

TOUCH OF POWDER — Peter Jones, Georgetown

IT'S JUST about curtain time and members of the Show Boat chorus, Sandra Sproule and Brenda Bell, check their makeup before taking the stage. The Rotary spectacular played to full houses Friday and Saturday and will probably do the same this weekend.

Dr. Edward Wachta New Dentist in Town

Georgetown, which became a three-dentist town briefly when Dr. Peter Kurylowicz moved to Hearst, adds a fourth member of this profession this week.

Dr. Edward Wachta is locating his office at 13 Main Street North. It is the former Dr. John Kerby office, vacated when Dr. Kerby switched to Dr. Kurylowicz's office in the Carrel building.

'59 Grad

Born in Hamilton, Dr. Wachta who is the son of Mr. and Mrs. John Wachta of St. Catharines, spent most of his life there, attending public school and collegiate, then entering the University of Toronto, where he graduated in dentistry in 1959.

He practiced for a year in Terrace Bay, a company town on the north shore of Lake Superior where Kimberley Clark Pulp & Paper has a large plant. For the past eight months he has been on an extended tour of Europe, where he visited several dental schools, and where he met and married the former Ursula Betty of Düsseldorf, Germany.

Played Hockey

Dr. Wachta played intercollegiate hockey and lacrosse at university, belonged to Delta Upsilon fraternity and was a member of the 5th year Geography and Hunt Club.

Dr. and Mrs. Wachta are living at 58 Maple Ave. W. in the former Miss Anne Staunton residence.
