

Scuba Divers Seek Additional Members

If you've envied Lloyd Bridgman as he talks to himself under water in "Sea Hunt," want to know more in his own words? Come to the Georgetown pool Saturday morning, and find out how it's done. However, a word of caution: don't try talking out loud under water, it could be disastrous.

The Scuba diving club (Self-Contained Under Water Breathing Apparatus) now has fifteen members and would like to have more. After a rapid mechanical and a "dry" quality, members feel the lack of equipment has perhaps been keeping prospective members away. However, it is not necessary to have all the equipment right away. Only a mask, snorkel and fins are needed at the beginning.

Last year the club explored the floor of Georgian Bay, and will probably take trips this summer too. As yet their plans are indefinite.

In addition to being a Scuba diving instructor, Cliff Johnson is the Chief Lifeguard at the pool. He would like to promote inter-town swimming meets, and in fact has arranged one between Brampton, Orangetown and Georgetown.

To this end he would be happy to hear from swimmers between the ages of ten and eighteen who would like to try out for the meet.

The transfer of administration of this area was based on a decision made by the Ontario Motor League and approved by both the Canadian and American Automobile Associations. This change in administration was made because of the fact that the Hamilton Automobile Club could render more direct services to the motorists in this area.

Hamilton Auto Club Administers Local Territory

At a luncheon meeting held at the Royal Oak Hotel, W. R. Carter, President of the Hamilton Automobile Club, announced to a group of distinguished guests from Oakville, Acton, Milton and Georgetown that Halton County district was now part of the Club's territory.

Clean Sweep For Three Karters

Two kart drivers, a Junior Ricky Currie, and a Modified A driver, Dave Armstrong, completed clean sweeps in their three attempts at the Lanehouse Track where the North Halton Kart Klub stages a meet for the mighty mites weekly.

The pair won their classes, heats, semi-finals, and finals in the Modified A final Dave Armstrong edged Al Ingles and

EYE WITNESSES who watched a demonstration of a fire proofing solution at the fire hall recently can probably accept the above scene as a fact, although it was just posed for the Herald photographer. At left Harry Stephens trains a pressure torch on coversalls of local fireman Jim Valentine while Chief Bob Bonfield stands by, ready to call in the hoses. Mr. Stephens represented Walker Gregg and Associates in displaying the flame retardant product, Fyr Lok, which he advertised for walls, curtains, furniture and even the wardrobe.

WAYNE THOMPSON

GORD THOMPSON

Georgetown Riddler hockey fans know the brother-Thomp goals on ice; they really expect as a handy pair to have when on the attack against the opposition. When it comes to kill cream of Ontario's Lacrosse League a penalty or slowing down drop and right now are goal the opposition attackers, but to her one and number two goal see the Thompsons at their scores of all for Riddlers in last on offense. Take in one of league scoring Wayne is fourth the Brampton Riddlers' Senior with 20 points and Gord is in Lacrosse games. As good as fifth spot with 18.

Keith Hunter to get the win, time the Hobbs final Phil Wat. In other events Bill Garbutt won the heat in Class A won the Hobbs heat, Tom Van Norm Shea took the semi-final Alphen the Hobbs semi-final, there, and repeated his win and Jim "Dut Track" Valan the final.

THEY GET A KICK OUT OF SOCCER

JUST FOR FUN - That's how the dozens of Soccer buffs who assemble weekly at the park play the old country game. Sessions are held every Wednesday evening on the track infield and while the herd of ball chasers don't pretend to approach the pro level they do succeed in letting off pent up steam and at the same time satisfy that undeniable urge to put toe to ball that plagues anyone familiar with the game. The resurgence of Soccer this year came after a Herald news item queried fate of the sport locally. Galloping down on the elusive ball are Alf Syrett, Mark Llewellyn and Bob McCumber.

BRADFORD BECKONING RICHARDSON

Raiders' penalty killer supreme, goal scorer par excellence and puck ragger without portfolio, is on the summer shopping list of Bradford Brad Fords of the Central Ontario Hockey League. Doug Richardson has been badgered by the Fords' playing coach, Don "Spider" Gibson and to date the jack-of-all trades homebrew hasn't told his pursuer to get lost. In fact Richardson is just enroute to the Bradford sales pitch with both ears and admits the lure is attractive. The Fords saw a lot of the tireless winger during the league semifinals in the spring and took a liking to Richardson's skate style of play. If he gives in to the chase, his loss will leave a big hole in the Raiders lineup. As if the strong Fords didn't have enough heady personnel working for them when they bumped Raiders out of contention last April.

Beat Red Sox For Season's 4th Win

Georgetown sluggers piled up 6 runs in the final three innings to register their fourth win of the 1962 Halton County Baseball season last Wednesday, a 7-3 triumph over last place Milton Red Sox here.

Bernie Dore picked all 7 innings to pick up the win, his 2nd of the campaign, scattering 7 hits. Milton grouped three of them in the 2nd inning when they collected two runs, but after that Milton's pickings were meager. A triple by the 1st sacker, Fletcher, with a man on produced the third run in the 5th.

It was the base running of Fletcher, and the 2nd baseman, Shannon, and the hitting of Hopkins and Ripe that opened a 2-0 lead for the Red Sox in the 2nd frame, but the locals were quick to chop it. In the bottom half of the inning, the lead of later, Mike Ingles, led on a walk, while 2nd, made 3rd on a throwing error, and rumped home on Ken Mitchell's sacrifice fly.

Twice Georgetown came through with two run innings after their first two hitters were retired in the 4th Jim Doucette singled and in the 6th with two gone. Tom James singled to spark another rally. Don Laughlin doubled, and Max Stafford smashed a home run triple to score the pair.

The two runs in the 5th came off just one hit, Stafford's single. Hopkins took the loss.

Lowville Bombs Glen In Rural Ball Upset

Teams in the Halton Rural softball started the second part of the schedule last week with activity in all parks. Lowville "B" team pulled the upset of the week with a 12-8 win over the strong Glen Williams contender last Tuesday with Sinclair gaining the win on the mound. Telford, Peavoy and Shaw all saw action on the Glen mound but to no avail and manager, the lights was not too pleased with his boys' efforts in the game.

Wednesday night, July 11th Hornby won an 11 inning marathon 8-7 by coming from behind a 6-4 Lowville Tiger lead in the fifth inning to tie the count in the seventh and force the extra innings Jacques Paquette was the hero of the game as he got on with a single in the eleventh, stole his way in third on an error by Lowville, for the winning tally. Lloyd V. van went the route for the Lowville squad and it was Paquette who lasted until late in the game for Hornby, with Willmott counting in from the field to relieve the snappy hurler.

Friday night's action saw Palermo turn back Lowville "B's" 12-8 while Lowville "A" boys were kept busy to gain a 4-3 win over Omagh's top club in Lowville. Hornby took its ninth win of the season with an 11-0 set back handed to Omagh "B's". Paquette and G. Hamilton shared the pitching chores for the victors and Don Chisholm belted out a home run as an additive.

Tuesday the 11-0 score came into being again as Hornby blanked the Lowville "B" team by this count. Paquette and Hamilton pitched for Hornby in this one also, with Sinclair

Local Golfers Try Ontario Amateur

MRS. MARCHMENT

Last week was an important one for three local golfers who tested their skill in the Ontario amateur tournaments. Harry Chappell of North Halton was one stroke short of the qualifying 77 when he entered the provincial men's amateur tournament at Summit.

At Mississauga, Mrs. Norman Marchment of Georgetown Golf and Country Club and Mrs. Stuart Young of North Halton missed qualifying in the championship match, but proceeded to further play in the first and fifth flights, respectively. Mrs. Marchment's 80 kept her out of the top round by only one stroke. She registered the low net on the day.

Mrs. Marchment won her first match in the flight but lost her second to last year's lady champion.

Mrs. Young won two matches to reach the semi-finals in her flight. On Friday in her third match, a 19th hole was the deciding factor for her opponent who ousted her from further competition.

THREE ACES BUT ONE WAS WILD

If you're having trouble with that score, call Wayne Davison. The Georgetown Golf and Country Club junior, apparently has connections with the gods of golf, and although he has never aced a hole himself, he was with two golfers this month when they did.

Wayne was the golf partner of Doug Sinclair of the Georgetown Golf pro shop when he scored a hole-in-one on that club's par 3 seventeenth with an 8 iron, a week ago Sunday, and this weekend Wayne and Rod Presswood were with Tracy Barrager when he dropped his tee shot in the cup on the par 3, third hole at the new Hill Top golf course at Erin. Tracy used a 3 wood.

Another "hole-in-one" will not count for Fred Harrison at the North Halton club though it did provide Fred and golf partners with a good laugh and a good story. On the par 3 ninth hole, over the small pond, Fred's tee shot missed the ninth green by 40 yards, landed on the practice putting green near the clubhouse and dropped into one of the nine cups. He didn't say what club he used for the recovery shot.

Visitor: "Well, Jackie, how do you like your new little sister?" Jackie: "Oh, she's all right! But there are lots of things we need." Jackie: "What?"
