SPRING TRA LA! TRA LA!

THE CALENDAR at least has rung out the new! It's spring. It's spring! Now if somebody would just let the weatherman in on the glad news we can all forget our flu germs, put away the snow shovels and start getting the tan our wealthy neighbours received in Florida a month ago!

START SPRING WITH A BURT-IN INCOME!
STURDY 15 SUITE APARTMENT INCLUDES 5 ROOMED OWNER'S APARTMENT!

THIRD OF THE daily grind! Like income with little or no work! Got a small nest egg you could invest to get a big permanent nest egg? Well, come in and talk this unusual opportunity over with Charles Dykstra — all discussions are confidential and it is certain to be the smartest move you've made for years. Out of town owner is tired of trying to run a 15-suite apartment from a distance and is willing to sell this business at cost with any reasonable down payment accepted. Balance will be on one first mortgage on terms to suit you. You could still work if you wish because the small chores involved in running the apartment could be done in your spare time. You would then have excellent living accommodation, an investment that would provide a steady income plus any outside income you would get from your usual job. Phone Charles Dykstra NOW . . . this is the chance we think you should not miss!
