New Lapel Badges For Ambulancemen

At a goneral meeting held recently in the new Ambulance garage administration room, with ever fifty members present, the new lapel badge was presented to all active members. were bought with G.V.A.S. Many business matters were

discussed, including the changing of the By-law covering drivers. Formerly it was required that all drivers be licenced as chauffeurs, but new regulations now enable drivers with operator's licence only to become members provided they meet all requirements of the Police Department and the G.V.A.S. Plans were discussed for the official opening of the new garage and Mr. Harrison Wood was appointed chairman of the committee to deal

It was pointed out that the Executive had met with the Ambulance Chairman, Mr. John Ellistt, and had been able to make many helpful decisions in reducing the cost of the garage building. Since its construction, a great deal of the painting has been done by the members with a view te keeping down costs for the Corporation. The garage is a tramendous marale booster to the Volunteer Ambulance Service, in that it is a real credit to the area and provides a proper meeting
