**TORONTO**—Newly elected Imperial Potentate of 550,000 Shriners, George M. Klepper (left), being presented jewel of office by Marshall M. Porter, immediate Past Imperial Potentate, at the Shrine's 10th annual convention in Toronto. The new Shrine leader is a Memphis, Tennessee, lawyer. He will direct 182-43 affairs of 16 Shrine temples and 17 hospitals for crippled children throughout the United States, Canada, Mexico and the Panama Canal Zone. Porter, a justice of the Supreme Court of Alberta, Canada, resides in Calgary.

**Town Resident Holds High Office in Shrine**

It was a keen disappointment for one of two routes, either through the Scottish Rite or the Receptory. Members of B. Chamberlain, to be unable to attend the Shrine's convention in Toronto last week. Mr. Chamberlain, who lives on Market St. just across the road from his son, Dr. J. H. Chamberlain, had been hospitalized for a week or two and didn't quite feel up to the festivities.

A retired bank manager, he held high office in the Shrine in Calgary as potentate. And he was particularly looking forward to attending Shrine's convention as residents and many in Toronto when this year's Imperial Potentate, Marshall Porter was installed in office. Mr. Porter, who is Chief Just. of the province of Alberta, joined the Shrine in Calgary during Mr. Chamberlain's term of office.

The Shrine, an international organization, comprises members of the Masonic Order who have advanced to the 32nd degree.
