

Baptist Sunshine Club Gives Manor Program

The regular schedule of Sunday afternoon church services in the Chapel were resumed after the vacation months on Sunday afternoon, September 2nd. Mr. Clayton Coles, pastor of Emmanuel Baptist Church in Milton, conducted the service.

Accompanied by Mrs. Ralph Morton as organist, Miss Carol Kirtou sang three very fine solos, 'Ivory Palace', 'Down from His Glory', and 'Be Thou My Vision'. Miss Kirtou was leaving Milton the next day to attend a Bible College and the best wishes of the residents of the Manor go with her in her new undertaking. She has sung a number of very inspiring solos for the residents and her kindness has been greatly appreciated.

Mr. Coles' sermon was based on verse 6 of Chapter 6 of First Timothy, the words being 'Godliness with contentment is great gain'.

Mr. Coles explained that contentment is a resting in the providence of God and is therefore not to be confused with indifference or disinterest. Contentment can be obtained by the grace of God through our having faith in Him and realizing that Christ died on Calvary for our sins.

The second church service of the regular schedule was conducted on Sunday afternoon, September 9th, by Rev. J. K. I. McGown, minister of Knox Presbyterian Church in Milton. Mrs. Robert Anderson came with him to play the organ.

The material for Mr. McGown's sermon was taken from Chapter 1 of the First Epistle of John and from Psalm 32.

Having pointed out that sin is the central and universal disease among all soul diseases, Mr. McGown stated that sin is a transgression and a missing of the mark. In Psalm 32, David explains that the sinner simply turns his sin over to God by confessing it and by doing so, he gains joy.

Rev. D. A. Powell, rector of Grace Anglican Church in Milton, who conducts the church service on the third Sunday of every month, came to the Chapel on Sunday afternoon September 16th. Mrs. Ray Waters came to play the organ.

After reading the story of the Good Samaritan as told in Chapter 10 of St. Luke's Gospel, Mr. Powell pointed out that the Samaritan acted as a neighbor to a man whom he may never have seen before. Similarly we present-day Christians should act as a good neighbor would act to all the persons we meet. We can do this by loving and showing compassion. To do this it may be necessary to practise self sacrifice but self sacrifice was the very centre of Christ's life and teaching.

Like many thousands of persons who enjoyed the second annual show of the Ontario Steam and Antique Preservers Association in Milton over the Labour Day week-end, a good representation from among the residents of the Manor found the parade and the show very interesting. On Saturday, Sep-

was in charge of the meeting and was assisted by Mrs. R. Handell, Mrs. S. Childs and Mrs. D. Rogers.

A message of thanks from Mrs. Jeffares was received acknowledging the gift of one of the Christmas wreaths sent to the Sunshine School for Retarded Children. This particular wreath had been made in the Handicraft meetings by Mrs. L. Player, a blind resident.

Donations of material from Y. Eaton Co., a large number of children's knitted caps made by Mrs. M. Ambrose and two pairs of booties, knitted by Mrs. M. Olmstead were acknowledged.

The members of the Class busied themselves during the afternoon with several different projects such as basket-weaving, needlework and making Christmas wreaths.

On Sunday, Sept. 23rd, the residents enjoyed a very delightful treat of fresh Parker House Rolls sent from the Chicken Harcourt hotel at Grace Anglican Church on the previous evening. Their thanks go out to Rev. D. A. Powell and those who were in charge of the Harcourt for this generous and unexpected treat.

Rev. J. L. Graham, minister of St. Paul's United Church in Milton, completed the regular monthly schedule of church services conducted by the clergymen of Milton on Sunday, September 23rd.

After having read several passages from the Epistle of James, Mr. Graham based his scholarly sermon on this book of the New Testament.

Mr. Graham explained that this epistle was written to the second generation Christians of the church at large. At that time the original enthusiasm, love and feeling of brotherhood that were so much a part of the religion of the first generation Christians were waning. James tells his contemporaries in the Christian Church that a true faith must be a total commitment to Christ and must teach love for their fellow-men.

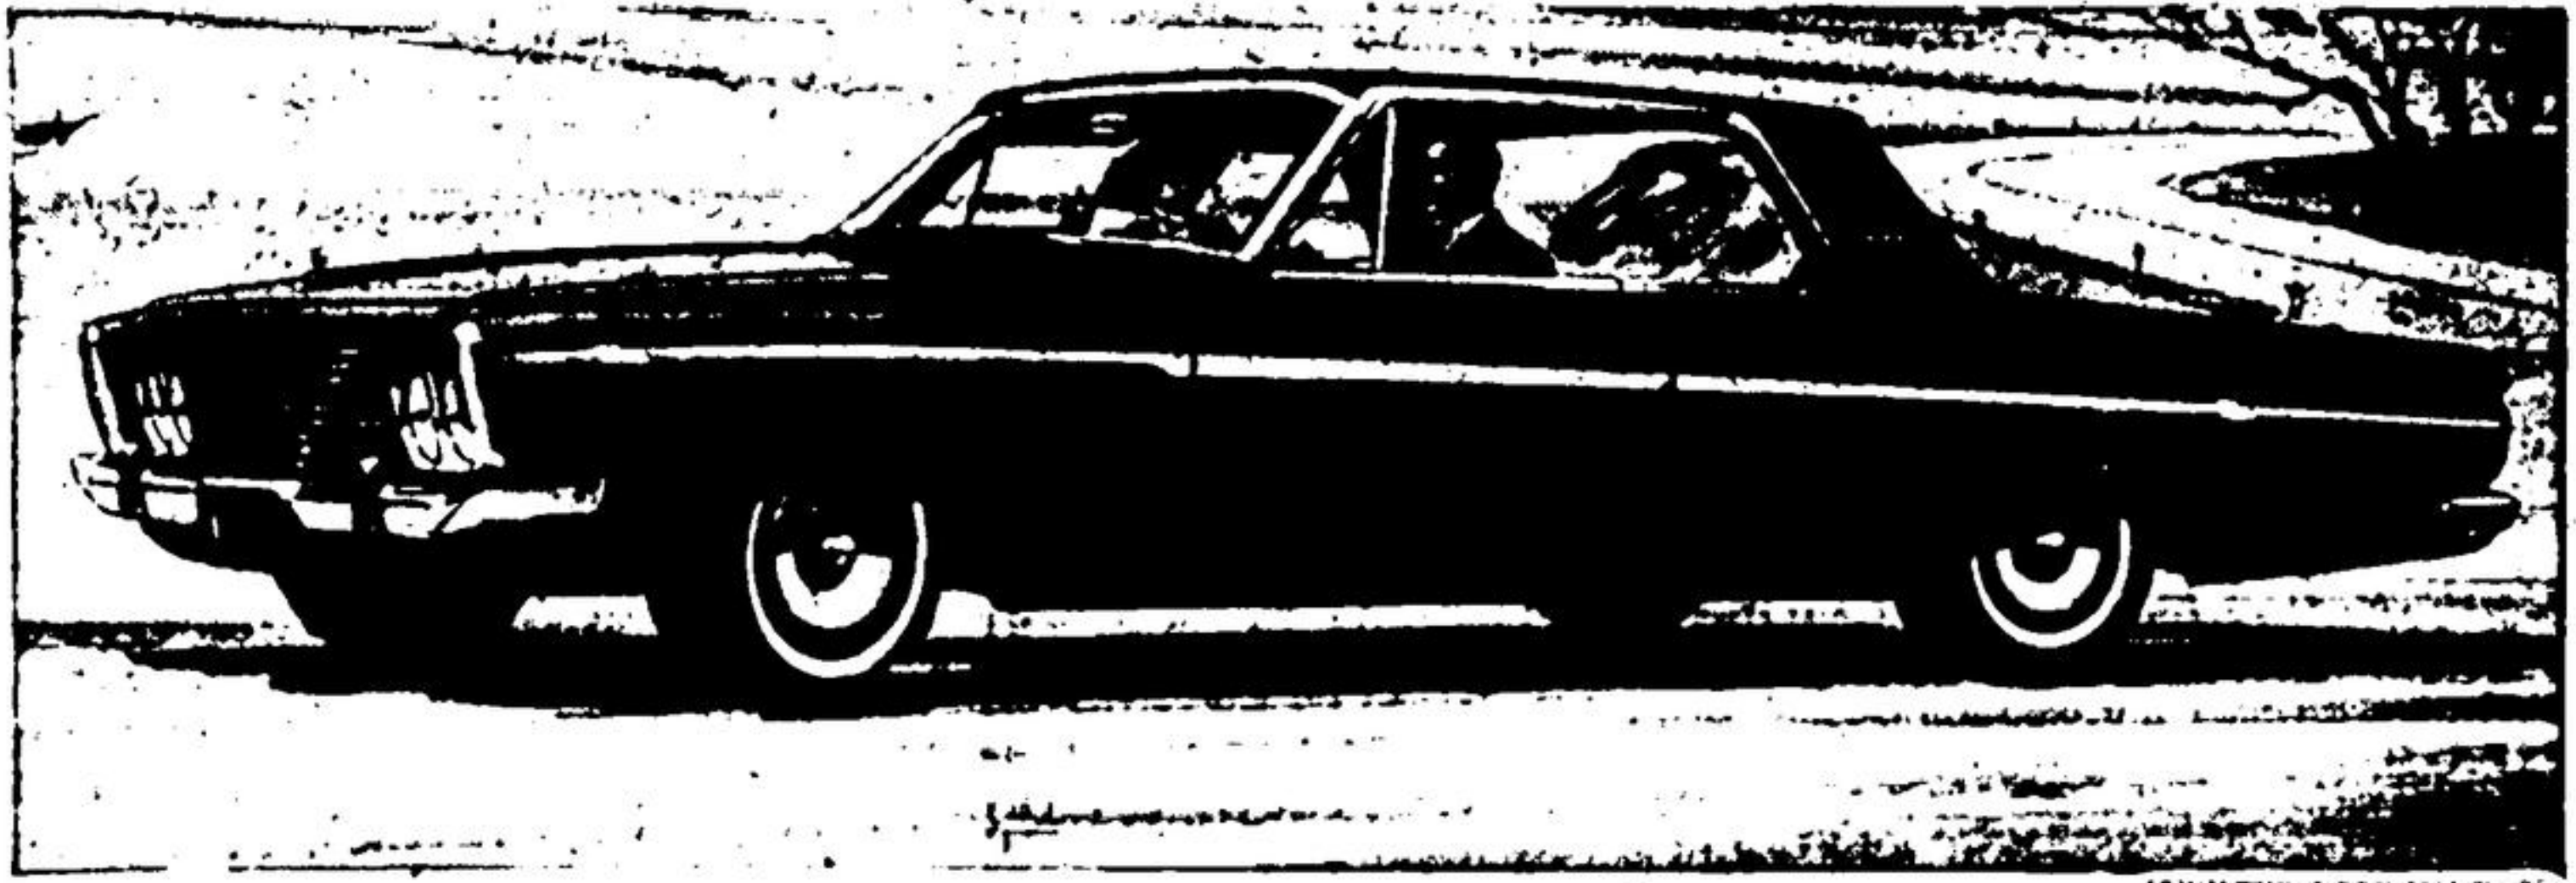

It is very sincerely regretted that several mistakes occurred in the account of the birthday party conducted in August by the Mountain Union W.I. One of the ladies who sang in the duets was Mrs. Howard Coulson. The lady who led the audience in the singing was Mrs. Velma Norris and the lady who accompanied the singing at the piano was Mrs. Stanley Coulson.

A number of very attractive slides on a wide variety of subjects were shown by Mrs. Porter and Miss N. Thompson. Most of the slides showed the beauty and the province of Newfoundland and all the slides were explained by the ladies as they showed them.

A brief devotional period consisting of the reading of part of Chap. 17 of St. John's Gospel and of a prose selection from the Bible by Mrs. Porter and a closing prayer by Mrs. Leece brought this quiet in-spiring program to a close.

The 1962-63 season of the Halton Manor Handicraft Class got away to a good start on Thursday afternoon, Sept. 20th, when twenty three men and women residents attended the first meeting of this new season in the auditorium. Mrs. S. Allen, the president of the Auxiliary

WHY CAMPAIGN IN GEORGETOWN ONLY?

Any new organization is bound to suffer birth pains. The 'Y' believes in growing slowly and doing a thorough job in the areas in which it enters.

WHEN WILL PROGRAM BE OFFERED TO SURROUNDING DISTRICT?

As capable leaders are trained in the various types of program the neighbouring communities will be contacted and program started for them.

WHO WILL RECEIVE THE SERVICES OF THE 'Y'?

Anyone who is interested in joining the 'Y' may enjoy the program which will be offered. The program as now being planned will start with the Grade 7 and 8 students in the Georgetown Public Schools.

WHAT TYPE OF PROGRAM IS TO BE OFFERED?

The Grade 7 and 8 boys and girls will be offered a program which will include club organizing and operating. Educational programs such as talks by the police chief, fire chief, St. John Ambulance, V.O.N., etc., trips to local industries, if available, Games and sports, hobbies, etc. In general an opportunity to do things together in a Christian environment. Each group or club will have 2 trained leaders and an adult supervisor. As leadership becomes available program will be planned for teenagers.

WHERE WILL PROGRAM BE OPERATED?

In rented schools and halls, Cedarvale School, private recreation rooms, church halls, playgrounds and any other facility available.

WILL ADULT PROGRAM BE OFFERED?

Yes. It is planned to operate a Social Educational program for those adults 18 years of age and over. This program will include speakers and instructional groups on topics or activities requested. It is also planned to have a program for mothers of young children. Again as one program is started and running smoothly more programs will be offered.

WHERE WILL THE LEADERSHIP COME FROM?

The local Board of Directors have been successful in obtaining the part-time services of Mr. Eric Eamon. Mr. Eamon is Executive Director of the YMCA-YWCA in Brampton. He is a graduate of Queen's University and holds a B.A. degree. Mr. Eamon has been associated with the 'Y' since 1952 and has taken many training courses with the 'Y'. Mr. Eamon will be assisted by Mrs. Nell Gilchrist. She also is a Queen's University graduate and holder of a B.A. degree. Mrs. Gilchrist has many years experience in both the 'Y' movement and in Social Welfare. Mr. Eamon and Mrs. Gilchrist are at present holding leadership training classes for High School students who have volunteered and have been chosen by the 'Y' program committee to be leaders in the future 'Y' programs. Adult leaders will be trained as the need arises.

WHO RUNS THE 'Y'?

THE YMCA-YWCA is run by a Board of Directors who are elected by ballot from the members of the association. Any member over 16 may vote. The Board then hire a trained 'Y' Secretary to operate the program for them. All decisions as to finance and program are made by the Directors. Until such time as a membership is obtained, an interim board made up of interested citizens now makes the decisions.

HOW CAN I HELP?

You can help by giving generously to the Canvasser when he calls at your door. You can help by offering assistance as instructors and supervisors. You can help by actively participating in the 'Y' program. You can help by offering constructive criticism.

HOW WILL MONEY BE SPENT?

The \$10,000 represents approximately 18 months of program and training.
