### OL' FISHING HOLE GETTING TROUT TRANSFUSION

FIVE HUNDRED trout will be dumped into the Credit River below the lower papermill dam this month in a restocking project by the Georgetown Anglers and Hunters in conjunction with a Dept. of Lands and Forests program. The fish, all speckles, will be fed into a five mile stretch of the Credit beginning at the popular fishing spot at the dam.

## Hospital "Open House" Planned On A Saturday

Because a hospital has for its primary function the treatment of illness and disease it cannot take time on a day to day basis to satisfy the normal curiosity of the persons in its community as to just what it is doing. Neither can it encourage visiting by persons who are interested in the manner in which the community investment of large sums of money are being used. The persons who support the hospital are certainly entitled to know what is going on, to see for themselves that those entrusted with the running of the hospital are worthy of their trust and that in fact the building is being maintained and used in the manner for which it was intended.

This sort of interest, if encouraged on a casual basis, would very soon mean that the patients would suffer from neglect while hospital staffs conducted tours and explained equipment and procedures. While this would satisfy justified interest and curiosity it would not be conducive to good hospital operation. To overcome this problem, hospitals all over the continent, through their provincial, state and national hospital associations decided some years ago to create a National Hospital Week every year. During this week every effort would be made to set up a program which would enable every interested member of every community to visit his or her local hospital and ask any question which might be bothersome, see all possible areas in use and all in all to gain the knowledge and interest so vital to the hospital's welfare.

**Citizens Bull**  
This year National Hospital Week is from 6th to 12th of May. You will be reminded of this everywhere you go during this week. Radio stations, TV stations, local papers and all other advertising media will be carrying the hospital story. The general theme for 1962 is "The House of the Citizens Bull" as a direct reminder that the community built the hospital and the community owns the hospital.

In our own case the main event will be on Saturday, May 12 when open house will be held. Will you please accept this as an open invitation to come to the hospital on that day between 2 and 4 p.m. and tour the building, ask any question you wish, meet the senior staff and the members of the board of directors whom you have elected to represent you. You will find the welcome mat in place and everyone most anxious to discuss the hospital with you. The visit will terminate with refreshments served on the grounds if weather permits, in the cafeteria if necessary.

Remember the date . . . Saturday, May 12th

The following are some basic statistics which indicate that your hospital has been keeping busy with its function in the community. For the period ending March 31st, 1962:

Admissions	Mar. mont.	3
Adults and children	187	400
Newborns	37	88
Percentage of Occupancy (on 67 beds - 16 bassinets)		
Adults, children	83%	82%
New-born	87%	43%

## LEGION NOTES

by Andy A. St. Laurent

**THE LEGION VICTIM OF SUCCESS?**  
I believe there was a real snow on Broadway last night. It was a snow of success. The Legion of the British Empire Service League, the oldest and largest of our veterans organizations was held in a grand banquet at the Hotel Hamilton last night. The banquet was a real success. The Legion of the British Empire Service League, the oldest and largest of our veterans organizations was held in a grand banquet at the Hotel Hamilton last night. The banquet was a real success.

**Life Membership Honours Service**  
Mrs. S. T. Faran opened her home for the April meeting of Unit B of St. John's United Church Women on Tuesday last week. The leader, Mrs. A. M. Nielsen, presided and the Easter Worship Service was given by Mrs. E. MacArthur. Mrs. W. Brownson gave a report on a Presbyterial Executive meeting she had attended in Okaville. Roll call was answered by a favorite hymn, "Keep Right" was the subject of the chapter from the study book "Signals for the Sixties" and Mrs. Kirkwood presented this study in a very interesting way.

**TURBULENT BEGINNING**  
Many of you reading this column recall only too vividly those turbulent years following World War I. Labor unrest was followed by bitter agitation at meetings of numerous veterans groups. Unsatifactory conditions, and pension reductions, grievances over discharge and civil service preference and a host of local issues kept the past burning. These things were compounded because they touched off a wave of misunderstanding and organized labour, a breach which was not completely healed for years to come.

**Ford Building Eight Buses**  
A Department of Defence production contract for the building of eight buses has been awarded to the Ford Motor Company of Canada. Alexander "Sandy" Best, M.P. (Halton), announced yesterday that the bus contract, set at \$1,014,000, was awarded to the Oakville industry on April 18th. The contract is the second award to Ford in the past week.

Isn't it peculiar that middle age always starts a few years earlier for the other fellow?  
Out of this chaos came the remarkable feat of walking "26-tuch groups" into the Can-

### BALLINAFAD

## Cracked Elbow When Knocked From Bike

Miss Lammman, the Home Economist, visited our 4-H club on Thursday, April 26th, which was held at the home of Carolyn McEnery. The roll call was "one characteristic of a good tea biscuit." After business the girls discussed the rule for vitamin D and plans were made for the club supper. The group work was judging tea biscuits brought from home. A delicious lunch of cake and ice cream was served by Mrs. McEnery.

Mr. Beaton accompanied by Bill Smith who is convalescing from his operation went to Sarina on Sunday afternoon where Mr. Beaton is to attend his home Presbytery on Monday.

Mrs. Robert Baker, recently returned from living in Calgary visited with her sister, Mrs. J. Black and family last week.

Miss Jean Lawr spent the weekend at her home here.

Mrs. Beaton and the children visited last week at her home in Hordberg and while she was away the women of the church spent three days decorating at the manse. This week they are having a big housecleaning at the church in preparation for the anniversary services next Sunday. Announcement of these special services elsewhere in this issue.

### Only Minor Injuries

## Tourney's Good Record

Only fifty-five minor injuries came out of the week long International Hantam Tournament according to a report from the St. John Ambulance unit which stood by throughout all 70 games.

The following is a list of statistics released by the unit:  
Reported for treatment 55  
Sent to Hospital 7  
Brigade personnel hours on duty 137  
Adult Volunteer hours on duty 38.50  
2nd Gdu. Guides hours on duty 143.50

The St. John personnel told The Herald that they were very grateful for the assistance by Mrs. Ian Presgrave and Girl Guides of the 2nd "Georgetown" Company, and to Mrs. Boyd Garland for organizing the graduates of the Red Cross training classes who took turns on duty. They were:

Mrs. Boyd Garland, Mrs. Ian Presgrave, Mrs. A. Turner, Mrs. Don Hancock, and Joan McDonald, Mrs. G. Atkinson, Mrs. N. Wilson, Mrs. L. Heed, Roy Smith, Bill Wallace, and Mrs. N. Martin, R.N.

### OLEN WILLIAMS

## Glen Girls Win Davenport Festival

Next Sunday, May 6th, the congregation of the United Church will be celebrating the 125th anniversary at 10 a.m. Special speaker for the occasion will be Rev. E. Leard of Brampton. Both he and his wife are ministers and spent about ten years in India as missionaries. Home now for about four years Rev. Leard is employed at the Berkley Studios in Toronto. Here they produce the films for the church. Mrs. Leard is minister of three churches east of Brampton. He is a dynamic speaker and well worth listening to. The choir has prepared special music under the direction of Mrs. J. Hunter.

Congratulations to Nancy Hunter, pupil of Ken Harrison, who did so well at the Davenport St. United Church Sacred Music Festival in Toronto last week. She received the silver medal for the contralto solo, and Jane Houskill got third prize for Soprano solo under 16. A trio composed of Nancy, Joanne Healy, Milton and Barbara Evans of Georgetown received first with a mark of 88. Nancy and Joanne sang duets for the class under 21, under 18, under 16 and received gold medals for all. The girls sang at St. John's service last Sunday morning.

Last Monday morning while working in a field near the mountain on the 10th line, Bill Wheeler was quite surprised to say the least, when he saw 5 men come out of the bush. As they approached him on the tractor he saw they had packs on their backs. They were some of the group who were hiking from Niagara Falls north along the escarpment on the Bruce trail. This is a nature trail something new in Ontario but they are quite common in England where people seem to enjoy walking.

Mrs. A. Neutel was certainly fortunate in winning the new bedroom suite in a lucky draw at the recent grand opening of Georgetown Discount Furniture.

A number of our boys had a busy Easter week at the Hockey Tournament in town and probably the mothers were just as busy especially if they billeted some of the visiting boys. It was really exciting on Saturday when the scores were so close.

### Witnesses To Guelph Assembly

The Georgetown congregation of Jehovah's Witnesses were today notified by the presiding minister, Mel Taylor that all regular meetings will be cancelled this week. The local congregation has accepted an invitation to participate in a semi-annual Christian Assembly. Sixteen neighbouring congregations of 800 active ministers will be in attendance.

This gathering will be held May 4, 5, 6th at the Guelph Collegiate Vocational Institute, Palsley St. Guelph. Mr. Taylor of Georgetown congregation will be director of the Checkroom department, one of twenty such which simplify details of such gatherings. A full three day program of instructive demonstrations, lectures and bible readings has been planned for the edification of the delegates.

The climax of the program is the stirring Public Talk "Who Will Rule the World" by T. R. Jones, District Supervisor. Mr. Taylor told the Herald his confident several hundred from the locality of Guelph will take advantage of this free public lecture, Sunday, May 6th, 3:00 p.m. to hear a biblical answer to this disturbing world problem.
