**Investiture Feature Of Cub Parent Night**  
Highlighting 'Parent's Night' held last Thursday evening by the First Georgetown Cub 'C' Pack, at St. John's United Church, was the investiture of Cub Dougie Simpkins.

More than one hundred Cub parents and children were welcomed by Cubmaster Dave Hastings. Rev. Ian Fleming was introduced to the gathering and he spoke briefly to the boys.

The Cubmaster explained to the parents that Cub work is based on the Jungle atmosphere and that the Cub promise is followed throughout the pack meetings.

The meeting opened with the Grand Howl, led by David Clark. Following inspection games were enjoyed with the parents taking part. The mothers entered in a spoon relay while the fathers took part in a rope relay.

A short period of semaphore instructions was led by John Layman. Those taking part were Charlie Buhn, Peter Nieuwhof, Dougie Stephens, Ricky Enright, Bob Bull, Tommy Dean, Keith Bottomley, Robbie Ewing. Then Peter Nieuwhof led in signalling out a Merry Christmas message to the parents.

Songs were sung around the campfire, followed by the Mouse Howl. The program concluded with movies shown by Norman Long. Some of the Cub boys recognized themselves in movies of last year's investiture. The other movie took the audience to Algonquin Park and a week's trip which Mr. Long, his brother George of Toronto and their wives, took this fall.

Refreshments were served with Mrs. Rolfe and Mrs. Nieuwhof in charge. On behalf of the leaders, David Hastings, Mrs. John Layman and Cub instructors David Niven and John Layman, the boys were wished season's greetings until their next meeting on January 5th.

As a parting treat each Cub and guest child was presented with an apple and candy cane (donated by the Ladies' Auxiliary).

**GHS Basketball Team Wins Over Brampton**  
Georgetown High School Senior Basketball squad won't overwhelm their opposition this season but defensively they appear good enough to collect their share of wins in the Tri-School Basketball league which got underway yesterday afternoon, too late for press coverage.

The local seniors showed how a low scoring club could win last Thursday when they went out in front of Brampton High School at the half, 21 to 10, and then played possession ball to upset the Brampton team 25-24 in an exhibition tilt. Barry Shepherd was singled out by coach Lyn McLaren for the great job he did in controlling the ball in the late stages when the visitors pressed hard to overcome the margin.

Crimes and McNeil, with 6 points apiece, headed the GHS scorers. Hoppas had 4 points, Smith 3, Pennock, Kitchener, and Shepherd 2 each, and Lay 1.

In the other half of the double header Brampton Juniors Black Peter beat the present-edged the local juniors 26-24, (as opposed to Germany) on

**Enquiring Reporter**  
**WHAT DO YOU THINK?**

What differences are there in the way Christmas is celebrated here and in the country of your birth?

**MARIA MARSHMENT**  
In Germany we opened the presents Christmas Eve. The children are told the Christ Child brings the presents, not Santa Claus. After supper and a bath, the mother rings a bell, signifying the Christ Child has come to the room. Before opening the presents, they sit around the tree singing "Stille Nacht".

On Dec. 5th, St. Nicholas and Black Peter come to see if the children have been good. They leave either candy or a stick of scorpers. Hoppas had 4 points, depending on the behaviour.

**HANK LEVERS**  
In Holland St. Nicholas and Black Peter bring the presents.

Dec. 5th, but at Christmas time people actually celebrate the same. There is usually a religious fair as formerly, but just changed to a celebration.

Over here too much money is spent and people go into debt for Christmas.

**PETER SPEICH**  
In Yugoslavia St. Nicholas and Black Peter come Dec. 6th with small presents. On Christmas Day, not before, the tree is put up and small presents exchanged. Then the family goes to church. We do not overspend.

**NAME WITHHELD**  
and have big drinking parties they do here. I feel the spirit of Christmas has been lost here.

Bald eagles are so named because of the effect of the white feathers on their heads.
