

GLEN WILLIAMS

Remembrance Service In Glen Cemetery

On Sunday afternoon the Eight Annual Remembrance Service took place in the Glen Cemetery with Rev. R. Duncan conducting the service. Mr. Jim Jones was Master of Ceremonies. The old familiar hymns, "Unto the Hills," "Rock of Ages" and "Abide With Me" were sung by all. Psalms 23 was read as well as a scriptural reading. The band played a selection and a moment of silence was in memory of the dead. The talk was by Rev. J. Duncanson. Mrs. Don Hancock was soloist. After the sounding of the Last Post and Reveille the Benediction was pronounced, followed by "God Save the Queen." And so another quiet Remembrance Service came to a close under the spreading oak tree overlooking the beautiful Glen.

Last Sunday in Union Church Richard Douglas, son of Mr. and Mrs. Douglas Starret was christened by Rev. R. Duncan.

Mr. and Mrs. Rev. Moody attended the funeral of the late Mr. and Mrs. Reg Higham on Friday in Galt. Being interested in the Minor Hockey, Mr. Higham was well known by those who had young boys in the league.

Miss Carol Barth is vacationing with Miss Catherine McConnon of Toronto at their cottage on Lake Kawhagawog in the Haliburtons.

The two little boys who were in the car in which Anne Simpson, a young Georgetown girl was killed on the 6th line are sons of Mr. and Mrs. Orval Wray and live on the Starret Leslie farm up the 9th line. They were rushed to the Sick Children's Hospital, Kenney, aged six and five and is now home, but Clifford, aged seven is still in critical condition in hospital. We wish him a speedy recovery.

Mr. and Mrs. W. Collier visited with her grandmother, Mrs. H. Sanderson in Toronto on Sunday. She has been having a little ear trouble, so we wish her a speedy recovery. She is a frequent visitor in the Glen and to the United Church when she visits with her daughter, Mrs. N. Felker.

Mr. and Mrs. G. Cooper spent the week-end with Mr. and Mrs. G. Bentley at their cottage near Meaford.

It was nice to see Mrs. J. Murdoch (formerly Kate Hill) in the village over the week-end and at church on Sunday morning and also another Glen old timer, Mr. Reuben Richard the son of his mother farmed where Mr. and Mrs. J. Wagstaffe now live.

To the month of July, the United Church will be closed while Rev. L. Freer is on holiday. All members are to worship with the Union Presbyterian congregation.

Did you vote Monday? I hope so.

Dr. John Power New Dentist

A fourth dentist started practice in town last week when Dr. John J. Power opened an office on Main Street. He will practice in the office above Halmes' Sc to \$1.00 Stars, vacated when Dr. E. Wachtel moved to Guelph several months ago.

Dr. Power came from St. Mary's Newfoundland. Since graduating from dental college at Dalhousie University in 1961, he has been practicing in the "Deer Lake area of Newfoundland, working for the provincial government in this isolated section of the province.

Son of Mr. and Mrs. Michael Power, he spent four years at All Hallows' College in Dublin, Ireland before enrolling in Memorial University in St. John's, Nfld., then completed his education at Dalhousie.

FOUR FOR THE SHOE

THE SONG is Ended, But the Melody Lingers On Dept - The horses have left Georgetown Park far behind but the shoes are still flying - every Tuesday night in fact, as the members of the Georgetown Horshoe Club go for ringer after ringer in the early part of their summer games schedule. This pitching foursome includes (l. to r.) Carman Copland, Dave Stamp, Lloyd Keir and Sam Gaby.

Mill Rate Increase 1.1 Chinguacousy Township

Chinguacousy's residential and school rates. The total of 1.1 50 mills applies only to those within the township's consolidated school area. Clerk-Treasurer Geo. Breckenridge said this would apply to 90 per cent of the township. Breakdown of the industrial and farm and commercial rate shows the 1.1 50 mills for residential and 30.78 for commercial. Last year's rate was 48.9 mills for residential and 51.1 mills for industrial-commercial. Breakdown of the mill rate shows for residential - farm, the industrial - commercial 11.448 mills for general purpose because the increased 12.4 mills for high provincial school grants only; 7.48 mills for the county and 18.252 mills for pub-group.

STEWARTTOWN

Esquering Institute Has History Booklet

The year I first joined the Women's Institute was the roll attend a special Church Service answered by the members vice in St John's Church at of Esquering W.I. when they Stewarttown on Sunday evening at the home of Mrs. J. C. Murray last Thursday night for their regular June meeting. Mrs. W. R. Lawson thanked Mrs. Murray for her hospitality in opening her home to the usual manner, with the Institute ladies and for the lunch, at the Ode and Mary Stewart Collect. The bible reading was which Mrs. H. P. Lawson and the 54th Psalm. MISS Beatrice Standish assisted. Several items of business were discussed but the main topic was the coming 50th Anniversary Banquet on Saturday evening. The history booklet has been completed and it was decided that these would be sold at 25c a copy. The actual Anniversary date is June 24th and for this rea-

Oakville Flouride Coming Next Fall

Oakville residents will probably have fluoride added to their water supply next fall following an announcement by Russell L. Barlow, PUC manager, that tenders had been called to build the extension at the pumping station with work to be completed by October.

Last December, townspeople voted overwhelmingly in favour of fluoridation at the time of amalgamation, however an extension to the water treatment plant was being planned and it was decided to install fluoridation equipment at the same time.

The extension will include storage space for chemicals used in filtering the water as well as in fluoridation. These can be bought cheaper in large quantities so that extra storage will be needed.

Weed Control News

By V. E. McArthur
Halton Weed Inspector

PROGRESS ON ROADSIDE CONTROL

There are several GOOD REASONS for controlling weeds on roadsides. For example, they are VERY UNSIGHTLY; their seeds spread to adjacent properties, they create a SAFE TY HAZARD and sometimes weeds are INJURIOUS TO HEALTH. Roadside weed control is NOT NEW but methods have changed considerably in the last twenty-five years.

Prior to the 1930's and 40's RESIDENTS WERE CONCERNED with this work more than MUNICIPALITIES (the farmer in those days cared for the roadside along his property the same as his fields). Weeds were cut either by horse mower or the scythe and PASSERSBY JUDGED the farmer as much by the CONDITION of his ROADSIDE as his own land MECHANIZATION in the RURAL AREAS seemed to be on the increase in the 30's, but instead of the farmer having MORE TIME for extras, the opposite proved to be the case. As a result the MUNICIPAL CORPORATIONS gradually had to TAKE UP THE JOB of roadside weed control. Of course, until chemicals became practical in the 1940's it was a COMMON SIGHT to see gangs of workmen going up and down the roadsides cutting weeds with scythes. In a heavily infested area a HALF DOZEN MEN were lucky to make a mile a day.

TREMENDOUS PROGRESS has been made in the methods of killing weeds since 1930. Last year in 1961, there was a total of 821 MILES SPRAYED and 745 miles mown by the various municipalities in HALTON COUNTY. I might also add that although there is still room for some improvement the condition of roadside weed control in Halton is said to be ABOVE AVERAGE. Chemical control has its drawbacks however, and is not safe in certain high-risk areas where there is danger of CROP DAMAGE. In these cases the sprayer is turned OFF and the only solution is hand or MACHINE CUTTING. The municipality is obligated to look after these weeds but does not always find time to do so. If you check you will find that there are still property owners with the PIONEER SPIRIT who find time to cut the weeds in front of their properties. These residents who do this are to be congratulated.

NIGHT SCHOOL STUDENTS SURPRISE MISS F. LUKE

Former night school student surprised Miss Florence Luke with a party Saturday night at the home of Mr. and Mrs. U. Sommer on Charles St.

Miss Luke, presently head of the French and German Dept. at Georgetown High School is leaving next fall for a position in Toronto. She was presented with a book.

The party was attended by Mr. and Mrs. Sommer, Mr. and Mrs. E. Altenmueller, Mr. and Mrs. Roedger, Wolfgang Roedger, Mr. and Mrs. L. Pankenn, and Mrs. M. Hoehne. All born in Germany, they are now Canadian citizens and were taught by Miss Luke in '54 and '55.

Mr. and Mrs. William Edgar and family of Peterborough were Sunday visitors with Mrs. J. C. Murray.

Sympathy of the community is extended to Mr. Dave Barclay and family, whose grandfather, Mr. Charles McMann, passed away on Sunday, June 10th.

She looks in her strength on the landscape around, And the mountains and valleys with gladness resound.

EVERYTHING'S SHIP-SHAPE IN SHOP

MEMBERS OF the High School's shop classes went at their lessons hammer and saw this past term and many of the students turned out items that mom and dad should be proud to include in their household, furnisings. Examples of the shop work is laid here by Donnie Norton, Jim Hancock and Barry Smith.
