PEGASUS PATRON SAINT OF AIRBORNE EQUINES
 HE DOESN'T HAVE WINGS but this jump is doing his darndest to emulate his fabled Greek kin by soaring over the hedge jump during the jumping competitions in the track infield at the fair Saturday. The jumpers drew an unprecedented crowd interest this time and rewarded the onlookers with a fine show. Though he has all the appearance of a gazelle here, a heavy hoof cast this particular leaper a ribbon.

Stewarttown Lady Fair Prize-winner

Undaunted by the weather, crowds flocked to Georgetown Fair as usual and those who attended were rewarded with an enjoyable afternoon. Those interested in the horse racing were no doubt the most disappointed. The hall exhibits were well displayed, but we missed the large school displays, which always created much interest. In these days, when it is so easy to have the baker call at our door, it is good to know that home baked bread is not a lost art, at least not in our community, for it was Mrs. Herb Reid, who carried off the first prize for her white loaf when she entered it as an exhibit for the Esqueping W.I. at the fair. She also won 2nd prize for her raisin pie. We hope Herb realizes what an lucky man he is, no doubt he has known it for some time but we wonder if he ever tells Leona. Congratulations neighbour.

Mrs. Wm. Humphreys, Mrs. W. R. Lawson and Mrs. R. Harris were the appointed committee, who with the assistance of other members of the W.I. used as their theme "Our 50th Anniversary" for the Institute Display at the fair. It drew the attention of many who were particularly interested in some of the old photographs.

Happy birthday to Mary Louise Armstrong who celebrates her 12th birthday on Saturday, Sept. 29th.

TAKE THE RUM OUT OF RUNNING YOUR HOME

Like most busy folks in Georgetown you've probably found that running a home today keeps you on the run (pardon our pun), and nowhere is this more evident than in the kitchen — the busiest room in the house. No one likes to leave a crucial cooking job to answer the phone, unless, of course, the phone is right there in the kitchen. With a handy colourful extension you can make and take calls while you watch the youngsters underfoot and that

KEEP IN TOUCH

September is schooltime and a lot of young people will be leaving home for college or boarding school here? one good way to keep in touch with them — by telephone. Lots of folks set a regular time for calling and keeping up on the news. And more often than not this time is on a Sunday or after 6 p.m. when station-to-station rates are lower. Remember too that after 9 p.m. any evening you get double value on station-to-station long distance calls of 10 minutes or more within Ontario and Quebec under our Night Economy Plan. So be sure to call often. The pleasure is big and the cost is small — a lot smaller than you think — when you keep in touch by telephone.

WATCH OUR CHILDREN

The streets of our town are filled again with youngsters on their way back to school. Many of them are very young and still not fully aware of the dangers of passing automobiles. May we remind everyone to exercise extra caution while driving near schools or whenever young school children may be walking. Let us remember that children do not always think before they move and can generally be counted on to do the unexpected.
