All-Stars to Play In Campbellville
Only two will be helping the Halton All-Stars cause, but there will be three Georgetown ball players in the Annual All-Star game in Campbellville this Sunday, August 12th.
The third will be Nick DeCarlo, flashy catcher of the Guelph Royals of the Intero County Senior League, the team that will be facing the pick of the county intermediates.
Nick though not yet a permanent resident, is employed at Georgetown Stationery and Office Supplies on Main St. and plans to move to town in the near future. At the moment, he is 5th in the league batting race with an average of .329. Of course the other two local faces will belong to Lyn McLaren, Georgetown Intermediates' manager and pitcher who was elected as one of the three All-Star pitchers, and "Doc" McLaughlin, infielder-outfielder, who was selected as one of the eleven alternates.

WICKER FOR POORER
The whole family had gathered for rich Uncle Ed's funeral. "The whole thing is very sad," said one. "Still, it comes to all of us, doesn't it?" "Well, I hope it does," said another. "There was an ugly rumour it was all going to charity."

make milk shakes at home
It's so easy

a big scoop of ice cream (any flavour) plus... a glass of milk — then pop into the mixer for 15-20 seconds

It's a wonderful idea for after-school snacks, for parties, for any special occasion. And that's why it makes good sense to let your Georgetown Dairy route man keep you "fridge" well-stocked with fresh, wholesome milk.
