Did you know that our Shop rate is \$2.75 per hour for regular customers and only \$2.50 on fleet work?

This means terrific savings on taxi and truck work. It will save approximately \$30. on a ring job; \$15. on a valve job, etc.

We do complete overhaul jobs on engines and transmissions instead of exchanging and buying somebody else's troubles like cracked blocks and warped castings, yet at a lower cost to you and we will finance the total amount.

We don't give anything away for FREE but the advice of our mechanic (with 14 years experience) and guaranteed workmanship.
