

Richmond Again Heads Baseball Executive

Bill Richmond has been returned as president of the Georgetown Baseball Association which governs all local ball from Intermediates down to the smallest Minor team.

The baseball roogus met Monday for the annual election and returned all of last year's executive. Bill Smith was named vice president, and Norm Macklem, secretary treasurer.

League Meet

Dear White, Bill Fisher and Tracey Harrager represented the Intermediate club at the meeting. Bill Smith, Norm Macklem and Roy Ballentine represented Minor Ball and Bill Richmond represented the Mid-Juniors.

The possibility of a Junior baseball team in town this year was squelched when the organized response couldn't be met. However, the door was left open for another try next season. Jim Timlock has been the major drum beater for a Junior team.

Not definite

Nothing is definite but there has been speculation that Georgetown will have a Bantam entry in the Halton County ball setup. It would come out of the Minor Ball organization.

The town will be working on the new Intermediate diamond again shortly, but chances are the Intermediates won't hold an official practice until the end of the month.

Cadet Inspection Planned in May

The annual inspection of the Georgetown High School Cadet Corps will be made the last Wednesday in May this year.

Membership in the Cadets is voluntary this year which should cut sharply into the number parading in the park, and at the moment it is still indefinite whether the girl cadets will take part in the annual ceremony.

An officer from Central Command, Oakville, will review the corps which has been practising at the high school and in the armoury.

Midget Baseballers First to Practice

Georgetown Midgets' Ball Team got the jump over all other local squads and held their first practice in the park Sunday under the supervision of manager and coach Bill Richmond and Tracey Harrager.

A dozen ball players ignored the unseasonable temperature and turned up to work some of the kinks out with a warm-up session, which got under way at 1:30. They trained for about an hour lobbing fly balls and finishing up with a popper game.

"They'll be at it again next Sunday barring bad weather."
