COUSIN CLEM, and Gordie Tapp, who know each other intimately, though you'll never see them together, got the ball rolling at Georgetown Bowl Thursday night when the 12 lane modern alley was officially opened with boosts from Clem, Gord and Joe D'Orazio, Canada's leading bowler. Here C. C. congratulates Mrs. William Radyk, wife of co-owner William Radyk, and at the same time delights the Brunswick people by showing off a pair of Brunswick bowling shoes. The new alleys are operated by William Radyk, Gerald Wasyluk, and Peter Williams.

CURLING CHATTER

by Bob MacArthur from the

North Halton GOLF and COUNTRY CLUB

Well, it has got to come — I mean a new curler should concentrate on improving his delivery before he proceeds to get this week I took the scores off the board at the club and when I got home I couldn't read them. The one of Bill Bassett and Oliver Hunter should have read 6 to 6, a tie game, instead of 6 to 0 in favor of Bassett. The game was played on November 18th.

Golfing and curling on the same day? Sunday there was very little activity at the curling rink, but a few tried out the link. I pity to spend it in when there will be so many days in the near future that the green hills will be covered with ice and snow and the only activity on them will be tobogganing and skating. Enjoy it while you can.

Vice skips are getting a trifle careless already in the new season. They are failing to mark their scores on the schedule and come the end of the series, how are the Games Committee going to work out the standings? Let us all cooperate in marking the scores on the board.

The first bonspiel of the season was held on Saturday. The results will be found in another article. Understand a good turnout was on hand for this match.

A mixed spiel will be held this Saturday. You don't have to have a complete rink or partner to enter this one. Single entries will be drawn with other singles, so that a lady or gent who has not a full rink or his wife does not curl, can get into the spiel.

There are quite a number of new faces at the rink this year. Some of the new curlers are coming from out of town. So make yourself acquainted and give the strangers the welcome they deserve. — Don't high hat them — you might be a stranger in a strange town yourself some day — and believe me — a friendly greeting goes a long way.

Did you see the first of a series on curling on the TV Saturday? No, I didn't. Of course the football game-for should I say Rout) as far as Toronto is concerned, was on another channel. There are to be more of them this winter, so be on the lookout for them in the listings.

According to the experts in a metropolitan newspaper, a 18th, a Sunday.

The spectator crowd was very good last Saturday. A lot of new faces among the crowd as well as some old. Makes the coaches and the kids feel real good.

The boys on all teams played real hard on Saturday to put on a good show. The extra time and practice by coaches with teams, is really starting to show. By the end of the season, who knows. Teams appear to be more evenly balanced now and by play-off time should produce some keen competition.

Would like everyone to know local Legion Branch 120 is again organizing a four town tourney for this season. Acton, Milton, Fergus and Georgetown being contestants in Novice, PeeWee and Bantam. Ask Students Make Decision on Smoking

High school students in three northern Halton County high schools will be asked to make a decision. To Smoke or Not to Smoke — this winter.

A film by that name will be shown in the schools by officials of the North Halton Unit of the Canadian Cancer Society, whose members viewed the picture and lent solid approval to a campaign to educate the students about the health dangers of smoking, and concludes with an appeal to youth to make a sensible decision.

Halton Ball Leaders Review Past Season

A general meeting was held Wednesday night by the Halton County Ball Association when a discussion was held on the past season's activity. The meeting was held with a view to possibly clearing up some of the problems which are known to exist, and several key points were put forth, which are to be dealt with by next season.

Main problem it seemed especially in the minor league, was the umpiring and with local men doing the calling of the game, it was found several occasions came up when a proper man was not behind the plate doing the calling, leaving the door open for some major beefs.

Aside from this, the rescheduling of games by certain clubs with no notification, fan abuse and some ignorance of proper league procedures, were the only other complaints registered.

An umpire's school is to be set up prior to the start of next season and it is hoped that a competent official will be in charge of each game in the league. The Intermediate series has had officials appointed from Hamilton for the past several years and while no immediate change is seen in the arrangement, it is hoped by the clubs in the loop that the officials in this bracket as well will eventually come from a proposed Halton County Umpires Association.

Peter In Chair

Peter McMullen was in the chair for the meeting and executive members present were first vice president Earl Nicholson, Waterdown; Len St. Marie of Milton; Barry Deacon of Clarkson; Dave Andrew of Brampton; and life member William Randall of Milton.

Others present representing the teams in the league were Pete Gurney, Fred Stroud, Roy Little, Jim Tost, Dave Graham, Neil Jarvis West and Stan Millne of Dundas Minor Baseball; Gary Ripka of Waterdown; Greg Gregory and George Winaton of Oakville - Trafalgar Midgets (a new league entry for 1962); Ken Moore and Lenx Andrews of Campbellville Baseball Association; Doug Lockhart and Bob Pidgeon of Streetsville Minors; Phil Harding, Al Burrows, Tay Farynick, Bill Chambers and Mike Kropp of Bronte Minors; Doug Beattie and Dave Bacon of Eden Mills Minors; Tracy Barrager of Georgetown Baseball Association; and league secretary treasurer Bruce Hood.

The Halton Association's annual meeting will be held in February with Milton the unofficial spot, and a record turnout is expected to attend the function.
