In His wisdom, God has planned Beyond our power to see. — Never forgotten by Madeline and Gail.

PRIES — In loving memory of a dear father and grandfather, Egmont (Ed) Pries, who passed away June 19th, 1960. He is gone but not forgotten And as dawn another year. Weak Hitting Locals Walloped by Milton

Georgetown's Intermediate A ball team, a medium strong defensive club with a sufficient pitching staff, apparently is missing one important component — hits.

In Milton Sunday, Georgetown went hitless in 7 of 9 innings in taking a 14 to 1 shellacking from the Red Sox. Georgetown managed to hit safely only four times in the entire ball game, 3 times in the 5th inning when they scored their only run.

Meanwhile the potent bats of Gully, Shannon, Hannan, and Hyatt were pacing the Milton hitters in a 14 hit attack that kept the Georgetown ball pen perpetually active.

Left hander Dave Hart who started and reliever Paul Dore had both departed before the 4th, when junker Glen Gibbs came on to bat for the Miltonites, but too much damage had been done for the comparatively quiet local bats to repair. Marks started on the mound for Milton and found the going rocky only in the middle frame. But not rocky enough to keep him from completing the game.

Marks gave up walks to Bibbs and McLaghlan, and singles to King, Breen and Barrager for Georgetown's only score. Breen was the only Georgetown hitter who touched all four bases.

Fanned 11

Milton collected the only extra base hits, four of them, and left 9 men stranded to Georgetown's 8 Georgetown pitching gave up 10 bases on balls while Milton's Marks allowed only four free trips, and struck out 11. Gibbs for the locals fanned four and starter Hart struck out one.

No Homers

Each club executed one double play and nobody hit for the circuit.

Action was scheduled to play here last night and Dundas visits on Baseball Day, Saturday, June 17th. The third successive home game is next Wednesday against the power-packed Oakville club.

Severely Injured in Unusual Park Accident

A twenty-one year old Toronto man, Samuel Pretty of 103, Scott Rd. is in Toronto General Hospital today with a broken spine and internal injuries, the result of a macabre accident in a dark corner of the fair grounds during the early minutes of Sunday morning.

According to police Dirk Jansen of R.R. 4, Acton, the driver of a 1953 Meteor was starting home from the Rodeo Day wind-up square dance, just past midnight, when the accident occurred. Unfamiliar with the layout of the track infield where the car was parked, Jansen drove to the edge of the track in the west corner but was unable to proceed further because of a drop there, which was too steep to drive over.

As Jansen started to make a sharp turn to the right in low gear he felt the right front corner of the car raise slightly. He immediately stopped and backed up. When he left the car to check the obstruction he found the injured man lying at the front wheel.

Dr. C. A. Thompson, a member of the Lions, happened to be near by and was assisted by the ever present St. John Ambulance men. Other Lions near the accident scene, George Hewson and William Bailey summoned the police and ambulance.

Police said the man had apparently been lying on the ground and there was nothing to indicate that he had been knocked down by the car. A piece of dark denim material ripped from the injured man's clothing was found hanging under the front of the car. Bystanders said they had seen the man in the area earlier looking for his glasses.

Car, Truck Collide Lady is injured

Mrs. Dirk Voskamp of Esquesing Township, a passenger in a truck being driven by her husband was treated for a cut over her right eye and back injuries, when a car driven by Jack Robert Saunders, 24 John St. E., collided with the Voskamp vehicle from behind downtown Friday night.

West Bound

Both the truck and the car were travelling west on Mill at the time of the accident. The vehicles were in a line of traffic approaching the busy Main intersection.

The Voskamp truck, a 1952 International, and the car, a 1956 Ford, suffered approximately \$300 damage in the smash, according to the police report. The injured woman is due to live both to a child in July. The accident occurred at about 8.35 p.m. and was investigated by Cst. Ted Scott.

Driver to Hospital Friday Car Plunge

A 1957 Oldsmobile was totally wrecked and its occupants badly shaken up when it plunged over a 40 foot embankment at the north end of Main Street while fog blanketed the area.

According to police, the car was northbound on Main when it left the road. It clipped off a caution sign, hit a hydro pole head on and then spun in a complete circle before diving into the wooded gully.

Injuries

The driver Allen Reford, 20, of Toronto was rushed to the Guelph General Hospital with a concussion and back injuries.

WHAT COUNCIL DID

Prospects Bright for New Industry

Prospects are bright that a large American firm will locate a branch plant here this year.

The company has been negotiating for some time for purchase of a three tract of land from Delux Developments and had optioned a property until June 30th. At the same time, the town council optioned an adjoining acre at \$2500 from the Delux firm with the understanding that this would be sold at the same price to the new firm if required.

Extended

The firm has meanwhile extended its option until July 31 and on Monday council did likewise.

Good news was contained in a portion of a letter which Mayor Hyde read from the company president which said, "We hope to be in operation in Georgetown yet this year, should we not run into any difficulty."

efficient points to capture the Rodeo champion and the president of the Ontario Rodeo Association, Bob Leggett, gained the runner-up position.

The more tender attender who felt that a bleacher seat was too hard for too long, found lots of entertainment elsewhere than in the centre arena. Bob Gillies of Helicopter Services, Burlington, gave many customers lofty views of activity with his helicopter rides which operated all afternoon. Pony rides, refreshments and souvenir stands were also well patronized.

Candid Opinion

Though marred by accident, the morning half of the feature, the parade was itself worthy of all the preceding hoopla. A candid opinion came from Girdle M Ranch owner Al Greco, who said that he had never witnessed one like it.

The procession even included equine dignitaries. The four horse team drawing the 112 year old stage coach will pull the Robert Simpson Carriage carrying the Governor General on Queen's Plate Day at New Woodbine. They are owned by one Louis Calagar, Stampede contestant Ivor Clump, now the vice president of Dominion Stores. The famous Oxbow Ranch north of Malton was also represented.

Local Flavour

A couple of recent moves gave the Rodeo even more local flavour. Roy Luson who handled the mike duties at the park and led the parade because a Georgetownian when he purchased the former DeVries farm Kruse. The Legion Hall with on the Check Line. Bruce Lawrence, one of the pickup ship for the affair.
