TWO STOREY TORTOISE AMBLES TO NEW LOCATION

THE WORKMAN on page one was performing an important job, if not a new one. He was placing the logs under the front end of the sled carrying the two storey frame house of Mr. and Mrs. Ellis to its new location, a hundred yards back from the No. 7 Highway corner at Norval. In its former location the house was almost on top of a new bridge being constructed at the west end of the village and would have been perilously close to the new highway route. The job of moving the frame structure was undertaken and completed Friday by pulling over a track of beams. As the house passed over the wooden rollers they were taken to the front and fed under the front of the huge sled. The system was tried and proven by the Egyptians a few thousand years ago, when they hauled blocks to build the pyramids.

Mid-Week Church Pupils Get Prizes

Last Wednesday the mid-week group of the United Church held their final meeting of the year, with 28 children attending. Prizes were given out. In the senior class, Margott Leuninger and Catherine Macdonald won Bibles for attendance. In Grade 3, Alice Hancock won a prize for the best pupil's book, and Judy Miller for attendance. In Grade 2, Patty Herrington won the attendance prize. In Grade 1, Paul Hancock, Teddy Fendley and Mary Lynn Inglis won attendance prizes. Teachers for this children's group each Wednesday afternoon have been Mrs. H. Inglis, Mrs. M. Thompson, Mrs. L. Freil, Mrs. W. McGowan, Mrs. F. Engleby, Miss S. Norton, Mrs. H. Colpitts, Mrs. J. Hunter, Mrs. P. Wastaff, Mrs. A. Hunsdale, and Rev. L. Freil. Each week the children were treated to hot chocolate as they came from school. Some of the above mentioned looked after this and so helped to make this project a success.

Vacation Bible School in the United Church will be held August 13-14 from 1:45 p.m. for children four years to 12 years. If you could possibly spare a little time to help in this interesting, worthwhile project, it would be greatly appreciated by the Session. Will you mothers please keep this in mind and make plans for it now.

Miss Nancy Hunter spent this past few days at a Young Peoples' Retreat at Humber Glen Camp at Bolton.

Miss Margaret Tweedy of Whitby visited with Carol Barth last week and they attended the Stratford Festival on Friday and saw "The Taming of The Shrew."

Congratulations to Mrs. A. Pearswood who was elected President of the Esquimaux Association of the Federation of Ontario Women Teachers, recently. She is teacher of Grade 3 in our school here.

Seeks Stop Signs On Esquimaux Roads

A fatal accident which took the lives of two local residents last week, caused Cr. Rex Cook to move for action for more stop signs on country roads, particularly in Esquimaux Township, at last week's town council meeting. Cr. Cook said his motion, which council supported, had been in his mind for some time and the fatality had brought it forcibly to mind.

Irate Ratepayer Complains of Tapes

"When I phone the municipal office in my conversation going to be taped — or am I?" I'm surprised there aren't more people here to complain, speak to council!" was the question posed by ratepayer Alex Marshment when he spoke to council Monday. Mr. Marshment termed the taped conversations introduced in the Heslop trial as "a dirty piece of business" and asked if it is council's intention to bring the CIB here to tape conversations.

Mayor Delaney "Not to any of our knowledge," answered Raeve Elliott who was in the mayor's chair, because Mayor Sargent had been delayed in getting to the meeting in time for opening. "You were on council last year. Did you know a conversation was going to be taped?" asked the irate ratepayer. "I knew afterwards," replied

CLUB MIDTOWN

by STEVE

Emeralds — Saturday, June 30 The Emeralds of Toronto will be hosted by Club Midtown on Saturday night at the Arena Room. This is the third time that these Emeralds will have been invited to town and as before we shall hope to find them as good as they were the first time, if not better. At our St. Patrick's Day Party Dance they were found as good as the Emeralds (almost).

In Elvis' latest movie "Follow That Dream" he sings several good songs, including "Follow That Dream" which is not the theme music for the movie, "Angel," "The Merry-Go-Round" and two others. Unfortunately the movie sound track and picture frames were not coordinated during these songs, otherwise the movie was great. It was funny and yet not "sick" — it was improbable plot but not impossible if possible, you should enjoy "Follow That Dream."

Elvis also has a new album entitled "Pel Luck". This album should follow up his previous
