Fobert Vies for Hawaiian Vacation

HAROLD FOBERT

A Georgetown Bowler, Harold Fobert, is in the running for a free vacation in Hawaii or the Caribbean through a contest sponsored by Players.

The Players Bowling Festival sponsors playdowns to find the top 60 bowlers in eastern Canada and the top 25 in the west, and Harold had completed all local competition to earn the right to compete in the final in Toronto or Hamilton on May 26th.

Best Average

The contest is open to any league bowler in any alley and works this way. A competition is first held among the leagues then the members of the top 60 compete against each other on a "pins over average" basis. In other words a bowler tries to beat his average score by as much as possible in a three game set.

Bowls for Builders

In winning the local contest Harold rolled games of 148, 370 and 340 for a three game total of 778 and an average score of 259. His average in February was 148. Second was Mrs. Hazel Dumper who put together games of 184, 255 and 134 for a 573 total and a 191 average score. Her average in February was 124. Harold Fobert bowls in the North Halton Builders league at Georgetown Bowl and Mrs. Dumper in the Married Couples league at the same lanes.

All 75 winners in the final round will get their choice of trips to the south Pacific or Caribbean.

Spitzer-Dwyer Duo Opening Day Champs

Elleanor Spitzer and Bill Dwyer carded the low gross score in the opening mixed 3-ball at the North Halton Golf and Country Club Saturday.

Marg Finlay and Doug Lamer turned in the low net score and other winners were Betty Chamberlain and Harry Sanderson, 2nd low gross; Ruth Wallace and Reg. Broadhead, 2nd low net; Kay Dwyer and Stu Young, 3rd low gross; Mary Hardie and Bruce Walker, 3rd low net. Prizes for hidden scores went to Mara Panabaker and Jean Walker.

A buffet dinner and dance followed the competition.

GRADUATE OF "WESTERN"

Ken Darling, who is a brother-in-law of Mrs. Thomas Rush, Charles St. was successful in his final year at the University of Western Ontario and will receive his B.A. degree.

He will continue his studies for a chartered accountancy with the Toronto firm of Clarkson, Gordon.

Oakville Oaks Seek Ex-Bruin Henderson

Although baseball is in season for this one too. He simply said that he plans to go after the summer, coach Bill Ford is already making plans for the rugged Ed Calhoun. With next season's season for his Bruce Brown, Russ Bailey, Jim Oakville Oaks.

Ford said that he feels the club will go all the way next year with a few additions. His immediate plans are to go out and sign as many local players as possible. After this task is completed he intends to "pack the team" with six waivers.

The number one problem, according to Ford, is the lack of steady goaltending. Although John Miller has been the top man in the league it has only been during regular season play. In the playoffs he folds up tighter than an ac-cordian, and will more than likely not be returning, as his bad back just won't take the strain and punishment.

So, who could Ford come up with who would be able to carry the load in regular and playoff action?

Seek Long John

Well, hold onto your hat, cause here goes. Ford reports he will attempt to ink Long John Henderson to a playing card. John lives in Toronto and is a close friend of Bill's. Ford feels there won't be any problem in talking the talented Henderson into signing with the Oaks.

John has seen service with the Boston Bruins and two years ago was the regular net-minder for Kingston Frontenacs. He indeed would be more than an adequate performance even if he stayed out of the big pads last year.

Now, the second problem is defence. Ford had an answer.

MOTOR SPORT

North Halton Kart Klub — Motor Cycle Police who directed Sunday's feature race was rained out, so there were two features on Sunday, May 20th. Ed Millman and Al Inglis seem to be the two hottest candidates for the Modified championship this year. Meetings are now being held at the track on Monday nights and new members are urgently needed. Any interested persons are most welcome to attend.

Radicals Red and Customs Club — We have scrapped the plans for the dragster and are now focussing our full attention on our '31 Chevy coupe. As soon as the adapter for our Chryco mill gets in we'll be able to make a lot more progress. Membership was down to six for a while around Christmas but now it is up to ten and still expanding. The basic requirement is a driver's license.

Yellow Jackets Motorcycle Club — An estimated-80 riders turned up for the church parade on Sunday making it one of the best in recent years. A small shower slowed down the field day for awhile but most of the crowd stayed to enjoy the events. Top man for the day and winner of the premier award trophy, was Jerry Van der Eyken of Toronto. The club extends its thanks to the Georgetown Police who led the parade and to the Ontario Provincial

Spark Plugs — Top qualifying time at Indianapolis so far is 150 miles per hour. Dan Gurney has qualified a Buick engine special for the 500 classic. Exhibition stock cars will probably race Sunday evenings this summer.

BEMO trophy races at Mosport this Saturday will provide the first outing for many new, fast, modified sports cars. With hot summer weather here, now is the time to have your cooling system checked.

He listed Halton County Rural Softball League and a house league at Vartan Associates as a couple of interests which have attracted many regular Industrial Leaguers. Prime playing nights at the park have been spoken for by the Intermediate Hall Club, the local midgets to make reorganization even more improbable.

CADET INSPECTION

Thursday, May 31st is the date set for the annual high school cadet inspection in the park. The evening will feature demonstrations of weapons training as well as the colourful March past and inspection.
