HORNBY

Harvest Home Service At St. Stephen's Church
The Rev. R. P. E. Jeffares of Lowville conducted the Harvest Home service at St. Stephen's Anglican Church on Sunday morning. Decorations of flowers, grain, fruit and vegetables had been arranged by some of the congregation.

Mrs. Irene Saunders is still a patient in the Milton District Hospital recovering from an operation.

St. Stephen's Guild Ladies had a booth at the farm sale of Addison Woodley on Saturday. It was a cold day and the coffee and hot dogs sold well.

Wedding anniversary greetings to Mr. and Mrs. Robert Ross on October 20 and to Mr. and Mrs. Kenneth Ella who will be married twenty years on October 22.

Mr. and Mrs. Robert Ross, Mr. and Mrs. Douglas Leslie, Mr. and Mrs. John Russell, attended the wedding of Stewart Ryder and Jean Manes at Acton on Saturday.

Anniversary services were held at Hornby United Church on Sunday, October 15 with a good attendance at both the morning and evening services. The guest speaker in the morning was Rev. F. E. Madden, B.A. pastor at Georgetown and Eden Churches. Special music was supplied by the Hornby Choir under the leadership of Miss Marilyn Wrigglesworth. At the evening service Rev. R. A. Brook, of Acton gave the sermon "On the pulpit of Jesus." The Norval United Church Choir rendered two anthems.

The Hornby North 4-H Home-making club have started their fall meetings, called "Summer Separates." Mrs. Roy Wilson and Miss Evelyn McKay are the leaders. The election of officers was held with President, Carol Dewless, vice-president, Patsy Wilson, secretary, Irene Hill, and press reporter, Carol Anne Leslie.

The girls selected "Cotton Queen" as their name for this series. The next meeting is to be held at the Hornby United Church on October 28.

The Hornby Teen Club held their regular dance at the Orange Hall last Saturday night. Carol Anne Leslie, Jackie King, Linda Learmont and David Boyce were the lucky spot dancers. Chaperones for the dance were Mr. and Mrs. Kenneth Ella and Bill Bailey. A masquerade is planned for the next dance, but the executives are asking those attending to remove their mask on entering for proper identification to the door man.

Ball Starts Rolling for Local Civil Defence

Some action on forming a local civil defence organization was intimated Monday when council discussed how best this could be done.

An Elliott-Cass motion, which would have set up municipal department heads as a planning committee to work with the county Emergency Measures Organization was withdrawn for more discussion after objections by the mayor that the Legion branch should be included in the planning.

Mayor Hyde said he would rather see council's civil defence committee meet with Legion officials for a discussion. And Cr. Emmerson pointed out that at the last Legion meeting the subject had been discussed with the county co-ordinator.

It is Cr. Burke's idea that there should be a public meeting which would set up a steering committee to get civil defence rolling.

"But we must remember that it is council which is expected to give leadership and this can only be done through our department heads," said Cr. Cass. Volunteers from Legion and other groups would be most welcome, he continued.

Had Perfect Week Fire Dept. Almost

Georgetown Fire Dept. came mightily close to experiencing a fire-free Fire Prevention Week. Withing 45 minutes and a few yards in fact.

At 11:15 Saturday night the local department was summoned to a chimney fire at the home of Ivan Stevenson on the town line near Norval. The property is just inside the local fire area. Damage was slight.

Speeding Driver Caught After 100 MPH Chase

A Brampton man has been charged following a wild two car chase Sunday which reached speeds over 110 miles per hour.

Cst. Ted Scott and Cst. Mike Christopher were making a routine check in No. 2 cruiser when they flushed a car out of the IGA parking lot at about 4:40 Sunday morning. Minutes later the vehicle, a 1957 Buick was lying in Willow Park at Norval, a total wreck.

Cst. Scott, who was driving the cruiser said he chased the vehicle down Edward St. to Shelley St. where it pulled over. He said he stopped out of the cruiser to question the driver when he backed the Buick up, quickly ramming the front of the cruiser. He then took off at high speed again up Shelley St. with the damaged cruiser in pursuit.

The chase continued down Rexway Drive to the highway and then towards Norval at top speed. At the top of Norval hill the driver of the Buick lost control and the car careened over the bank into the Willow Park property. The driver was thrown from the car and suffered only minor bruises.

Damage to the Plymouth cruiser was \$90.
