Georgetown will make strong pitch this year for better access road to 401 High-

Last year a council delegation interviewed the then High ways Minister Ffed Cass, with the idea of having the 0th Line improved, but met with little success. A traffic count of rural roads around town was promised, however, though statistics have not yet been re-

calved by the town. On Monday, council's road ehairman Fred Harrison said he would like to make another representation to the government. "However, I don't think we should specify any certain road. If the government is going to foot the bill, we can't specify which road we want opened, and we should go to the meeting with an open mind," was

his epinion. Mayor Sargent said he personally thinks the town would have better luck in a combined appeal with Esquesing for an

'improvement road." "I-was with last year's delegation and we didn't auggest any specific road," said Reeve Filiott. "They promised a trafle count and maybe we would
