Mayor Hyde expressed the opinion that the changes will be of benefit to merchants and of Maple Ave. rather than pointed out that there will be turning down Mill Street at the a trial period for centre light

"I think everyone will endorse the idea when they see the islands in operation" he

Sidewalk Displays

Also tying into the changes from Henry Barkoskie, co-downtown is a by-law passed proprietor of Superior Stores Monday which will preclude about the proposed centre placing of merchandise on sidewalks in future, a common practice at present in the down-

Sidewalks will be eight feet 000 but you should realize that laid, said Cr. Bob Burke, who this represented 43 of 65 down- introduced the by-law and it will not be possible to allow any encumbrances in future.

Cr. Hunter said he had not realized that the legislation would be adopted so soon and had been asked by one merthant if he could be allowed to use the street for the rest of this year until he makes changes in his store front.

This would be impossible, he was told by Mayor Hyde.

Must Be Done

Asking about displays in lade - particularly like angle front of a store if they are on the merchant's own property, Cr. Don Barrager was told that this is not illegal.

"I share Cr. Hunter's misgivings and I'm loathe to see the bazaar atmosphere disappear downtown, but with new sidewalks this must be done" remarked Reeve Sargent as the by-law was passed.
