NORVAL

Bold Visitor At Norval Home

Several homes on the town line north of the village have been visited by a "coon" lately who opens the door and walks right in, making himself right at home. Not content with looking over the downstairs in one home, he made a quick tour of the upstairs also, was eventually shooed out one door and he promptly came back in another. This coon seems very

much at home in a house and is very comical in his actions. It is believed he has been some one's pet and when he grew big enough to be bothersome, they have taken him to the country an let him out. People should give some thought of what they will do with these wild animals when they grow up that they tame for pets. The animal does not know how to find for itself now and is a nuisance to other people.

Miss White visited her aunt and very interesting trip to Australia, China, Japan, etc. by furlough and she showed pictures and told of her work on the boats and is the only European in the area.

Manor Residents are Guests at Steam Show

By Muriel Trompion

Many expressions of pleasure and appreciation were heard in the Manor at the time of the Steam and Antique Association Fair held at the Milton Fair Grounds on September 2nd and 3rd. A number of women residents and men residents attended the Fair as guests of the Association and were delighted with the activities seen there. To many of these residents the Fair brought back memories of their youthful days when steam threshing machines and antique motor cars were the order of the day. Free transportation for these very enjoyable days was provided by the three taxis of the Royal Taxi and by Mr. Max Zimmerman who used his car for this purpose. The complimentary passes to the Fair and the free transportation were appreciated very much.

Sunday morning Dr. O. Brewster of Georgetown was in charge of the United Church service. His interesting sermon was entitled "Ambassadors for Christ" Next Sunday at 10 a.m. is World Wide Communion Service. All members are urged to be present for this important occasion in these troubled times. Mrs. Rene Wheeler has undergone surgery in Georgetown District Hospital recently. The regular schedule of the Gideons conduct the first service in the month and therefore they conducted the service on September 3rd. Mr. W.
