### To OTTAWA

With Sandy Best

The greatest obstacle to good government is the apathy of so many voters at election time — voters who are satisfied with things as they find them.

So if you are reasonably satisfied with the way the government has been doing its job, if you agree with Conservative aims for a greater and a prosperous, expanding measure of social justice and economy, be sure to vote on Monday, June 18, Vote Conservative and keep things the way.

Of course the Liberals can say they can do better, despite their record over 22 years which certainly warrants no such confidence, remember the hungry 30's? The Liberals now say the depression ended in 1935 and perhaps it did for a favoured few. For most people though, the depression ended only when the demands of war took up the slack in mass unemployment that had grown chronic.

their advisors demanded many times in the House of Commons during the last session. This unseemly about face is but a desperate effort to confuse and panic voters, whom they apparently despair of attracting by logic.

The real issue of this election is the record of the Liberal government and the degree of confidence the public can place in its readiness and ability to carry out its 16-point program for greater prosperity. This government kept its promises of 1957 and of 1958. There is no reason to doubt it will keep these new ones.

### BALLINAFAD

### Community Party for Bride, Bride-to-Be

A community party was held at Stanley Park, Erin, on Friday night, in honour of Mr. and Mrs. Lee Longstreet, a recent bride and groom and also Miss Inadell Fair and Mr. Norman Longstreet, who are being married the latter part of this month. Each couple received identical gifts: floor lamp, table lamps and an electric coffee pot. Mrs. Frank Smith read the presentation address on behalf of friends and neighbours, and the evening was enjoyed with dancing.

Mr. Philip Colwell of Jarvis visited on the week-end with Allan Jamieson.

Mrs. F. W. Shortill is visiting with her sister in Toronto for a few days.

### Books as Prizes For School Children

Flowers were a timely spring time motif for the June meeting of the Limehouse Women's Institute held in the Memorial Hall last Thursday.

"Would God I were the tender apple blossom" was the opening song, and roll call was answered by making and wearing a flower or vegetable corsage. The results were creations were original and amusing.

Plans To Shut-In

Mrs. Roughley presided over the meeting. After the minutes were read, the group discussed catering for a banquet in the near future. It was decided to send plants to shut-ins this Sunday. One of the members was elected to purchase books to be presented to a boy and girl in each classroom of S.S. No. 9 at the Community Picnic, for attendance and punctuality during the school year.

After the business discussion Mrs. Glsby took over the program as agricultural convener.

Seed of Character

Mrs. A. W. Benton reported on current events and Mrs. J. Noble and Mrs. S. Kirkpatrick spoke about the 81st District Annual held in Boston Church. The motto fitted the flowers theme by advising that "if you plant a seed of character in the home, it will bloom in the community." Mrs. Glsby read a poem entitled "Nature is the art of God."

Guest soloist was Mrs. Dedmar of Brampton, who sang "Piper Tune" and "A Highland Lullaby". She was presented with an appropriate gift — a corsage of miniature carnations and a sugar and cream set in a floral pattern.

After Mrs. Noble moved the meeting adjourned, lunch was served by the hostesses of the month.

Mr. Phillip Colwell of Jarvis visited on the week-end with Allan Jamieson.

Mrs. F. W. Shortill is visiting with her sister in Toronto for a few days.

The theme of the lesson at Sunday School last week was "The Better Things" and the last words of the talk were "that we should never be too busy to think of God." There was no Sunday School on Sunday because of the anniversary service at Melville Church. Quite a few from this church attended. The speaker was Prof. George McMullen of Emmanuel College and was assisted in the service by our minister, Rev. Charles Beaton, B.A., B.D., who just returned on Saturday from Sault Ste. Marie where he was ordained as a minister in the United Church of Canada. The Young People's Union met in the church on Sunday evening when they planned a week-end "retreat" at Camp Ryerson.

Congratulations to the 1st Ballinafad Cub Pack who came third in the competitions at the annual Cubares held this year at Hornby Park, on Saturday afternoon.
