

P. S. 6 GOES HERE

GEORGETOWN'S P. S. 6 GOES HERE — Floating 6th Public School found a resting place Monday when council settled on a site south of Sargent Road. The arrow indicates the approximate location for the proposed school. The two small buildings in the foreground are St. Paul's and St. Andrews churches, and the line running diagonally across the lower right corner is Mountainview.

Council Agrees to Meet In Committee with Firm

A committee meeting of council-of-the-whole with Delrex Development officials to discuss release of land which cannot be built on because of an unfulfilled agreement will be arranged.

Proviso

Over objections of Mayor Hyde, the other eight council members okayed a meeting at Monday's council meeting. A proviso is that the town solicitor give assurance that any meeting would not jeopardize the town's position in any legal action.

Recently, Rex Heslop Homes was refused a mandamus to force issue of a building permit for a house in the unreleased area. Council is not certain when time limit for an appeal against the court decision expires, but Cr. Burke said he thinks there is a deadline of August 26th.

Should Know

Mayor Hyde said he had consulted solicitor George Hewson whose opinion is that a meeting wouldn't have any bearing on legal action. However, a 1958 agreement by which a portion of land was released in default of payments and he thinks council should know what proposals are to be discussed before a meeting is arranged.

WHAT COUNCIL DID

Rainy Weather Delays Prime and Chip Road Work

Unusually heavy summer rain might be good for local gardens and lawns, but it has been a detriment to planned road work in East Georgetown.

With work hooked to start Monday noon on prime and chip treatment on a number of roads, threatening storms cancelled the start.

The work, road chairman Sargent explained to council that night, would be throwing money away as road surface would be dry for the treatment to be effective.

"Is there no time when we can say 'wet or not the work must proceed'?" asked Cr. Jim Brown.

"We would waste thousands of dollars by doing it in wet weather," replied Mayor Hyde. The mayor added that it would be very unusual for climate to be such that proper weather would still road treatment too long.

Asked by Cr. Cass if the road committee has any plans for sidewalks on Ewing St. or storm sewers in portions of East Georgetown, Reeve Sargent said that he could give no answer until a mid-term finance report is completed.

Bill Garbutt got up to take first place away from Archie Chase, who finished second in this week's Senior East feature ahead of Ed McManis. Jim Wilson captured the Senior B event. Mike Tyler passed the checkered flag first in the intermediate class race and Archie Chase was best of the Junior crowd.

Mrs. Bill McEnergy beat the ladies in the Powder Pad race and in a special Powder Puff junior feature Pezz Tyler finished in front.

Holidays bit into the crowd slightly but the Rent-a-Cart business continued to boom. The cart races are held every Sunday at the club track on the 5th Line just south of Lamphouse at 2 o'clock.

The old hobby class moribund when carting was in its infancy are becoming popular again. The North Halton Cart Club introduced a hobby class feature at their regular race program Sunday and fittingly it was one of the original club members, Tom Ledwidge, who won it.

POMEROY HIT PROVES WINNER

A base hit by Pete Pomerooy sent Tom Zilio home with the winning run in Omagh Tuesday night where Glen Williams opened the Halton Rural Softball League Playoffs with a 5-4 extra inning win.

The Glen led Omagh twice in the ball game but both times their opponents bounced back to tie it up. It was 4-4 at the end of the regular 9 innings and stayed that way until the 11th when Pomerooy came through with the big r.h.b. John Holby started for the Glen and went 8 innings before Tom Peavoy came on in relief to place the win.

Placed Fourth
The Glen finished 4th in the league after a tossed coin broke a tie for third with Nelson. Lovville finished first and Omagh 2nd. The semi-finals are best of 5 series. The Glen plays Omagh in Hornby this Friday night.

Sunday came off starter Bill Campbell. He gave up 4 in the 1st, 3 in the 2nd, 1 in the 3rd, none in the 5th, 2 in the 4th and none in the 5th, before being lifted for Alister Blair.

Georgetown failed to have a big scoring inning but scattered their runs in ones and twos over the 7 innings. They left the bases filled when they fell short in their go-for-broke effort in the final inning.
