of Holy Communion

Thank You . . .

I would like to thank all those who have worked for the common cause over the past months; all the members of the campaign committee who have devoted almost every waking hour to the party, all the people who have canvassed night after night, all those who scrutineered both inside and outside the polls and above all, those who voted for me. In general it has been a good clean fight and the results clearly indicate that we will win Halton in the next election.
