LIKE FATHER LIKE SON

Confers Guards Sash, the Irish Setter from the kennel of Sid and Bev Rivett, Stewarttown, which won both the Canadian and American Championship, must be the champion papa in the district these days.

Guard's 10 months old son Kelnes Red Rouge, made his show debut at the Sportsman Dog Show and cleaned up just about everything available.

On top of that, Guard's brother, Lance, was named the top Irish Setter on the continent for 1961. And if that isn't enough to make an Irish Setter blush, Guard's mother, Confers Ace, has just been named the best producer of champions in the Dominion of Canada.

Kelnes Red Rouge, took First Senior Pup, Winners Dog, Best of Puppies, Best Canadian Bred, Best Canadian Bred in Breed, and Best Opposite Sex. To take the Winners Dog award, the pup beat out two American Champions.

Don't tell Guard but Mrs. Zavitz of Georgetown Animal Clinic said Kelnes Red Rouge is a better dog than his father was at that age.

LEGION NOTES by Andy A. St. Laurent

CONGRATULATIONS TO OUR BOYS for their fine showing in last Saturday's dart tournament. It is unfortunate that some of our teams never got past the first round, (including yours truly.) Geo. Finlay and Art Hill went down individually in the singles, Bud Hill and Bob Nicholson got far as the semi-finals in the doubles but again Branch 120 was beaten. The team to watch that day was the team captained by Roy Rudiger, accompanied by Tom mates Dave Cartwright, Harry Bottoms, Denis Cartwright and Archie Pollock.

They went through all obstacles and came on to win the championship. Playing in the finals against Brampton, our southpaw shooter Harry Bottoms sure cooled them off with his tremendous finish of the second game. Harry stood up there with a balance of 105 left on the score board, and he went out making it two straight games and the grand championship for Georgetown.

Once again, boys, congratulations on your fine team efforts and a wonderful win. HE-MAN COLLIER I would like to say a few words about our sports chairman Gob Collier. He must be the inventor of the 30 hour day, because he doesn't see how he can do all he does and not require 30 hours to do it. Aside from being involved with the Legion, he is a member of the Georgetown Webb, Maureen Williams, Ronald Wilson, William Wilson, Robert Wrigglesworth.
