Masons' Speaker Rotarians Have Visit Anglican Bishop By Scholarship Winner

"Think big and bold will see that you have the capacity to carry out your plan" was the advice given to Masons and their wives by the guest speaker at the recent lodge ladies' night.
Rev. Walter Bazant, Anglican Bishop of Niagara, came from Hamilton to speak at the dinner. As an example of his message he mentioned such famous people as Florence Nightingale and Doctors Rankine and Ross who had accomplished their missions by determination, knowledge and courage. His talk was a blend of wit, humour and seriousness.
Jack Ady, worshipful master of Credit Lodge A.F. & A.M. was toastmaster for the dinner which was held in Knox Church hall. He proposed a toast to the Craft and a toast to Grand Lodge was proposed by William MacCormack. Response was given by Rev. Walter Bazant. Bishop Bazant was presented with a gift as she entered the hall.
Dorothy Lattin, trustee of the ladies and Mrs. Frank Noble replied. James Linton expressed thanks to the church ladies who catered for the dinner. Among the distinguished guests was a grand lodge representative, E. Barrett of Hamilton.
Entertainment consisted of songs by Mrs. George Grash, pianist, Ralph Lattin and a sing song led by Jack Adams. Robert Lawson, experienced singer and a regular speaker and the warden of each lodge, the warden's toast by Irwin Nason.

Seldom does the Rotary Club have a lady guest speaker, but recently to observe their annual "Foundation" week, Miss Ann Marie Goerk, the 1960-1961 Foundation Student for District 707 addressed the local club.
Miss Goerk was awarded the Rotary scholarship open only to final year or graduate university students. The scholarship provides for post graduate study in any country in which the work of the Rotary is carried on. In addition the student must speak the language of the chosen country, so that fellowship between the two countries will be encouraged.
Miss Goerk attended Brampton High School, McMaster University and Toronto University. She chose University of Louvain, in Belgium for further study under the Rotary scholarship. She is now a research psychologist working on her doctorate.

The local club would like it known that this year they have the opportunity to nominate a student. Anyone wishing to apply should ask any Rotarian or the High School Principal.
The Leaside Rotary Club who escorted Miss Goerk, were guests of the Georgetown Club at the observation of Foundation Week.
WANTS PROVINCE TO MAINTAIN KEY ROAD
The Terra Cotta Conservation Area road would be maintained in part or completely by the province if Credit Valley Conservation Authority F. Lyons has his way. Mr. Lyons said at a recent meeting that the cost of maintaining the road was "substantial".
