**Thanks, Georgetown**

My wife and I are leaving my daughter, son-in-law and grandchildren in Georgetown on Thursday for Montreal, then home again to England.

I would like to express our sincere thanks and appreciation to many citizens who have shown so much courtesy and friendliness during our visit here. Especially I would like to pay a special tribute to the Odd Fellows, the officers and brothers of Orion Lodge 109, of whom I shall go back home with happy and pleasant memories and also a gift for my own lodge (The Travellers Rest No. 1050, and one for the provincial Lodge of Past Grands No. 66 Norwich District, England, of which I am the Grand Secretary.

These gifts are much appreciated by me personally and I can assure you that they will be appreciated and treasured when I present them to the lodges in England.

Well, now, once again on behalf of myself and wife I say, "Thanks a lot." Cheerio, good health, good luck to you all.

**26 Local Scouts Grand Bend Camp**

Twenty-six local Scouts and Cubs consumed \$100 worth of food, went on hikes, visited a military service, practiced bridge construction and took part in group competitions, at Pinery Provincial Camp near Grand Bend last week-end.

Third Georgetown Troop Leader Vic Gunn told the Herald that the camp was one of the best all around outings ever experienced by the group.

The boys set up tents, for the Scouts and Cubs and 2 for the leaders and fathers, on the rugged campsite well in the bush that borders Lake Huron's east shore.

Two Jamboree Scouts Bill Sayers and Gary Herbert assisted Scouter Gunn, and one of the fathers, Manley Demore, handled the cooking chores.

The boys swam in Lake Huron, and on Sunday dropped in on Ippervash Military Camp where 2,000 troops took part in a march past, part of the regular Sunday religious service. Putting their bridge construction abilities into practice, the Scouts rigged a pulley across a wide chasm and one by one went across, landing on the other side in soft sand.

Transportation to the camp was provided the boys by the group committee.

**BALLINAFAD Plan Replacement for Century Old Structure**

One of the historic landmarks in this district is soon to be demolished and replaced with a new building. The old community hall which was condemned a few years ago which was built around 1854 or 55 was sold by public auction on Monday night to Mr. Lorne Fletcher of Acton. There was quite a large gathering of interested people out to witness the selling and many old memories of special occasions were talked about among the crowd. The old building is to be removed by September 19th and the building of a new hall is to be a community project in the near future.

Miss Mary Baker left on Tuesday to attend the National C.G.I.T. Camp Council at Hyde Lake in the Muskoka district. She is representing the Ballinacod C.G.I.T. group and it is considered a very high honour to be chosen by the National committee to attend this event.

**CRITICISM SAID UNFAIR OF UNIFORM COST**  
 Criticism in a newspaper about the price of policemen's uniforms was quite unjustified, according to police chairman Wm. F. Hunter in a statement to council on Monday. The newspaper compared our purchase of a few uniforms to that of Toronto, which buys them by the thousands, he pointed out. "Naturally Toronto gets a quantity discount," he said. "And they do not buy their uniforms made-to-measure like we do."  
 A weekly newspaper columnist had recently questioned the price of uniforms as much higher than that paid in the city.
