Is There Discount on Real Estate?

THESE DAYS everybody talks about discount stores. Everybody is looking for discounts, and SOME are finding them. What a lot of people do not realize is that a great part of real estate is ALWAYS SOLD AT A DISCOUNT! If you ever see a property sold for the asking price, the custom in real estate is to make an offer at the price YOU the buyer thinks it is worth so you might say that we are operating a DISCOUNT REAL ESTATE store — you the buyer get the discount — the seller is happy to get the sale and of course we're not entirely reluctant to accept the commission earned! Why not see if you can get a discount on these exceptional listings!

1. A LUMBER company is extremely anxious to sell this well built 4 bedroom home complete with a single garage plus a large separate workshop. Forced air oil heating, large treed lot 72x138, exceptional neighbourhood. Even at \$12,500 it's a good buy!

2. \$11,000 FOR A 5 roomed, 3 bedroom solid brick bungalow, forced air oil heat, aluminum storms, newly decorated one year ago, backyard fenced, double clothesline.

3. \$12,900 — MAIN Street brick bungalow, 3 bedrooms, aluminum storms, 2 car garage, separate basement entrance, attractive garden, shrubs, flowers, flower beds. Owner will take low down payment, balance monthly like rent!
