LEGION NOTES

MEMBERSHIP DRIVE NIGHT

Friday the 13th is the evening for our membership drive and a large crowd of regular members are expected along with their prospective members. A fine program of entertainment has been set up and we promise you a very enjoyable evening. First on the program will be a film which has been shown at the Legion before and was brought back again by popular demand. This film is entitled "Coup des Alps."

If you haven't seen this very exciting film before you should make it a must. A few words about it.

This is the 1958 Coup des Alps in which it is required to maintain an average speed over a 2,400 mile course, from the coast of southern France to the Alps is the easy part, then through the French Alps into Italy making the first stage of the race a real test of driving skill, 600 miles without a break. The second stage then swings northeast over the roughest passes in the Dolomites, then back into France to finish at Negave.

You are in the driver's seat all the way. (Bring your goggles and helmets). This film will be shown in colour. Also on the entertainment program will be an old friend from Erin, who will do songs and impersonations. His name — Bert Fowler. Bert has visited us before and had all the guests in an uproar for the whole evening.

GLEE CLUB

Les Legionnaires glee club will be making their first public appearance at the smoker under the able direction of Charlie Crimes. All I can say is, Come to the smoker, hear them, and be pleasantly surprised. I was at the practice last Sunday and I'm definitely very impressed with their ability to deliver a song. They have a wonderful program prepared for Friday night, so come and give a listen.

To finish the evening in a proper fashion, lunch will be served to all. Bill Korzack will be acting as chief cook and Bill has promised us a real feed. Don't forget if you want to spend a memorable evening in good company, attend the membership drive smoker. Date, April 13, 1962, time, 8.15 p.m., Place, Legion auditorium.

Results 50-50 Draw: Lucky winner, Helen Norton; Ticket seller, Jim Murphy.

More Grass Fires Week's Total Is 15

If there is one current cinema you can bet local firemen will boycott it's "Splendour In The Grass" ... also "The Grass is Always Greener," and "The Grasslands," because local firemen have had it up to here with grass. Always a seasonal bother grass fires are taking more than their share of attention this spring and set some kind of record yesterday morning when they caused three alarms in an hour and a half, bringing to five the number of grass fires done since last issue.

SUNDAY, 4:45 p.m. — Grass burning towards homes on Chipper Cr. was halted out with shovels before it could do any damage.

SUNDAY, 5:30 p.m. — A wide area was left blackened when fire raced through Hungry Hollow on the 6th Line south of the Delrex Plaza. Firemen beat it out with shovels.

WEDNESDAY, 11:20 a.m. — A field on the property of Ernie Curry, 5th Lane East, was consumed by flames but resulted in no damage.

WEDNESDAY, 11:30 a.m. — Mrs. Stoddard called firemen to the base of Kennedy St. where a fire threatened to spread to the neighbour's properties. It was held in check and doused before the brigade arrived.

WEDNESDAY, 12:30 a.m. — A fire which had enough fuel to burn for hours — a 1957 Ford, driven by Ed Sargent, a wide area behind of Delrex Blvd. before being brought under control by firemen.
