

Snow Douses Fire Silvercreek Car

A car driven by Mrs. Mary E. Pearson, Silvercreek was doused by snow after it burst into flames just outside her home last Wednesday.

Mrs. Pearson had just returned from driving to and from Buffalo and had stopped beside her mail box when smoke started pouring from under the hood. Fire damaged half of the paint and burned the wires off the motor before Mrs. Pearson saw the flames. She started pouring from under the hood. Fire damaged half of the paint and burned the wires off the motor before Mrs. Pearson saw the flames. She started pouring from under the hood. Fire damaged half of the paint and burned the wires off the motor before Mrs. Pearson saw the flames.

WHAT HAVE YOU EATEN LATELY?

By John Bellows

So many tidbits offered in such an array of splendour I got to wondering what folks ate away back when.

Here are some oldies (authentic and all that) from a cook book printed in London, England, in 1830.

CHARITABLE SOUP

Take the liquor of meat boiled the day before, with the bones of leg and shin of beef; add to the liquor as much as will make 150 quarts also the meat of 10 stones of leg and shin of beef, and 3 ox heads, all cut in pieces; add 2 bunches of carrots, 4 bunches of turnips, 3 bunches of leeks, 4 peck of onions, 1 bunch of celery, 4 pound of pepper, and some salt. Boil it for six hours. Either oatmeal or barley may be put in to thicken it. If thought necessary. This soup may be used at any gentleman's table.

TO MAKE PINE CHEESECAKES

Put a pint of warm cream into a saucepan over the fire, and when warm, add to it 5 quarts of new milk. Then put in some rennet, stir it, and when it is turned, put the curd into a linen cloth bag let the whey drain from it, but do not squeeze it too much. Put it into a mortar, and pound it as fine as butter. Add 1/2 a pound of sweet almonds blanched, 1/2 pound of macaroons, or Naples biscuits. Then add nine well beaten yolks of eggs, a grated nutmeg, a little rose or orange water, and 1/4 a pound of fine sugar. Mix well together.

PATE DE JUJUBES

Take of raisins stoned, 1 lb Currants picked, Jujubes, opened, each 4 oz Water, a sufficient quantity. Boil; strain with express-

Gravenhurst Men Meet Death, Norval Accident

The turn off on No. 7 Highway at the east end of the village leading to the bridge and near the home of Mrs. Wm. McMichael was the scene of an accident which claimed the lives of two young men from the Gravenhurst district about 3 a.m. Sunday morning. One was 23 and the other 27 years of age. The car went out of control on the turn and crashed into a hydro pole after travelling along the edge of the ditch for a piece or two wheels. This is the third accident in as many weeks near the same spot. We hope the Dept. of Highways will eliminate this dangerous turn before more lives are lost. Since straightening the hill, cars hit this turn at a greater speed than before and it now is a real danger spot. Another had spot is the main corner in the village. There have been several crashes here and something should be done here too, before there are lives lost. It is almost impossible to see cars travelling on the highway when you drive on to it from the north side of the town line. A caution light at the main corner and one on each side of the bridge would help those who do not know this road very well.

The United Church Women of Norval United Church held a very successful rummage and bake sale on Saturday, March 17th, in Brampton. Shoppers were lined up and waiting for the doors to open to get a good choice of the bargains and home made baking. By the late afternoon a weary group of women found their efforts had been well worth while when they counted the proceeds of the day, and closed up the empty shop.

Saturday evening, March 17, the Women's Institute held a "Family Night" euchre at the home of Mrs. Lawrence May. There was not a full turnout, but those present enjoyed the evening of euchre and the social time. Winners of the euchre were Mrs. Don Murray, Mrs. Graydon Chester, Keith Webb, and Mr. Lawrence May.

Seek Voluntary Land For Bruce Trail Plan

The plan for Ontario's longest continuous hiking trail is about to get into action.

Known as the Bruce Trail, it will extend from Queenston to Tobermory, and traverse some of the prettiest scenery of Southern and Mid-Ontario. The first 10 miles of the trail, along the Niagara Escarpment from Burlington to Milton, is to be ready this summer.

Conceived a year or so ago by Hamilton metallurgist Raymond Lowe, the ambitious project is sponsored by the Federation of Ontario Naturalists, who are now planning to place a full-time Field Director in the area to coordinate the many groups of people who will become involved in the construction of the trail.

"We have learned much from similar trails in U.S.A. and in Great Britain," says Lowe, "but this will have an essentially Canadian flavor of its own."

It is hoped to see the completion of the nature-hiking route by 1967 — Canada's centennial. The operating committee believes that this could become one of Canada's finest attractions as it will encourage Canadians to take up the old recreational pastime, walking.

"It should be made clear," said F. O. N. Managing Director David Webster, "that the group is not entering into land purchase agreements. We are hoping to establish the Trail by voluntary agreement of landowners and municipalities," he said.

The initial survey is being financed in part through a grant from the Atkinson Charitable Foundation.

Offers of help should be sent to the Secretary, R. N. Lowe, 33 Hardale Cres., Hamilton, Ontario.

Rectors Exchange For Lenten Service

The Rev. R. J. Stubble, rector of Glen Williams and Norval Parish, was in charge of the special Lenten service held in St. John's Anglican Church on Wednesday evening, March 14.

The Rev. J. E. Maxwell was in charge of the service at St. Alban's, Glen Williams. The next evening service in St. John's Church will be Wednesday, March 20th with Rev. R. P. Jeffrey, of Lowville.

SPRING

Hail, virgin, so bland and so mild, Perfum'd with the violets sweet; The landscape awakes at thy call And the daisy blooms under thy feet; And who is this maid so gentle and fair: 'Tis the lovely, desirable Spring of the year.

"Announce upon Seasons for Anglers in Ontario," a headline in the Herald this past week, brought to mind a notice we found last summer, tacked to the door of the home of an

HALTON JUNIOR DEBATERS

At left Tom Hunter, Georgetown, member of the County team winners of the Junior Farmers' Association of Ontario debating contest, receives a trophy of the Cities Service Oil Company trophy from A. J. Irvine, general sales manager. The topic debated in the finals at the Ontario Agricultural College was resolved that: "Farmers should process farm products."

Below Mr. Irvine presents the winning team trophy to the Halton Junior Debate team: Ed Sagsworth of Burlington; Mary Lou Taylor of Burlington; Jack Robertson, of Milton and Tom Hunter, of Georgetown. Miss Taylor has been Halton County Dairy Princess for the past three years.

Adamson First Speaker For Planning Workshop

County, Town and Township representatives of Peel, Halton and Wellington Counties will study problems of planning on a regional level, in the first of a series of five Regional Planning Workshops here on March 22nd.

Professor Anthony Adamson, of Toronto University, Vice-Chairman of the National Capital Planning Commission and former reeve of Toronto Township, will be the guest speaker.

His topic is "Local Government and Planning."

Invited to attend the Workshop are two Councillors, two Planning Board Members and a member at large from Georgetown, Milton, Brampton and Erin; Townships of Erma, Puslinch, Guelph, Nassawagan, Esquimaux and Chippewyan and representative of the three counties.

The need for planning at a regional level was emphasized by Alex MacLaren of Georgetown, following a conference on Soil Conservation at the Ontario Agricultural College in Guelph last year. Mr. MacLaren is chairman of the Farm Planning and Land Use Board of the Credit Valley Conservation Authority.

Last year, Regional Workshops were planned.

Cheltenham Dancers Give New "Twist" to Squares

By Muriel Thompson

A group of adults and children who had given the residents a pleasant evening of square dancing just before Christmas came again to dance for them on Saturday night, March 3rd.

The group included a set of boys and girls who are known as the Canadian Dancers of Cheltenham and who won second prize in their class in the dancing competitions at the CNE last summer. There were also a set of children who are pupils at Glendale Public School in Brampton and three sets of adults. All the dancers were under the direction of Mr. Ed Hasell of Brampton, who did all the calling.

The Canadian dancers were dressed in special costumes. The girls wore white dresses trimmed with green sashes and green maple leaves, and the boys wore white shirts, green ties and dark trousers.

The dancers danced many enjoyable dances. Barn dances were represented by such favorites as Dip and Dive and Duck for the Oyster and waltzes by such well-known tunes as the "St. Bernard's Waltz" and "Now is the Hour." Lively polkas were on the program also, as well as the new popular song, "A Little Bit of Tears." Several girls and boys proved their agility by dancing "The Twist."

Mrs. David Martin was in charge of the refreshment hour when tea and coffee for the adults, ginger ale for the children and cookies for all were served at the concluding portion of a very exhilarating evening.

Two very acceptable duets were sung by two young ladies who possess fine voices at the church service on Sunday afternoon, March 4th. These young ladies, Misses J. Bristow and
