdoor sportsman) that he was able to land two browns and one speckle over at the dam on River Road.

After this, I didn't have the nerve to phone anyone else.

While I was at the Nottawasaga River, I visited Nickerson's Dam and had a chance to talk to Fred Marshall the Conservation Officer at the fish ladder recently constructed at the dam, where Rainbow Trout have been assisted over the dam. Up to date 410 trout have taken the easy way over the dam, but Fred believes the rainbow trout have yet to start their big run up the river, due to the temperature of the water.

This all happened on Saturday. Now let's talk about Sunday. After doing a little gardening in the morning, Bob Platts and I visited Terra Cotta, where I am happy to announce I was lucky enough to land 3 speckles, two about 12 inches and one over 15 inches that weigh in just over a pound. Bob's luck wasn't quite so good, but he did land one 12 inch speckle.

And to think Saturday I tried to catch rainbow in the snow and it did snow for more than 30 minutes at one time. Oh well, come on May 13th and the opening of Pickering season.

CUBS BANK ON HIM

By Alan Mave

ERNE BANKS IS ONE SEGMENT OF THE MODERNIZED CHICAGO CUBS SETUP WHO CAN BE EXPECTED TO DO BUSINESS IN THE SAME OLD-FASHIONED WAY — NAMELY, PLAYING SHIRTSTOP AND HITTING MORE HOMERS THAN ANY OTHER PLAYER HOLDING DOWN THAT POST.

HOLDS FIELDING RECORDS, TOO
ERNE HOLDS THE SEVEN AND CARRIER RECORD FOR HOME RUNS BY A SHORT STOP.

AND FOR THE PAST SIX YEARS HE'S HAD THE BEST HOMER AVERAGE IN THE MAJORS — 38 PLUS PER SEASON.

Dart Teams Defeated in Hamilton Contest

Georgetown men's dart teams in the District Finals at Hamilton Monday, April 24th reaped little success. Georgetown D captained by Roy Rudiger, reached the third round of the eliminations before being put out, but Georgetown A, captained by Ken DeRose got only as far as the second round before getting the bounce. Ironically a Brampton team, which Georgetown had previously beaten in the zone tournament, won the title.

RAIDERS DANCING PARTY

The Georgetown Raider Hockey Club said thanks to their local supporters with an informal dance party in the Arena Room Friday. Tables bordered the floor cafe style and a local group, The Midnighters, supplied the dance music. Sixty couples attended the affair.

LADY DARTS

Mrs. F. Mackenzie won the raffle at the weekly evening of Georgetown Ladies' Darts league last week. O'Keefe Viennas head the league with 18 points and Original A's are in second place with 14. Other scores: Zeros 11; Untouchables 10; Cotton Bros. 7.

All That's Left of the Old Grey Mare

Equine footwear is flying in the park these nights. The Georgetown Horseshoe Club started their third year of activity officially this month with practice sessions at the pits beside the armory but the actual schedule won't begin until June.

At a meeting of the club at the home of Jim Andrews, Ray Addy was named 1961 president, while Earl Hornby will this year handle the secretary-treasurer's job. On the new executive committee are Carmen Copland, Lloyd Keir, Jim Andrews, Ivan Reynolds, Bob Anderson, and Bill Collier. The league will operate this year in two divisions, A and B, with the players with the better ringer average competing in A division. The members are at the pits every Tuesday night and invite anyone interested in the cult to join them.

Georgetown Golf Club Ladies' Section Doubles

The ladies section of Georgetown Golf and Country Club will be almost double in numbers this season.

At the second annual meeting of the club ladies, close to twice as many members turned out to name Mrs. Norm Marchant president of the section for the 1961 season. Mrs. Es Burton was elected vice-president, and the other officers are, Mrs. W. Rigg, secretary-treasurer; Mrs. Jim Blair, golf captain; Mrs. Bill Mair, vice-captain; Miss Joan Duncan, social committee chairman; Mrs. Jim Burton, publicity; and Mrs. A. Bailey, nominating chairman.

Fastball Picture Doubtful

The future of the local Industrial Softball League is still in doubt. At a meeting called for Sunday only two teams, Norval and Kinsmen sent representatives. League officials have not set a date for a second attempt.

All-Star Ladies Plan Banquet for Players

The All Star Ladies Support Group worked on plans for the upcoming banquet for the All Star teams, Saturday, May 27th, when they met at the home of Mrs. George Dickson last month.

Discussing the first annual International Bantam Hockey Tournament the members expressed their appreciation to everyone who bilteted boys and offered their homes, and to those who sold lucky draw tickets for the event. The response to the ticket selling was also appreciated.

On a request by letter two members were appointed as delegates to the Interested Citizens Group meetings, and their own next meeting was slated for Mrs. Clare Hart's home at 22 Windsor Rd.

Weather Holds Back Ball Diamond Work

Forty in Try-Outs For Spots on Team

Unseasonable weather is pushing commencement of construction on Georgetown's new baseball diamond closer and closer to opening day.

The new diamond, which will be located in the corner of the track infield nearest the main gate, will have to be ready by May 24th to be used on the local Intermediate A club's opening day. If the weather continues to force the delay the Intermediates may start the season on the diamond opposite the new bleachers. When the new diamond is in game condition, portable bleachers will be placed along the first and third base lines.

GROUP INSURANCE SALESMAN (FOR HALTON COUNTY)

If you have a proven record in Group Sales and want the chance to move ahead faster in the management end, we want to hear from you. Halton Co-operative Medical Services is a small company with a big future. We want salesmen who are willing to work hard to grow with us. Send a brief summary to Box 35, Georgetown Herald, and be prepared to substantiate your sales record at the first interview.
