## Terra Cotta Picnic For Anglican Group

Members and friends of St. John's Church Sunday School, enjoyed their annual picnic at Terra Cotta Conservation Park on Wednesday afternoon, July 11th, under the capable leadership of Mr. and Mrs. Howard Briggs and Mrs. Fred Armstrong.

The young folks all enjoyed the swimming and reported the water warm and some even remarked "it was wet."

The picnic tables were well laden with food of all kinds and the hungry group made short work of it all.

Miss Susan Smith and Miss Diana Armstrong were responsible for the well organized sports which supplemented the evening's entertainment and children and adults took part in the races. Prize winners were as follows:

## Twin Lakes Picnic Site for Institute

Thursday, July 12th, was the date set for the Esquimaux W.I. annual picnic.

The ladies undaunted by the rain, arrived at the meeting place on schedule, accompanied by friends and children, and all set out for the Kelo Dam. — Well! it was a little muddy, so after a little controversy among the drivers, it was decided to travel on to Twin Lakes.

This area, although still in the early stages of development, is truly a beautiful spot, at the end of a long, narrow, winding road with plenty of ups and downs.

Numerous picnic tables were provided. A large swimming pool, which was being painted, will provide good swimming for all ages, and a large tennis court, for those who wish to indulge in the recreation.

The children enjoyed the swings, slides and trolley, and the wide open space.

Further along through the wooded area, is a very beautiful lake, fed by fresh spring water, and the supply of water is out of this world.

The ladies arranged their picnic tables nicely in the shade of a very large basswood tree, unaware of the numerous bees, swarming about. However the bees, satisfied with the sweet smelling blossoms of the tree, were not interested in the picnic fare.

The rain, by this time had passed by and the ladies had a very enjoyable afternoon.

One of the members produced snapshots taken at the 60th Anniversary Celebration.

"O was some Power the little give us

To see ourselves as others see us!"

Mr. and Mrs. Robert Harris, Robert and Kevin, have returned home after vacationing a week at Wasaga Beach.

Congratulations to Mr. and Mrs. Harry Hennesy on the birth of their first grandchild, a son, born to Mr. and Mrs. Norman Dredge.

Congratulations and best wishes to Mr. and Mrs. George English, the former Pat Vincent, who were married on Saturday, July 14th, in St. John's Anglican Church, Rockwood.

Happy birthday to Janet Walker, who celebrates her 9th birthday on July 31st.

All are made welcome. The congregation is small, but the faithful few have carried on through the years and in the past few years much has been done by way of improvement. Much needed paint, along with the stucco work recently completed make the church much more attractive. All this has been donated by people interested in the preservation of an old landmark.
