

Villagers Rap Locals 13-1 in Ball Game

Curve baller Glen Gibbs was charged with the loss and fire ball artist Jack Roberts was credited with the win as Campbellville Merchants bombed Georgetown Intermediate 13-1 in a Halton County Intermediate Baseball league fixture in Campbellville Saturday.

Gibbs went 4 and 2/3 innings before manager Lynn McLaren lifted him for Paul Dore. Gibbs gave up 8 hits and Dore 7 to-murderer's row but Georgetown fielding, assisted by the Campbellville cause. Attempting to glove Campbellville raps Georgetown fielders committed 9 boos while the villagers handled Georgetown with just 1 miscue. Gibbs and Dore allowed 7 Merchants to reach first on walks while Jack Roberts gave only one man a free trip.

Trouble In 5th

Dore came into a tough situation and didn't come out of it unscathed. With runners on first and second and two out, Dore loaded the bases by hitting the batter, Phillips. A run scored and the next batter, Dredge, reached first safely on an error and Joyce tripled to clean the bases. He finally got Wingrove to ground out to third to get out of the inning. Campbellville scored their other runs in small bunches, collecting 1 in the 2nd, 2 in the 3rd, 1 in the 4th, 3 in the 5th and 3 in the 6th.

Only Run

Georgetown's only run came in the 4th when Paul Legge scored as Doug Richardson hit into a fielder's choice. In earned runs Georgetown trailed Campbellville 1 to 7. Moore and Joyce both slugged triples for the winners and Wingrove of the winners and Ritchie and Legge of the locals, collected doubles. Both sides registered four strikeouts. Best man at

MINOR HOCKEY

The executive of the Legion Minor Hockey and the executive of the Hockey Support Group recently held a meeting to set up a definite set of rules for the moving of players up and down from Saturday morning hockey. The rules will be finalized when the two groups meet again in September.

The Legion Hockey executive will be holding a meeting within the next week to discuss the rules and plans for the coming season.

The executive is sorry to hear that the Rev. W. Madden of the 5th Line United Church who has coached one of the teams in the Jr. 'A' League for the past two seasons is leaving us. His son, Ted, played this past season for the 'Bee' team. The Minor Hockey executive wish them success in their future community.

Minor Hockey is sorry to hear of the death of William Breen, father of Richard (Heaver) Braisby, goalkeeper for the Midget team.

Herb Arnold, who has been around Minor Hockey for a good number of years, is progressing favourably in Toronto General Hospital after a car accident a few weeks ago. Once again Herb is taking a turn on the Legion Hockey executive after referring and coaching the past few seasons. He should be up and around again come hockey time.

A manager and coach is needed for the 'Novice' team in the Support Group. The stipend is that the executive selects the manager and the manager must state on his application what his coach will be. All applications are to be mailed to the secretary, Herb Robinson, 27 Arletta St. not later than June 18th, 1962.

CURRIE CUTS CART CAPERS

MORE AND MORE people are becoming victims of the karting bug, and since Georgetown has its own club (North Halton) devoted to furthering of the sport, it's here that the pleasant disease is most evident. Herald reporter Anne Currie donned helmet and went after the carting thrill in one of the mighty mixes to discover the fascination that is contagious. Next week - the results.

READY WITH "SWEET DADDY"

LOCAL WRESTLING promoter, Sam Yanaky, is ready to put weeks, Sweet Daddy Siki, in front of the Georgetown grunt in a groin fests as soon as he can find premises in which to stage a wrestling card. The Corner Cupboard Restaurant proprietor said he is anxious to get another season of wrestling under way here and aims to bring some of the top grapplers in the business to town this year. Here he looks over his collection of pictures of pro wrestlers who were brought in last season.

Jury Finds Heslop Tried to Bribe Mayor

(Continued from Front Page)

Judge Elliott ruled the tapes admissible evidence, the first such used in Halton. Transcripts of the conversation were also made available to the jury. Divers views of the Hyde-Heslop talks were presented by the witnesses.

Mr. Hyde claimed offers of "something in it for me" if he could persuade council to release a number of building lots frozen by an unfulfilled 1954 agreement calling for a 60% industrial-commercial ratio in the town.

Heckler Livens Visit Of Hon. Earl Rowe

Sandy Best, Conservative Candidate for Halton and the Hon. Earl Rowe, (on a visit to Georgetown on Sandy's behalf) received some heckling from a booming-voiced Georgetown N.D.P. supporter, at a well attended meeting at the North-Halton Golf Club on Monday.

In a brief, pointed speech, Sandy Best outlined the Conservative plans for the future. Wading into the controversial issue of the devaluation of the dollar, he said that the desperation pitch squawking of the Liberals on this issue failed to make sense. And that the lowering of the dollar had been advocated by the Liberals for some time. He went on to point out some of its effects on the economy.

Towed To Door

The Hon. Earl Rowe, seasoned and able veteran of the House of Commons for Dufferin-Simcoe since 1925, gave a lively speech which the noisy N.D.P. heckler interrupted continuously. Spurred on by the lively reaction from the

Strikes At Rest

Addressing the jury, the crown attorney termed bribery attempts of public officials a

serious matter which strikes at the root of our government. Mr. Martin told the jury that there was quite obvious had feeling between the two, that no bribery offer had been made in the Sept. 28th conversation and that the Hyde booth had "all the earmarks of a frame-up".

It was almost six hours after retiring at 4:00 p.m. Friday before the jury, comprising eleven men and one lady returned its decision.

You Meant Town

Mr. Heslop on the stand denied any offer of a bribe or reward and claimed all references to "you" in the conversation referred to the town and not to the mayor personally. And he said that any gain which Mr. Hyde might have made would be in the normal course of business, the same as any other town resident might gain from town expansion.

Several witnesses were called by the crown, mostly to give routine evidence. These included Miss B. Vickers, Ontario Municipal Board secretary, regarding documents on town by-laws; John D. Kelly, and C. G. Busham, former and present clerk-treasurer; assessment commissioner Joseph Gibbons; Mrs. Maurice Mellor of the town office staff and Inspector David Adair.
