Half Would, Half Wouldn't Highway Rezoning Vetoed

Creation of a C2 commercial zone on Guelph St., from Maple Ave. to Rexway was turned down by council Mon-Ryall, Henry King, Dave Harley day on a close 3-3 vote.

Commercial Interests

Two councillors who favoured the plan refrained from Boys 14 and over ... Calum voting because they have commercial interests in the area, king, Bill Hayes, Roy-Guest, Reeve Doug Sargent was absent. The vote split with Mayor Girls 14 and over Caroline Hyde, Deputy Reeve Elhott and Cr. Emmerson favouring C2 Norton, Judy McCrea, Marg adian Red Cross Society, it was Mrs. C. Nieuwhof was asked to and Crs. Cass, Brown and Burke opposed. Crs. Barrager and Hunter did not vote.

The question was first intro ours allowing the other cate. Preestone Girls Open Sack duced by a Barrager - Hunter gory which does not limit commotion to which Cr. Cass im mercial use as at present

mediately voiced objection. "Both the councillors are citly about 4 business classiproperty owners in the highway fications, while c'2 adds about strip and I feel they should not 20 more, plus allowing an own vote on this," said Cr. Cass er to hould on 50°, of a Mayor Hyde agreed, and the instead of only 20%. motion was withdrawn, and "I've no ave to grand then presented again with the this," he added Have A Say

deputy reeve and Cr. Emmerson signing their names. Cr. Cass said he had favoured a C2 area could be noisy at a committee meeting asking Limited in loading area . Ad the town planning board to joining property owners study the question, but he Prince Charles should have could not support a motion say in rezoning too, he felt which recommended that the The mayor said this would be board rezone. The recommend- cone, as procedure would ation was that the area have for the planning board to rec limited access because it fronts ommend a change to counc.

Mayor Hyde pointed out that pal Board approval. The board this is the only major (I zone would call a public meeting for in town at present and he fav objections when this occurred
