

Juveniles Show Well Hamilton Exhibition

WIN CLOSE MATCH AGAINST ACTON

Bill Richardson

Georgetown's Juveniles split a pair of games this past week, losing a close one to Hamilton A Major Club 3-2 in exhibition play and pulling one out of the fire in leaf style with a come from behind victory in Acton 3-2 on Thursday.

The victory in Acton pushed Georgetown's unbeaten string to 4 games in league play. The crucial part of the game was in pre-game warm-up. The Acton manager E. Marks protested the use of Al Harbour on the local team. Al had tried out with the Hillsburgh Intermediate team. After proof of eligibility was shown the referee included all were satisfied except young Al Harbour. He proceeded to put the last nail in the Acton coffin by sinking the winning goal at 17:25 of the third period. The goal was scored on a two-man break with Bill Campbell running in interference to allow Harbour a clean shot which he sank deep to the top right hand corner.

Georgetown appeared tired after the night before game, spotting Acton a goal in both the first and second periods. It wasn't until the 8:50 mark of the third period when Bill Campbell whacked home a Bob Hyde shot from the point to get the local machine rolling.

Berry Harvey led the game at the 12:00 minute mark picking up a rebound shot and hitting a goal. Gord Lee had previously hit the goal post on his second breakaway of the night.

In the exhibition game Wednesday night in Georgetown the Juveniles played one of their better games in losing to Hamilton. It was a good clean fast game with very few penalties. Bob Hyde going his second complete game free of the sin bin. Marchand opened the scoring in the second period from Robson. Hamilton tied the score less than a minute later and went ahead at the 2:20 mark of the third period on a goal by Boyko. Georgetown led the score, Marchand at 3:19 on a nice shot assisted by Marchand. But Hamilton scored goal at the 8:12 mark by Kane from Boyko. Georgetown played a team well above their class and proved to be more than an adequate opponent carrying the play to the Hamilton goal line and time again.

And only some spectacular saves by both goalies kept the score down. The only sad spot as far as Georgetown was concerned was the poor effort of Berry Harvey who hasn't been up to par after getting his front teeth knocked out. Also the empty play of Glen Cooper.

Bantams Top Milton In Exhibition Game

Georgetown 4 - Milton 2

Local Bantams upset the mighty Milton team on Wednesday last week. On Wednesday the Bantams four went to Milton to take on their arch rivals in an exhibition game. Milton had taken great pleasure in beating Georgetown in two straight games and thought that they would do it again in an exhibition tilt. This is the first year in the last 10 years that I know of that Milton has been able to beat Georgetown Bantams more than one game in a season. But the local boys were up for this one and played one of the best games of the year and it was the Georgetown boys who came off the ice with the smile on their faces.

The bantams had their assist coach at the helm in this game. Normie Lockhurst, while coach Fred Harrison took a spectator's view of his boys. Normie did a terrific job and the boys played all-out for him, checking Milton into the ice.

Loss Lane

The only sad part of the game for Georgetown was the losing of their ace centre man Ronnie Lane for at least a couple of weeks. At first it

was thought Ronnie may be out for six weeks, but on latest report received we are hoping to have him back for the first round of the OHA's play downs.

Marty Wheeler opened the scoring for Georgetown at the 1:55 mark of the first period. There was no further scoring in the first period and Georgetown went into the second period with a one goal lead. Georgetown forwards kept checking and the defence kept hitting to slow up the last Milton team. Milton tied the score at the 12 minute mark, Marshall from Scods. But in less than 2 minutes Paul Robinson who was checking all over the ice, stole the puck from the Milton defence and put the puck in the net to put Georgetown ahead again. Then Marty Wheeler scored his second goal of the game to make it 3-1 Georgetown. Marty was the old buzz saw again in this game checking and skating. In the 3rd period Milton scored, Brush from Marshall and at the 13:40 mark Terry Ray wrapped the game up for Georgetown's assist. Arnold and Robinson. Well done Georgetown, a good win.

Georgetown Bantams 3 - Rexdale Midgets 3

Georgetown Bantams took on a minor midget team from Rexdale Sunday and came out with a 3-3 tie.

Missing centre Ron Lane and wingman Simon Llewellyn, the local boys put up a good fight to tie a much bigger team. For the second game in a row the Bantams looked like a team going places. They outplayed Rexdale but had trouble with the goal tending as Dunning and Bourne in the Rexdale net were outstanding.

This was good experience for the boys as they shouldn't meet any bigger teams in the Bantam series.

Georgetown goals: Blair 2, Robinson 1.

JUNE IN JANUARY
HAD YOUR NLF. shots yet? The initials stand for 'nine iron fever', a common ailment contracted by all golfers about this time of year. Symptoms are itching palms and an uncontrollable desire to put the salt shaker on the rug and try to chip it onto the hole. In and take your hooked end of the wife's umbrella. Best way to combat it is to take in and take your favourite iron out to the snowy fairways and thrash the pine needles for an hour and a half. Nice part about the cure is you don't have to replace any of your snow. Here Georgetown Golf & Country Club champion, Ted Worrall, goes along with the gag and shows how.
