McNally Firm Awarded High School Contract

Local Contractor Lowest of 7 Bids

The only local firm to submit a bid, McNally Construction has been handed the contract to build the million dollar high school in late 1962, providing the Dept. of Education gives it the seal of approval. The amount of the chosen tender was not made public, but it was the lowest of seven opened and considered at a meeting of the board Monday night. Although the McNally firm has no association with Delrex or Rexwill Construction, the latter is the general manager of the school in late 1962, Harold Baird, who is a member of the high school board, abstained from voting.

Others tendering were Malan Construction, Toronto; Amussen, Kitchener; Construction, Galt; A. E. Rule, Weston; Mitchell Construction, Brampton; and Dunker Construction, Kitchener.

Ruth Reed Princess Peel Junior Dance

Approximately one hundred couples enjoyed dancing to the music of Ray Shepherd and his Revelers at the Peel Junior Farmers "At Home" held in the Junior Farmers Building, Brampton on November 24th.

Theme for the evening was "Peel's Princess Prom." The hall was attractively decorated with purple and white streamers which were drawn to the ceiling forming a canopy. Directly below the centre was an illuminated crown on a pedestal, surrounded by many mums and cut flowers. Yellow mums and ferns decorated the lobby. Flowers were through courtesy of Emily's of Brampton.

Ruth Reed of Bolton Junior was chosen as princess of the evening. She was presented with a bouquet of red and white carnations by Barbara Mason. Other competitors were Betty Jean Anderson of the Alton club and Helen Pinkney of Caledon. Each girl received lovely gifts donated by downtown Brampton merchants.

Flowers for the oldest couple went to Warden and Mrs. E. Johnston. A prize for the person doing the best job was won by John Van Sledright of Galloway. Spot prizes were won by Ruth Johnston and Mrs. Watson. Delicious refreshments were served by the Maxwell Women's Association.

Evening Store Hours Allowed Till Christmas

Local stores with the exception of grocery and meat stores, are now allowed to be open Mondays and evenings until 9 p.m. until Christmas.

Council on Monday passed an amendment to the store closing bylaw which had been requested by various groups of merchants last week.

"This was brought to the attention of merchants and they felt that they would like it as a trial. Hours will revert to the old system unless there is another petition next year," he said.

"This is a bylaw which should certainly be reviewed and rewritten," said the mayor. "The bylaw has many amendments and each time another is added, wording for the amendment is cumbersome."

Repaint Canary Cruiser

Residents will have a harder time spotting the town's new police cruiser in a week or two.

On Monday, a council majority approved changing the canary colour to a more standard black. It had been requested by the police chief.

Cr. Bob Burke, who with Cr. Don Barrager was not in favour, says he thinks the canary car deters speeders and serves its purpose well in that respect.

Mayor Hyde agreed that for traffic control the yellow car is good, but that there are problems in general policing when the car is conspicuous and black is the better color.

Subdivision Agreement Gets Town Council Okay

The projected Moore Park subdivision came closer to reality Monday when council approved an agreement with Georgetown Developments, Ltd., which will turn the present Moore farm into a residential-commercial district of town.

The 88 acre property is the last large parcel of farm property in the old town limits of Georgetown.

First major property to be developed under the town's new subdivision by-law, it calls for chipped roads, sanitary and storm sewers, water mains, street signs, curbs, and gutters. A \$200 deposit per lot is also necessary as a guarantee that services will be provided by the subdivided, also repayable under certain conditions.

A public school site is to be reserved at a price not to exceed \$3500 an acre.

The developers must meet requirements of the control by-law which demands varying the plan.

The town will receive a fee for any engineering services it performs and has agreed to foot \$5,000 of the cost of a sewage lift station necessary in law which demands varying the plan.

Night School Recesses For Holiday Season

A full schedule of well attended night school classes recessed for the Christmas season on Tuesday of this week.

Approximately two hundred took advantage of the wide variety of courses offered:

- In square dancing eighteen couples danced, sixteen enrolled in children's clothing and dress-making, 9 in needlecraft, and 21 in beginners' sewing.
- Sixteen men and eighteen women exercised in their respective "Keep Fit" classes.
- The artistic types studied on painting, 11 in Miss D. Stone's class and 12 in Mr. Black's.
- Welding attracted 12, while book-keeping had 15, typing 25 and Basic English 21.
- While the rest of the classes will resume after Christmas, the needlecraft class is now finished.

New Teacher Here Killed in Accident

A Georgetown man was killed and two Stratford teenagers were injured in a two-car crash at a downtown Stratford intersection early Saturday.

Dead is Lloyd "DART" 28, who was driving to St. Mary's. He had lived there until he moved to town a couple of weeks ago. He had been teaching mornings at Speyside and afternoons at Glen Williams.

Brian Kiloh, 18, the driver of the other car, is in hospital with back injuries and his companion, Margaret Speers, 16, has severe face cuts.

Esquering Reeve Retires Wilfrid Bird Steps Up

Currie is New Man As Council Chosen

Despite a complete slate of acclamations at Nomination meeting, there will be changes in Esquering Township next year.

Reeve Cam Sinclair did not seek reelection, creating a vacancy which was filled by the present deputy reeve Wilfrid Bird. Councillor George Leslie is now deputy reeve elect also by acclamation.

For a while it looked like a four-man race for the three man Council. Nominated were Councillor Walter Linham, Councillor Wilfrid Leslie, reeve George Currie, and Walter Pope. However, Walter Pope declined the nomination saying that Esquering administration was in good hands with the incumbents, and George Currie, as an ex-reeve, deputy and county warden was a man of vast experience.

Currie was enough. He spoke briefly outlining his duties on county council. As chairman of the agricultural committee he saw birth of a Halton County Museum Board. "We started out with 12 members on it," he explained, "but the government said we have to cut it down to seven. So, I don't know if our Esquering member Ben Case, will be on it or the Advisory Board."

The financial report sounds good, with an accumulated surplus of \$8,225 at the end of October. The reeve continued, "but whether it will still be there at the end of the year I don't know."

He wanted to add that relief from Esquering was higher than in surrounding municipalities, but confessed he didn't know the cause. He added that it might be time to think of a ward system in the township, since most other townships years in Esquering council, five of them also in county council.

Hyde, Sargent Seek Town Mayoralty Post Monday

16 Seats, 23 Names for Council, School Board

A total of 23 men will compete for 16 council and public school board seats in next Monday's Georgetown election.

They qualified for election following nominations Thursday in Wrigglesworth school auditorium.

The three top town offices will have two-way contests.

Reeve Doug Sargent is opposing Mayor Ern Hyde. Deputy Reeve John Elliott and Cr. Ian Cass seek the reeve's seat. And Councillors Bob Burke and William F. Hunter are competing for the deputy post.

First Time in Years

With ward voting returning for the first time in several years, an acclamation was received by sitting councillor Don Barrager and newcomer Rex Cock in Ward 1. Only other acclamation was for hydro commissioner E. W. Binkley, who was unopposed in his bid for another two year term.

Three men seek office as Ward 2 councillors, a present councillor Jim Emmerson, a former councillor Fred Harrison and a newcomer to local politics Robert Letts. Two will be elected.

The eastern Ward 3 sees the most in the field. Present councillor Jim Brown has four newcomers opposing him, Wilfred Brisbois, Jack Chrichlow, Martin Horan and Robert McNeilly. Two will be elected.

At Least Four New Members

With two school board members, Roy Harrison and Ray Salter dropping out, there will be at least four new members on that board next year. Present members Stan Finlay, Don Powers, Harry Shortill and Ed Wilson are joined by newcomers William Carr, Frank Martel, John Minter, Reg Mooney and Roger Wade. The board has been boosted to eight members, due to Georgetown's population increase. The four who top the polls will serve two year terms; the next four, one year terms. In future years, the town will choose only four each year.

Music Pupils Receive Awards

Four pupils of Dorothy Richardson Seull were presented with awards in October at a presentation recital held at the North York Library auditorium in Willowdale. Awards were made to the pupils of the teachers of Trinity College of Music, London (Eng) for the 1961 music examinations.

Awards

Mrs. Seull's pupils receiving awards were Julie Smith, Acton, Bronze medal for Grade 1 Theory; Lynn Raeburn, Caledon, silver medal in Grade 9 piano; Both Kathryn Sinclair and Lynn Raeburn performed at the recital. Kathryn played Bigdan by Stomoy and Miss Raeburn the G Minor Etude by Cramer. All awards are for the highest honour marks in Ontario.
