GEORGETOWN STATIONERY  
and OFFICE SUPPLY

Really, I was simply amazed  
by the variety of merchandise ---

Of course they have a complete line of  
stationery and office supplies, as the name  
implies --- you know, file cabinets,  
typewriters, desks, chairs and all that sort  
of thing.

What suprised me though was the  
assortment and value of their other  
merchandise --- things I never expected to  
find.

Look — I've Made a List

- Games, Books, Educational Toys for the Children
- Complete line of Quality Art Supplies
- All sorts of School Supplies
- Lovely selection of Greeting Cards
- Wonderful Assortment of Leather Goods
- Sheaffer Pen and Pencils
