Commercial and Domestic Refrigeration

ALL APPLIANCES - ALL MAKES TR. 7-3376

Murt Allison MASSEY-FERGUSON DEALER R. R. 1, Georgetown TR. 7-4072 TR. 7-3291

High productivity and low production costs are essential to profitable farming. Neither can be attained by using old-fashioned methods and obsolete machinery. The only way they can be achieved is by utilizing modern methods and up-to-date

farm machinery. Massey-Ferguson machines and implements are helping farmers the world over to make their particular farming operation more profitable by doing more work at less cost.
