

Cancer Blitz Campaign Exceeds Quota of \$2500

Mrs. Minna, Chairman of Extension and Maintenance, and Mrs. Henderson, vice-president of District Council, both of District No. 12, the district the Georgetown Branch of the Canadian Cancer Society belongs to, were guests at the meeting held in the work room of the Cancer Society on Thursday evening.

Reg. Broomhead, president of the local branch, chaired the meeting with the topic of the Cancer Campaign Blitz being the chief topic of business. Georgetown went over the top of their quota of \$2500 by collecting \$2575.90 where as Acton was slightly under their \$1500 quota when they collected \$1436.05. Mr. Paul Armstrong, campaign chairman, and Mr. Broomhead praised the captains and canvassers for their splendid effort.

To Smoke or No

The educational committee chairman Douglas Latimer reported that the film "To Smoke or Not to Smoke" had been shown to three schools and it is hoped that more schools and organizations will seek for the various films available which help to educate people about the early dangers of cancer and how they can be cured if looked after in the early stages.

Members were asked to think very carefully about standing for election to the executive for the upcoming election. Positions will be open and it is hoped that members will come forward and offer their services for this most helpful and satisfying work.

POISON IVY

For pure "CLEANNESS" poison ivy has few equals. It is not the "KILLER" that WATER HEMLOCK is and it may not affect as many people as RAGWEED, but it does mostly strike when people are on vacation. It has been responsible for closing vacation camps in MIDSEASON. It has spoiled the holidays of thousands of children and adults and has cost many thousands of DOLLARS in lost time, control measures, ointments, medical and even hospital fees. Some people are SO SENSITIVE to poison ivy that mere contact with the volatile fumes from broken or burning plants may cause infection. Others seem to be PRACTICALLY IMMUNE.

Poison ivy thrives equally well in southern Ontario and in the rocky highlands of the northern vacation areas. It is not difficult to recognize. Think of VIRGINIA CREEPER with its whorls of five leaves; poison ivy has somewhat similar leaves in threes. It is sometimes mistaken "POISON OAK" which

ROYAL INSPECTION FOR LORNE SCOTS

COL. A. SHARPE chats with Her Royal Highness, the Princess Royal, during her inspection of a Lorne Scot honor guard at Mallon. Escorting Princess Mary on the tour was Maj. J. M. Kirkwood (with sword). Others in the line are, left to right, Ptes. John Siderius, C. W. Shone, Cpl. Sharpe, and Cpl. J. Powers. Maj. Kirkwood described the Princess as "a most gracious woman." S. M. Harry Walker was impressed with "her charm and soldierly bearing."

Mark June Birthdays With Party at Manor

By Muriel Thompson

Rev. D. A. Powell conducted the church service on Sunday, June 17th. He based his sermon on the words "the reason of the hope that is in you" from verse 15 of Chapter 3 of the First Epistle of Peter.

Mr. Powell stated that this chapter gives a sad picture of the world at that time. The pagans would ask the Early Christians why they were such a hopeful people. In the sad state of the world on our own day, we Christians must produce hope for the whole world and answers to the world's problems.

Mrs. Ray Waters was the organist.

JUNE PARTY

The sixth birthday party of the year 1962, the party for those who have birthdays in June, was held on Tuesday afternoon, June 19th, and proved to be like all others, a very delightful social event. It was conducted by the Afternoon Branch of the W.A. of Grace Anglican Church in Milton. Mrs. Earl Mongraw who is the president of this Branch was in charge of the party, with Mrs. Jack Hannant as refreshment convener. There were 20 ladies who came. Rev. D. A. Powell, their pastor was also a welcome guest.

The head table, decorated by Mrs. Frieda Dornauer, the head housekeeper, again looked festive and lovely with its white tablecloth, baskets of roses and attractive birthday cake. The birthday cake was decorated with small candles and surrounded by tall candles in silver candlesticks. The candles were all lighted later when refreshments were served.

LOOKED FESTIVE

The guests of honour, those with June birthdays, sat at the head table while the remainder of the residents sat at small tables. These tables too looked festive with white luncheon cloths and bud vases filled with roses.

The program began with greetings to all present and special greetings to those with birthdays in June, extended by Mrs. Mongraw on behalf of her Branch.

A number of enjoyable bingo games were played. In a special game for the father in the audience, in honour of Father's Day, just two days before, Mr. E. King was the winner. In a game for the bachelors, Mr. C. Finigan was the winner. Games for married and unmarried ladies were won by Mrs. J. Hoaro and Miss B. Richardson respectively. The last game, for which only the guests of honour were eligible, was won by Mrs. A. Agnew. Prizes were given to all these winners. Mr. Powell called the bingo numbers.

HAYS WAY OUT

An amusing parody of a regular W.A. meeting was conducted in the form of a skit by Mrs. Mongraw, Mrs. K. Brush, Mrs. J. Sharpe and Miss H. Tremayne. These ladies wore special costumes which included hats that were simply "out of this world."

At refreshment time, the seven head table guests, six residents and Mr. Powell, whose birthday is also in June, were decorated with fancy hats and the "Happy Birthday" song was sung for them. Each guest received a birthday card and a gift of money.

SIX OF EIGHTY

Mrs. A. Agnew cut the birthday cake and delicious refreshments were then served. These were sandwiches, relishes, tart, birthday cake and ice cream.

WITH EXPRESSION

Several solos also proved very enjoyable. Solos were sung by several of the girls were "Thank You, God" by Lynne Hussey, "He Sailed on Me" by Jean Buchanan, "The Garden" by Gail Richardson and "A Child's Prayer" by Kathie Miller. Bonnie Pritchard sang "Green Pastures."

Two restatements were presented with beautiful expression by two girls. They were "The Attitude" by Jill Wilde and "The Fisherman" by Doreen Lamay.

An interesting feature of the evening was the presentation of pins and book marks to those boys and girls who had excellent attendance records in the choir. The many awards that were given proved the loyalty of these boys and girls to their church and to their choir.

WONDERFUL GESTURE

When refreshment time came the children were served with cold drinks and cookies and the adults with tea, coffee and cookies. A special gift of dixie cups and ice cream which had been brought for the children was voluntarily presented by them to the residents. The residents thought this a wonderful gesture of thoughtfulness and generosity. Indeed the whole evening spent in the company of these talented boys and girls proved a very enjoyable one and Mr. Shrubsole can be justly proud of his Junior Choir at Alderswood United Church.

Salaried employees of General Motors of Canada may save up to 10% of their salaries in the GM savings stock purchase program. The company contributes \$1 for each \$2 saved by the employee. Half the salary of the employee's savings is invested in Canada Savings Bonds and half in GM common stock. The company's contribution is invested entirely in GM stock.

Plant floor space of General Motors of Canada in Oshawa totals nearly 150 acres.

BLIND PICNIC

Four residents attended the annual picnic given by the C.N. Boards of Halton and Peel Counties for the Registered Blind of those counties. The four residents were Mrs. R. Tinline, Mrs. L. Player and their escorts Mrs. A. Cumming and Mrs. M. Smythe. The picnic was held on the grounds of Appleby College at Oakville and the ladies were transported there by Mrs. Mae Elliott of Milton. A band concert by a Toronto band and a delicious picnic supper were highlights of the afternoon. Several guessing contests were held and for one of these coming nearest to guessing correctly the number of beans in a jar, Mrs. Tinline won two silver dollars.

RELISH THE GIFT

Recently the residents received the gift of a one-gallon jar of sweet relish pickle sent to them by Pearl Smith of Rebecca Street in Oakville. They are grateful to the donor for this gift and to the truckdriver who went out of his way to deliver it.

A choir of young children and teen-agers, some 50 or 60 in number, who travelled a considerable distance to come to the Manor, presented a very fine concert on Thursday evening, June 21st. The boys and girls were the members of the Junior Choir of Alderswood United Church and had come to sing at the Manor through the efforts of Mr. Bernard Shrubsole of Georgetown, who is their leader. Two of the choir mothers Mrs. Brindle and Mrs. Thackeray came also. The members of the choir wore their white surplices and green robes for the occasion.

PIANO AND ORGAN

Both the piano and the electronic organ were used for the concert. Mrs. Ruth James played the piano and Mr. Shrubsole the organ in very capable fashion and Mr. Shrubsole also performed the duties of choir leader and announced the program.

The choir sang several anthems in very commendable fashion. Perhaps the outstanding one was "Master, the Temple is Raging," in which two portions were sung by two separate trios of young girls. Other choral selections were "Now Let Heaven and Earth Adore Thee" "The Beautiful Garden of Prayer" and "Drifting." In two other choral numbers, "The Garden Hymn" and "God Who Touches Earth with Beauty" solo parts were sung by Elaine Herrier and Paul Carlson.

Peel Defeat was Major Surprise

OTTAWA (Special to The Herald) — The defeat of the government whip in the last parliament, John Pallitt, in the traditional Conservative riding of Peel, came as one of the major surprises of election night to observers here.

While the Conservatives lost four cabinet ministers, the three who went down to defeat in Quebec, William Hamilton, Jacques Flynn and Noel Dorion, were not unexpected. But the loss of public works minister David Walker in Toronto and Mr. Pallitt in Peel represented two of the most startling upsets to most people close to parliament.

Mr. Pallitt first won election in a 1954 byelection by a 4,556 vote margin and increased his margins to 9,351 in 1957 and 13,022 in 1958. Since Peel has not elected a Liberal since 1896, Mr. Pallitt's return was regarded here as almost a foregone conclusion.

Mr. Pallitt was appointed government whip in January 1959. The appointment is the prerogative of the prime minister but it is the only such position which is also confirmed by the party caucus. Mr. Pallitt would probably have remained as whip in the next parliament as a whip remains in the position until he either retires or is removed by his own party. Some observers here feel that he would have held the post in the next parliament and continued to combine it with his other position of one of the parliamentary secretaries to prime minister Diefenbaker.

Changes in the population of Peel, the cancellation of the Avro Arrow contract, the general swing against the Conservatives and, of course, the vigorous campaign waged by winning Liberal Bruce Bees, were all cited here as likely reasons for the Pallitt defeat.

The opposition party whips in the last parliament, J. A. Isabel Liberal of Cochrane, and Arnold Peters, NDP member for Temiskaming, were both re-elected on June 18th and may be reappointed to their positions.
