REUNION AND FEASTING
 Through the ages, Christmas has always been a time of reunion and feasting. In this country, Christmas is not considered complete unless the entire family gathers at 'mom's' or 'grannie's'. Turkey on the table is a tradition and, in some sections, ham is considered a 'must' necessity. In the time of the Saxons, the festive board was spread with a 'bord cloth' and the guests waited impatiently for the two specialties that marked Christmas: the peacock and the boar's head.

As estimated three-quarters of a million people depend upon Canada's electrical industry for their family's income.
