Your Guide to Playoff Hewittisms

Since the NHL playoffs are the main event, the local conversation pieces and there seems to be a lot of talk about them. What living room conversations are going on in the corner and what has the ear of those who are listening to get their info second hand? A few of the things that are being said are:

HEWITTISM: Mahovich checked Mahovich and Kelly picked up the loose puck. Got the thing of it? Here are some more.

HEWITTISM: Chicago try to bring the puck out of their own zone... and Baun covers his check.

HEWITTISM: Baun belted Chico Maki with an elbow as he started away.

HEWITTISM: Balon working in front of the Leaf net... oh, and a great stop by Bowler.

HEWITTISM: Balon shot from 5 feet out and hit the Leaf goal square in the pads.

HEWITTISM: Referee Dalton McArthur is giving Doug Harvey the gate for grabbing Duff as he wheeled in front of the Ranger goal.

HEWITTISM: Ditto. It was obvious.

HEWITTISM: It looks like there may be a penalty to the Leafs. Yes, Brewer is skating over towards the penalty box. The referee is Dalt McArthur, and the linesmen are Neil Armstrong and Ron Wicks.

SPARK PLUGS
With the start of the spring season, many car owners are turning to spark plugs. The amount of preparation is staggering when the hours of work involved are added up. Time to have that check up on your car now to ready it for the hot summer driving. Did you know that you can decrease the wear 20% by raising the pressure a few pounds over the recommended number. Regular greasing and oil changes are pretty clean insurance against parts failure in your car. For the latest up to the minute coverage of all race events, watch this column every week.

RADICALS ROD AND CUSTOM CLUB
The regular meeting place shifts from Dave Rawson's basement to the garage at Lakeside this week. Radicals will finally get to work on the roadster this week and aim to have it on the road in a few months. They have a '31 coupe body and hope to incorporate a '54 Chrysler mill in it.
