Survey to Determine Public Housing Need

The Ont. Dept. of Economics and Development will commence on June 13th, 1962, their Survey of Need to establish whether or not a Public Housing Program is required in the Corporation of the Town of Georgetown.

The Survey will be conducted by Miss Maya Anyas who will spend the week of June 13 - 15 in the Town of Georgetown interviewing the major employers, the churches, and all social agencies. Miss Anyas will also discuss the housing problems of the area with the service clubs, the Canadian Legion and any organization that may have contact with the housing situation in the Municipality.

Ottawa Pays 75%
It is therefore vital, you require better and more adequate accommodation than you presently occupy; (b) if you have a family income of more than \$350. monthly or \$4,200. per annum; (c) if you have one or more children that you obtain a questionnaire from the Clerk-Treasurer at the Municipal Office, fill it in and return it to him within a period of two weeks from the beginning of the survey. It is only from the questionnaires that the Department can estimate whether or not there is bona fide need for public housing accommodation in your municipality.

The program has been discussed with your Council, and the basis of financing for the capital cost of the project is borne 75% by the Federal Government, 17% by the Provincial Government and 7% by the municipality. The municipality will receive full municipal taxes from the Units and the project will be administered by the Local Housing Authority.

Basid On Income
The rentals are based on a geared-to-income schedule,

We urge you to co-operate with Miss Anyas during her survey and to provide us with the necessary questionnaires, if you have a genuine need whereby the tenant pays approximately 20% of family income, which would be, for example \$50. a month on an income of \$250. irrespective of the size of the unit the family requires.

The department is also concerned about housing for senior citizens and invites questionnaires from citizens sixty and over with a gross income less than \$4300. per year.

GLEN WILLIAMS
Eight Candidates In Anglican Confirmation

Sunday morning the Right Reverend Bishop C. H. H. Wilkinson officiated in the confirmation in St. Alban's church. It was held for the parish of Glen Williams and Norval. The church was filled with parents and friends to witness the laying on of hands. Those of the Glen were Susan and Brian

Preston, Pamela Earl, David Reynolds, Lawrence Kirby, Lee Townsend, Jill Kremshard, Nancy Korzack. A reception was held following the service in the parish hall to meet the Bishop. A presentation was also held for Mr. and Mrs. Desmond Earl and family who will be leaving soon to make their home in Niagara-on-the-Lake. Rev. Stubley made the presentation of a bible and prayer book. Mr. Earl replied fittingly. The village will be sorry to see the Earl family leave. They have taken part in community and church life since coming here to live a few years ago.

Mrs. Victor Starratt and family have flown from Edmonton, Alberta, recently to be with her mother at the time of the death of her father, Mr. W. Brown of Malton.

A number on Sunday attended the Norval United anniversary service at which Rev. Ian Fleming of Georgetown was speaker.

The annual bus trip of the ladies took place Monday to Peterborough and there will be more about it later.

At the Loblaw picnic last Saturday at Stanley Park, Erin, Bill Everson was lucky. He won a pair of tailor-made slacks in the bean guessing contest. Bill, Myrtle and Carolyn enjoyed the annual affair of Loblaw's in Toronto where Bill has been a truck driver for close to twenty-five years.

Here's a Red Cross water safety tip for water skiers. Give swimmers and boats a wide berth. Keep well clear for safety. When stopping or falling on of hands. Those of sid-down fall on the back of the skis.

CARL ROULEAU the New Democratic Party candidate in Halton riding was downtown Friday night selling the party ticket to shoppers, but he wasn't alone. Plugging tickets across the street were western garbed Lions promoting their Rodeo. The Lions big day is June 16th. The federal election is June 18. Both should be wild and woolly.
