Offers Sewer Hook-up If Town Supplies Pipe

A Cass-Burke motion for the lown to supply pipe with Delrex Developments installing this from a sewage lagoon to the treatment plant and supplying easement across their property was withdrawn because of a procedural kink at lasted only a few hours and it Monday's council meeting.

Cr. Cass bowed to criticism that the public works com- "Didn't the OWRC request mittee should have been told of the plan first.

ELMER THE SAFETY ELEPHANT IS TEACHING

Mrs. Mae Freeman, Mrs. Lloyd Mrs. Gordon Hallet, 11 Gordon Place,

At elementary schools throughout Ontario, a friendly fellow called Elmer The Safety Elephant is capturing the imagination of your children in order to impress traffic safety rules upon them. He's doing a great job, but he needs all the help he can get. Teach your children traffic safety rules at home as well. Traffic safety is everbody's business, and no child can be too safe. Make it a habit to repeat Elmer's safety rules with your children periodically: .

- 1 Look BOTH WAYS ways before you cross the street.
- 2 Keep out from BETWEEN parked cars.
- 3 Ride your bike SAFELY. Obey signs and signals.
- 4 Play games in a SAFE PLACE away from traffic.
- 5 WALK when you leave the curb.
- 6 Walk FACING traffic where there are no sidewalks.

Remember, traffic safety is everybody's responsibility
