Hospital Staff: Georgetown & District Memorial Hospital

Letters of application for positions on the Hospital Staff will be accepted until May 17th, 1961. The mentioned positions will then be filled by interview with those whose past work history is most applicable to the job requirements. It should be clearly understood that the desire to work in the hospital is not the main requisite as time does not permit the training on the job of a new staff in total. After the initial staff has gained experience and job openings occur, it will be possible to accept those who then desire to gain employment in this field.

Letters of application should be specific and mention only one position title. Be sure to give your phone number so interviews may be arranged over the following two weeks.

The openings available are: Full time and shift applicants only please.

Head Nurses:
Supervisors:

Nurses Aides: Should have Grade 10 education, 21 to 35 years.
