GEORGETOWN SIGNALS FIRST IN THE AREA

YOU'RE LOOKING at one of the four signal gantries currently being installed in the local CNR yard by workmen. The bright orange gantries support new signal lights to control the heavy rail traffic which will be going through here when the Toronto Terminal project is completed. The system isn't new to the business but the Georgetown yard is the first in this area to have the gantries.

65th Wedding Anniversary Is Celebrated at Manor

On the first Sunday in August, Mr. Clayton Coles, minister of Emmanuel Baptist Church in Milton, assisted by Miss M. Zimmerman at the organ, conducted the church service in the chapel. Mr. Coles based his sermon on verses 14, of Chapter 8 of Romans.

Having explained that there are two classes of persons in the world, natural persons and spiritual persons, Mr. Coles described the differences between the two classes. Natural persons are those who are controlled not by God but by themselves, whereas spiritual persons are those who are the children of God because they are controlled by the Holy Spirit.

TO BE PITIED

On Sunday, August 12th Mr. Charles Maves, assistant pastor at the Highway Gospel Church in Milton, came again to the Manor to conduct the church service.

The musical part of the service was provided by several ladies. Miss M. Zimmerman was the organist. A very inspiring duet, "At Calvary" was sung by Mrs. John Creeper of Milton and Mrs. L. Pope of Montreal.

Mr. Maves read Psalm 103 and a fine little poem "The Serpent". He then spoke in very sincere fashion upon the topic "Life and Hope", basing his remarks on verse 19 of Chapter 15 of First Corinthians.

Stating that persons who base their hopes on things of this world only are persons to be pitied, Mr. Maves spoke of this life as something most uncertain and unpredictable. There must be a decision that every man must make and that is the decision to come to God. Fortunately it is never too late in this life to make that decision.

Miss Ruth Ann Sherratt was also a visitor at the service.

VERY EXPERT

With seven very friendly and capable ladies in charge, the third summer bingo in the series being conducted for the residents by the ladies Auxiliary of the Milton branch of the Canadian Legion was held in the auditorium on Wednesday evening, August 22nd, and proved to be a very enjoyable event. The president of the Auxiliary, Mrs. Jean Hasselhoff was present and the party was very expertly conducted by Mrs. W. Wells. As always, Mrs. W. Bassett performed the duties of the caller in very expert fashion. The remaining four ladies of the group assisted the handicapped. They were Mrs. K. Schultz, Mrs. G. Stover, Mrs. J. Thomson and Mrs. L. Ellwood.

Twelve bingo games were played and sixteen prizes awarded. Mrs. A. Collier won two prizes. One prize was won by each of the following: Mrs. M. McCann, Mrs. A. Cumming, Mrs. M. Stephens, Mrs. M. Smythe, Mrs. L. Player, Mrs. L. Everdell, Mrs. M. Forbes, Miss D. Davlin and Messrs. T. Shaver, J. Turner, W. Richardson, W. Hughes, E. McKinney and E. Vasek. The game won by Mrs. Forbes was the last game and was played for a full card with a special prize of \$1.00.

EVERY MONTH

The refreshments that followed the bingo games were as delicious as the games had been enjoyable. The Legion ladies had provided raitin bread and ice cream and those served with cold drinks to bring this delightful evening to a close. These ladies have conducted a bingo in each month of the summer from June to August.

ers and an atmosphere of warm friendship, the August birth day party was conducted on Wednesday afternoon, August 29th by the Mountain Union Women's Institute. Mrs. Helen Jones, the president, was present and announced the various numbers on the program in very gracious fashion.

The auditorium looked especially lovely with its prettily decorated head table and profusion of flowers. The table was covered with a pretty birthday cloth in pink and white colours and decorated with pink streamers.

It had as its centerpiece a birthday cake led in pink and white, with white candles. The table was also adorned with two beautiful flower arrangements of gladioli, fern and roses, made by Mrs. Allan Clem.

DANCE HORNIPIE

Mrs. Jones began the program by reading a poem: "Our Birthday Party" and this was followed by the Institute Ode and Mary Stewart Collect. Mrs. Jones then extended a warm welcome to the residents on behalf of her Institute. Mrs. J. W. Robertson read information relating to activities in the near future in which the Institute will be participating.

Dressed in very striking and attractive Highland costumes, Karen and Suzanne Ricketts danced two Highland dances, the music of a record player. They returned to the stage later in the program to dance the Sailor's Hornpipe. Their dancing was graceful and agile and was admired very much.

Mrs. Irene Coulson and Mrs. Marion Gates sang two enjoyable duets. These were a special Institute song composed by Mrs. Lauris Dixon and set to the music of Auld Lang Syne, and the sacred number "How Great Thou Art". Mrs. M. Readhead was their accompanist.

A singsong of popular ballads was conducted by Mrs. Coulson with Mrs. Velma Norris at the piano.

Paper Hats

At the close of the program, greetings on behalf of her district and also on behalf of the Scotch Block WI, whose president Mrs. J. Hopkin was not able to be present. Mrs. S. Allen extended greetings to all the visitors. Mrs. Jones thanked all those who had contributed in any way to the success of the party.

She also extended greetings
