### EDITORIAL COMMENT

### Esquesing Participation Sensible

A suggestion that Esquesing Township should share in operating costs of Georgetown Arena was made by Cr. Fred Harrison at last week's council meeting.

" It is an idea when has some merit, and we should think Banship residents Through their council would be in accord with an annual contribution towards this winter recreation centre, which serves a substantial number of you apters from the currounding area.

· Now that the subject has been raised, perhaps a meeting between town and ,18 wiship officials could settle out a . fair contribution to ease the tax load-somewnat on Georgetown ratepayers.

.. Already on digrenable arraingement has then made for fire protection and bybulance service-for township residents. A similar type of sharing is a half Cr. Harreton. has in maid to keep to a to come an even keel.

### Best Use for Old Building

Tender calls for a new post office building forestratows the abandoning of the present Mid Street structure when the new tederal building is elected on the highway.

It is a name which we regret, for it seems a shane to move postal facilities from the present spot, so convenient to the hub of Georgetowick continued centre. We had hoped that the government might consider, instead, an expansion which would have taken a the old Rusy Iticatre building.
