Hockey Novices Compete Sault Ste. Marie Tourney

The local hockey Novices will be leaving town Christmas day enroute to Sault Ste. Marie and their first attempt at the Novice hockey tournament there it was announced this week.

Harold Seckington's young aggregation are expected to be away until the end of the month representing Georgetown at the famous tourney, and if the team's game with Milton is any kind of a yardstick they won't be ousted easily.

The local Novices had little trouble in disposing of their played Boston, a team from the Milton rivals Tuesday, Dec. 5 Saturday morning Little NHL when they swamped the county team 3-0.

As a filler game the PeeWees team from the county was also supposed to take on Milton also were disappointed three hours before game time when they were notified their opponents wouldn't be showing up.

Juveniles Win, Lose In Hockey Fixtures

Georgetown's Juvenile team split two games in Tri-County play this week, dropping a close game in Orangeville 2-1 on Tuesday, and took their home game Wednesday night against Milton 3-0.

In Orangeville the local crew didn't start skating until the third period, by this time it was too late to recover the game. Morrow set up Marchment in the dying minutes of the game, but he failed to tie the game up on a clear break at Orangeville scored two quick goals and then checked Georgetown to a standstill for the rest of the game. Campbell pulled Georgetown close at the 16:20 mark of the second period with a neat goal fed by Morrow. The locals had many chances equal the count but just could not put it in the net.

The story was different in Georgetown Wednesday night as the local boys walked over Milton 3-0. Morrow opened the scoring from Marchment at 4:07 from the second period Harvey from Morrow at 5:45 made it 2-0 with Campbell scoring at the 12:05 mark of the third period from Marchment to finish the scoring. It was strictly a Georgetown night as Milton couldn't untrack themselves. Good efforts were turned in by Lee, Morrow, Campbell, Robson, Heppes and Harvey.

The girls are this week working on the turkey draw to see who will get the birds for the holiday season.

Mrs. Don Barrager and Mrs. Ernie Currie were the two skips who were chosen to assemble links for the District 12 Tankardspiel which will be curled at the local club January 8th and 9th.

The clubs that will be represented at the North Halton Tankard will be Weston, St. George, Dixie, Brampton, Bayview, Bolton and Georgetown.

For the Provincial Playdowns it will be Mrs. Tom Dillon who will put a rink together to play in Brampton the week of January 15th. This spiel takes a whole week to play off, so the men had better get used to those makeshift meals for that week — 'cause nothing must interfere with the curling.
